JOURNAL OF THE HOUSE

Second Regular Session, 100th GENERAL ASSEMBLY

FIFTY-SEVENTH DAY, WEDNESDAY, MAY 6, 2020

The House met pursuant to adjournment.

Speaker Haahr in the Chair.

Prayer by Representative Ken Wilson.

Heavenly Father, it is our prayer during these few moments of silent reflection that they be filled with meaning, with peace and comfort to each member here this morning. Father, we ask for Your guidance for this day because we know that we need only to concern ourselves with issues of this day. May your blessings of good health and safety be upon the members of this body. We pray for the family members at home as they continue to maintain a home and life. We pray for understanding and guidance, as we have so many things to do and so little time to do them in. Help us, Father, to make wise choices and proper use of our time. May each member, in their own way, reach out to You for Your help and guidance in all that we do this day. Hear our prayers and be with us this day.

The Pledge of Allegiance to the flag was recited.

The Journal of the fifty-sixth day was approved as printed by the following vote:

Representative Rone offered **House Amendment No. 2**.

House Amendment No. 2

AMEND House Committee Substitute for Senate Substitute for Senate Bill No. 618, Page 12, Section 144.030, Line 402, by inserting after all of said section and line the following:

"393.355. 1. As used in this section, the following terms shall mean:

(1) "Electrical corporation", the same meaning given to the term in section 386.020, but shall not include an electrical corporation as described in subsection 2 of section 393.110;

(2) "Facility", a:

(a) Facility whose primary industry is the ~~[smelting]~~ **processing of [aluminum and]** primary metals ~~[- Standard Industrial Classification Code 3334];~~

(b) Facility whose primary industry is the production or fabrication of steel, North American Industrial Classification System 331110; or

(c) Facility with a new or incremental increase in load equal to or in excess of a monthly demand of fifty megawatts.

2. Notwithstanding section 393.130 or any other provision of law to the contrary, the public service commission shall have the authority to approve a special rate, outside a general rate proceeding, that is not based on the electrical corporation's cost of service for a facility if:

(1) The commission determines, but for the authorization of the special rate the facility would not commence operations, the special rate is in the interest of the state of Missouri when considering the interests of the customers of the electrical corporation serving the facility, considering the incremental cost of serving the facility to receive the special rate, and the interests of the citizens of the state generally in promoting economic development, improving the tax base, providing employment opportunities in the state, and promoting such other benefits to the state as the commission may determine are created by approval of the special rate;

(2) After approval of the special rate, the commission allocates in each general rate proceeding of the electrical corporation serving the facility the reduced revenues from the special rate as compared to the revenues that would have been generated at the rate the facility would have paid without the special rate to the electrical corporation's other customers through a uniform percentage adjustment to all components of the base rates of all customer classes; and

(3) The commission approves a tracking mechanism meeting the requirements of subsection 3 of this section.

3. Any commission order approving a special rate authorized by this section to provide service to a facility in the manner specified under subsection 4 of this section shall establish, as part of the commission's approval of a special rate, a tracking mechanism to track changes in the net margin experienced by the electrical corporation serving the facility with the tracker to apply retroactively to the date the electrical corporation's base rates were last set in its last general rate proceeding concluded prior to June 14, 2017. The commission shall ensure that the changes in net margin experienced by the electrical corporation between the general rate proceedings as a result of serving the facility are calculated in such a manner that the electrical corporation's net income is neither increased

nor decreased. The changes in net margin shall be deferred to a regulatory liability or regulatory asset, as applicable, with the balance of such regulatory asset or liability to be included in the revenue requirement of the electrical corporation in each of its general rate proceedings through an amortization of the balance over a reasonable period until fully returned to or collected from the electrical corporation's customers.

4. Notwithstanding the provisions of section 393.170, an electrical corporation is authorized to provide electric service to a facility at a special rate for the new or incremental load authorized by the commission:

(1) Under a rate schedule reflecting the special rate approved by the commission; or
(2) If the facility is located outside the electrical corporation's certificated service territory, the facility shall be treated as if it is in the electrical corporation's certified service territory, subject to a commission-approved rate schedule incorporating the special rate under the contract.

5. To receive a special rate, the electrical corporation serving the facility, or facility if the facility is located outside of the electrical corporation's certified service territory, shall file a written application with the commission specifying the requested special rate and any terms or conditions proposed by the facility respecting the requested special rate and provide information regarding how the requested special rate meets the criteria specified in subdivision (1) of subsection 2 of this section. A special rate provided for by this section shall be effective for no longer than ten years from the date such special rate is authorized. The commission may impose such conditions, including but not limited to any conditions in a memorandum of understanding between the facility and the electrical corporation, on the special rate as it deems appropriate so long as it otherwise complies with the provisions of this section.

6. Any entity which has been granted a special rate under this section may reapply to the commission for a special rate under this section."; and

(2) April 1, 2023, and until March 31, 2025, ten percent; and

(3) Beginning April 1, 2025, twenty percent.

Except as provided in this subsection, the minimum content levels in subdivisions (2) and (3) of this subsection are effective during the months of April, May, June, July, August, September, and October only and the minimum content for the remainder of the year is five percent. However, if the Missouri department of agriculture's division of weights, measures and consumer protection determines that an ASTM International specification or equivalent federal standard exists for the specified biodiesel blend level in subdivisions (2) and (3) of this subsection that adequately addresses technical issues associated with Missouri's typical weather patterns and publish a notice in the Missouri register to that effect, the department of agriculture may allow the specified biodiesel blend level in subdivisions (2) and (3) of this subsection to be effective year-round. In each year that the seasonal reduction to five percent is in effect, the minimum content level of diesel fuel sold or offered for sale at retail in Missouri from April first to April thirtieth may be less than the level required under subdivisions (2) and (3) of this subsection in order to allow for the transition of blends.

4. The minimum content levels in subdivisions (2) and (3) of subsection 3 of this section become effective on the date specified only if the director of the department of agriculture submits notice in the Missouri register that the following conditions have been met and the state is prepared to move to the next scheduled minimum content level:

(1) An ASTM International specification or equivalent federal standard exists for the next minimum diesel-biodiesel blend; and

(2) A sufficient supply of biodiesel is available and at least fifty percent of the biodiesel is produced in the state of Missouri.

5. By January 15, 2023, and biennially thereafter, the director of the division of energy shall determine the preceding twelve-month rolling average of wholesale diesel price at various pipeline and refinery terminals in Missouri, and the preceding twelve-month rolling average of biodiesel price determined after credits and incentives are subtracted at biodiesel plants in Missouri. The director shall consult with the directors of the department of natural resources and the department of agriculture, and may by emergency rule adjust the biodiesel mandate if a price disparity reported by the directors will cause economic hardship to the state. Any adjustment shall be for a specified period of time, after which the percentage of biodiesel fuel to be blended into diesel fuel returns to the amount required in subsection 3 of this section. The biodiesel blend shall not be adjusted to less than five percent.

6. The director of the department of agriculture may waive specific requirements in this section and in regulations promulgated according to this section, or may establish temporary alternative requirements for fuels as determined to be necessary in the event of an extreme and unusual fuel supply circumstance as a result of a feed stock shortage, emergency, or a natural disaster as determined by the director for a specified period of time. If any action is taken by the director under this section, the director shall:

(1) Review the action after thirty days; and

(2) Notify industry stakeholders of such action.

Any waiver issued or action taken under this subsection shall be as limited in scope and applicability as necessary, and shall apply equally and uniformly to all persons and companies in the impacted biodiesel fuel supply and distribution system, including but not limited to biodiesel producers, terminals, distributors, position holders and retailers.

7. The minimum content requirements of subsection 3 of this section do not apply to No. 1-D fuel and fuel used in the following equipment:

- (1) Motors located at an electric generating plant;
- (2) Railroad locomotives;
- (3) Stationary power generators;
- (4) Off-road mining equipment and machinery;
- (5) Off-road logging equipment and machinery; and
- (6) Vessels of the United States Coast Guard and vessels subject to inspection under 46 U.S.C.

Section 3301(1), (9), (10), (13), or (15).

8. (1) A refinery, position holder, or terminal shall provide, at the time diesel fuel is sold or transferred from the refinery or terminal, a bill of lading or shipping manifest to the person who receives the fuel. For biodiesel blends, the bill of lading or shipping manifest shall disclose biodiesel content, stating volume percentage, gallons of biodiesel per gallons of petroleum diesel base-stock, or an ASTM "Bxx" designation where "xx" denotes the volume percent biodiesel included in the blended product. This subsection shall not apply to sales or transfers of biodiesel blend stock between refineries, between terminals, or between a refinery and a terminal.

(2) A delivery ticket required under section 413.125 for a biodiesel blend shall state the volume percentage of biodiesel blended into the diesel fuel delivered through a meter into a storage tank used for dispensing into motor vehicles powered by an internal combustion engine and not exempt under subsection 3 of this section.

9. All terminals in Missouri that sell diesel fuel shall offer for sale, in cooperation with position holders and suppliers, biodiesel blends set forth in subsection 3 of this section and unblended diesel fuel.

10. Notwithstanding any other law to the contrary, all fuel retailers, wholesalers, distributors, and marketers shall be allowed to purchase biodiesel from any terminal, position holder, biodiesel producer, biodiesel wholesaler, or supplier. In the event a court of competent jurisdiction finds that this subsection does not apply to or improperly impairs existing contractual relationships, then this subsection shall only apply to and impact future contractual relationships.

11. Beginning in 2023, the director of the division of energy shall report by January fifteenth of each year to the speaker of the house of representatives and the president pro tempore of the senate regarding the implementation of the minimum content requirements in subsection 3 of this section, including information about the price and supply of biodiesel fuel. The report shall include information about the impacts of the biodiesel mandate on the development of biodiesel production capacity in the state, and on the use of feedstock grown or raised in the state for biodiesel production. Biodiesel fuel being recognized by the division of energy as a big contributor to Missouri's energy solutions industry, the division shall include recommendations on how to create continued growth and expansion for the benefit of Missouri's environment, economy, and agricultural industry.

12. The provisions of section 414.152 shall apply for purposes of enforcement of this section.

13. The department of agriculture and the department of natural resources shall establish rules and regulations to implement the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2020, shall be invalid and void.

14. Under section 23.253 of the Missouri sunset act:

(1) The provisions of the program authorized under this section shall automatically sunset ten years after August 28, 2020, unless reauthorized by an act of the general assembly; and

(2) If such program is reauthorized, the program authorized under this section shall automatically sunset ten years after the effective date of the reauthorization of this section; and

(3) This section shall terminate on September first of the calendar year immediately following the calendar year in which the program authorized under this section is sunset."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

- 67.1842. 1. In managing the public right-of-way and in imposing fees pursuant to sections 67.1830 to 67.1846, no political subdivision shall:
- (1) Unlawfully discriminate among public utility right-of-way users;
 - (2) Grant a preference to any public utility right-of-way user;
 - (3) Create or erect any unreasonable requirement for entry to the public right-of-way by public utility right-of-way users;
 - (4) Require a telecommunications company to obtain a franchise **or written agreement, other than a permit**, or require a public utility right-of-way user to pay for the use of the public right-of-way, except as provided in sections 67.1830 to 67.1846;
 - (5) Enter into a contract or any other agreement for providing for an exclusive use, occupancy or access to any public right-of-way; or

(6) Require any public utility that has legally been granted access to the political subdivision's right-of-way to enter into an agreement or obtain a permit for general access to or the right to remain in the right-of-way of the political subdivision.

2. A public utility right-of-way user shall not be required to apply for or obtain right-of-way permits for projects commenced prior to August 28, 2001, requiring excavation within the public right-of-way, for which the user has obtained the required consent of the political subdivision, or that are otherwise lawfully occupying or performing work within the public right-of-way. The public utility right-of-way user may be required to obtain right-of-way permits prior to any excavation work performed within the public right-of-way after August 28, 2001.

3. A political subdivision shall not collect a fee imposed pursuant to section 67.1840 through the provision of in-kind services by a public utility right-of-way user, nor require the provision of in-kind services as a condition of consent to use the political subdivision's public right-of-way; however, nothing in this subsection shall preclude requiring services of a cable television operator, open video system provider or other video programming provider as permitted by federal law.

67.1846. 1. Nothing in sections 67.1830 to 67.1846 relieves the political subdivision of any obligations under an existing franchise agreement in effect on May 1, 2001. Nothing in sections 67.1830 to 67.1846 will apply to that portion of any ordinance passed prior to May 1, 2001, which establishes a street degradation fee. Nothing in sections 67.1830 to 67.1846 shall be construed as limiting the authority of county highway engineers or relieving public utility right-of-way users from any obligations set forth in chapters 229 to 231. Nothing in sections 67.1830 to 67.1846 shall be deemed to relieve a public utility right-of-way user of the provisions of an existing franchise, franchise fees, license or other agreement or permit in effect on May 1, 2001. Nothing in sections 67.1830 to 67.1846 shall prohibit a political subdivision or public utility right-of-way user from renewing or entering into a new or existing franchise, **upon mutual agreement**, as long as all other public utility right-of-way users have use of the public right-of-way on a nondiscriminatory basis. Nothing in sections 67.1830 to 67.1846 shall prevent a grandfathered political subdivision from enacting new ordinances, including amendments of existing ordinances, charging a public utility right-of-way user a fair and reasonable linear foot fee or antenna fee or from enforcing or renewing existing linear foot ordinances for use of the right-of-way, provided that the public utility right-of-way user either:

(1) Is entitled under the ordinance to a credit for any amounts paid as business license taxes, **payments in lieu of taxes**, or gross receipts taxes; or

(2) Is not required by the political subdivision to pay the linear foot fee or antenna fee if the public utility right-of-way user is paying gross receipts taxes, business license fees, or business license taxes that are not nominal and that are imposed specifically on communications-related revenue, services, or equipment.

For purposes of this section, a "grandfathered political subdivision" is any political subdivision which has, prior to May 1, 2001, enacted one or more ordinances reflecting a policy of imposing any linear foot fees on any public utility right-of-way user, including ordinances which were specific to particular public right-of-way users. Any existing ordinance or new ordinance passed by a grandfathered political subdivision providing for payment of the greater of a linear foot fee or a gross receipts tax shall be enforceable only with respect to the linear foot fee.

2. **A grandfathered political subdivision shall not charge a linear foot fee for use of its right-of-way to a small local exchange telecommunications company that is qualified as of December 31, 2019, as a small local exchange telecommunications company, as defined in section 386.020, provided that the small local exchange telecommunications company is providing internet access to customers in a grandfathered political subdivision.**

3. Nothing in sections 67.1830 to 67.1846 shall prohibit a political subdivision from enacting, renewing or enforcing provisions of an ordinance to require a business license tax, sales tax, occupation tax, franchise tax or franchise fee, property tax or other similar tax, to the extent consistent with federal law. Nothing in sections 67.1830 to 67.1846 shall prohibit a political subdivision from enacting, enforcing or renewing provisions of an ordinance to require a gross receipts tax pursuant to chapter 66, chapter 92, or chapter 94. For purposes of this subsection, the term "franchise fee" shall mean "franchise tax."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

House Amendment No. 5

AMEND House Committee Substitute for Senate Substitute for Senate Bill No. 618, Page 12, Section 144.030, Line 402, by inserting after all of said section and line the following:

"393.135. **Except as provided in section 393.1250**, any charge made or demanded by an electrical corporation for service, or in connection therewith, which is based on the costs of construction **work** in progress, **as that term is defined in section 393.1250**, upon any existing or new ~~[facility of the]~~ electrical corporation **facility**, or any other cost associated with owning, operating, maintaining, or financing any **such** property before it is fully operational and used for service~~[-is unjust and unreasonable, and]~~ is prohibited."; and

Further amend said bill, Page 18, Section 393.1015, Line 107, by inserting after all of said section and line the following:

"393.1250. 1. This section shall be known and may be cited as the "Missouri Nuclear Clean Power Act", the purpose of which is to enable the construction of clean baseload electric generating plants within this state or facilities that utilize renewable sources to produce energy. This section shall not apply to clean baseload electric generating plants or renewable source generating facilities that are in commercial operation before August 28, 2020.

2. As used in this section, the following terms mean:

(1) "Clean baseload generating plant", a new nuclear-fueled electric generating facility located in this state that is designed to be operated at a capacity factor exceeding seventy percent annually and is intended in whole or in part to serve retail customers of an electrical corporation in Missouri;

(2) "Construction work in progress", the electrical corporation's share of all capital costs associated with a clean baseload generating plant or renewable source generating facility, which have been incurred but have not been included in the electrical corporation's plant in service, and are recorded in the Federal Energy Regulatory Commission's Uniform System of Accounts Prescribed for Public Utilities and Licensees Subject to the Provisions of the Federal Power Act, Balance Sheet Chart Accounts, as construction work in progress for electric plants in 18 CFR Part 101, or any other account established in the Uniform System of Accounts for the recording of construction work in progress;

(3) "Renewable source generating facility", any electric generating facility powered by wind, hydropower, solar power, landfill methane, biomass, or any other renewable source of power that does not produce significant carbon emissions.

3. The provisions of section 393.135 shall not apply to a clean baseload generating plant, or a renewable source generating facility if the plant or facility is rated at two hundred megawatts or more. Costs recovered by an electrical corporation under the provisions of this section are subject to inclusion or

exclusion from rates in a ratemaking proceeding pursuant to the commission's authority to determine just and reasonable rates. In addition, the commission may authorize an electrical corporation to make or demand charges for service based in whole or in part on additional amortizations to maintain the electrical corporation's financial ratios that will, in the commission's judgment, better enable the electrical corporation to cost-effectively construct a clean baseload generating plant or a renewable source generating facility.

4. The commission may promulgate rules to assist in the implementation of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2020, shall be invalid and void."; and

On motion of Representative Black (137), **House Amendment No. 5** was adopted.

Representative Andrews offered **House Amendment No. 6**.

House Amendment No. 6

AMEND House Committee Substitute for Senate Substitute for Senate Bill No. 618, Page 1, Section A, Line 5, by inserting after all of said section and line the following:

"137.123. Beginning January 1, 2021, for purposes of assessing all real property, excluding land, or tangible personal property associated with a project that uses wind energy directly to generate electricity, the following depreciation tables shall be used to determine the true value in money of such property. The first year shown in the table shall be the year immediately following the year of construction of the property. The original costs shall reflect either:

(1) The actual and documented original property cost to the taxpayer, as shall be provided by the taxpayer to the assessor; or

(2) In the absence of actual and documented original property cost to the taxpayer, the estimated cost of the property by the assessor, using an authoritative cost guide.

For purposes of this section, and to estimate the value of all real property, excluding land, or tangible personal property associated with a project that uses wind energy directly to generate electricity, each assessor shall apply the percentage shown to the original cost for the first year following the year of construction of the property, and the percentage shown for each succeeding year shall be the percentage of the original cost used for January first of the respective succeeding year as follows:

Year	Percentage
1	40%
2	40%
3	37%
4	37%
5	35%

Any real property, excluding land, or tangible personal property associated with a project that uses wind energy directly to generate electricity shall continue in subsequent years to have the depreciation percentage last listed in the appropriate column in the table."; and

Further amend said bill, Page 12, Section 144.030, Line 402, by inserting after all of said section and line the following:

"153.030. 1. All bridges over streams dividing this state from any other state owned, used, leased or otherwise controlled by any person, corporation, railroad company or joint stock company, and all bridges across or over navigable streams within this state, where the charge is made for crossing the same, which are now constructed,

which are in the course of construction, or which shall hereafter be constructed, and all property, real and tangible personal, owned, used, leased or otherwise controlled by telegraph, telephone, electric power and light companies, electric transmission lines, pipeline companies and express companies shall be subject to taxation for state, county, municipal and other local purposes to the same extent as the property of private persons.

2. And taxes levied thereon shall be levied and collected in the manner as is now or may hereafter be provided by law for the taxation of railroad property in this state, and county commissions, county boards of equalization and the state tax commission are hereby required to perform the same duties and are given the same powers, including punitive powers, in assessing, equalizing and adjusting the taxes on the property set forth in this section as the county commissions and boards of equalization and state tax commission have or may hereafter be empowered with, in assessing, equalizing, and adjusting the taxes on railroad property; and an authorized officer of any such bridge, telegraph, telephone, electric power and light companies, electric transmission lines, pipeline companies, or express company or the owner of any such toll bridge, is hereby required to render reports of the property of such bridge, telegraph, telephone, electric power and light companies, electric transmission lines, pipeline companies, or express companies in like manner as the authorized officer of the railroad company is now or may hereafter be required to render for the taxation of railroad property.

3. On or before the fifteenth day of April in the year 1946 and each year thereafter an authorized officer of each such company shall furnish the state tax commission and county clerks a report, duly subscribed and sworn to by such authorized officer, which is like in nature and purpose to the reports required of railroads under chapter 151 showing the full amount of all real and tangible personal property owned, used, leased or otherwise controlled by each such company on January first of the year in which the report is due.

4. If any telephone company assessed pursuant to chapter 153 has a microwave relay station or stations in a county in which it has no wire mileage but has wire mileage in another county, then, for purposes of apportioning the assessed value of the distributable property of such companies, the straight line distance between such microwave relay stations shall constitute miles of wire. In the event that any public utility company assessed pursuant to this chapter has no distributable property which physically traverses the counties in which it operates, then the assessed value of the distributable property of such company shall be apportioned to the physical location of the distributable property.

5. (1) Notwithstanding any provision of law to the contrary, beginning January 1, 2019, a telephone company shall make a one-time election within the tax year to be assessed:

- (a) Using the methodology for property tax purposes as provided under this section; or
- (b) Using the methodology for property tax purposes as provided under this section for property consisting of land and buildings and be assessed for all other property exclusively using the methodology utilized under section 137.122.

If a telephone company begins operations, including a merger of multiple telephone companies, after August 28, 2018, it shall make its one-time election to be assessed using the methodology for property tax purposes as described under paragraph (b) of subdivision (1) of this subsection within the year in which the telephone company begins its operations. A telephone company that fails to make a timely election shall be deemed to have elected to be assessed using the methodology for property tax purposes as provided under subsections 1 to 4 of this section.

(2) The provisions of this subsection shall not be construed to change the original assessment jurisdiction of the state tax commission.

(3) Nothing in subdivision (1) of this subsection shall be construed as applying to any other utility.

(4) (a) The provisions of this subdivision shall ensure that school districts may avoid any fiscal impact as a result of a telephone company being assessed under the provisions of paragraph (b) of subdivision (1) of this subsection. If a school district's current operating levy is below the greater of its most recent voter-approved tax rate or the most recent voter-approved tax rate as adjusted under subdivision (2) of subsection 5 of section 137.073, it shall comply with section 137.073.

(b) Beginning January 1, 2019, any school district currently operating at a tax rate equal to the greater of the most recent voter-approved tax rate or the most recent voter-approved tax rate as adjusted under subdivision (2) of subsection 5 of section 137.073 that receives less tax revenue from a specific telephone company under this subsection, on or before January thirty-first of the year following the tax year in which the school district received less revenue from a specific telephone company, may by resolution of the school board impose a fee, as determined under this subsection, in order to obtain such revenue. The resolution shall include all facts that support the imposition of the fee. If the school district receives voter approval to raise its tax rate, the district shall no longer impose the fee authorized in this paragraph.

(c) Any fee imposed under paragraph (b) of this subdivision shall be determined by taking the difference between the tax revenue the telephone company paid in the tax year in question and the tax revenue the telephone company would have paid in such year had it not made an election under subdivision (1) of this subsection, which shall be calculated by taking the telephone company valuations in the tax year in question, as determined by the state tax commission under paragraph (d) of this subdivision, and applying such valuations to the apportionment process in subsection 2 of section 151.150. The school district shall issue a billing, as provided in this subdivision, to any such telephone company. A telephone company shall have forty-five days after receipt of a billing to remit its payment of its portion of the fees to the school district. Notwithstanding any other provision of law, the issuance or receipt of such fee shall not be used:

- a. In determining the amount of state aid that a school district receives under section 163.031;
- b. In determining the amount that may be collected under a property tax levy by such district; or
- c. For any other purpose.

For the purposes of accounting, a telephone company that issues a payment to a school district under this subsection shall treat such payment as a tax.

(d) When establishing the valuation of a telephone company assessed under paragraph (b) of subdivision (1) of this subsection, the state tax commission shall also determine the difference between the assessed value of a telephone company if:

- a. Assessed under paragraph (b) of subdivision (1) of this subsection; and
- b. Assessed exclusively under subsections 1 to 4 of this section.

The state tax commission shall then apportion such amount to each county and provide such information to any school district making a request for such information.

(e) This subsection shall expire when no school district is eligible for a fee.

6. (1) If any public utility company assessed pursuant to this chapter has ownership of any real or personal property associated with a project which uses wind energy directly to generate electricity, such wind energy project property shall be valued and taxed by any local authorities having jurisdiction under the provisions of chapter 137 and other relevant provisions of the law.

(2) Notwithstanding any provision of law to the contrary, beginning January 1, 2020, for any public utility company assessed pursuant to this chapter which has a wind energy project, such wind energy project shall be assessed using the methodology for real and personal property as provided in this subsection:

(a) Any wind energy property of such company shall be assessed upon the county assessor's local tax rolls;

and

(b) ~~Any property consisting of land and buildings related to the wind energy project shall be assessed under chapter 137; and~~

~~—(e)] All other [business] real property, excluding land, or personal property related to the wind energy project shall be assessed using the methodology provided under section [137.122] 137.123.";~~ and

Further amend said bill, Page 26, Section 67.5122, Line 5, by inserting after all of said section and line the following:

~~"[— 393.1073. 1. There is hereby established the "Task Force on Wind Energy", which shall be composed of the following members:~~

~~— (1) Three members of the house of representatives, with two appointed by the speaker of the house of representatives and one appointed by the minority floor leader of the house of representatives;~~

~~— (2) Three members of the senate, with two appointed by the president pro tempore of the senate and one appointed by the minority floor leader of the senate; and~~

~~— (3) Two representatives from Missouri county governments with experience in wind energy valuations, with one being a currently elected county assessor to be appointed by the speaker of the house of representatives, and one being a currently elected county clerk to be appointed by the president pro tempore of the senate.~~

- ~~2. The task force shall conduct public hearings and research, and shall compile a report for delivery to the general assembly by no later than December 31, 2019. Such report shall include information on the following:~~
 - ~~(1) The economic benefits and drawbacks of wind turbines to local communities and the state;~~
 - ~~(2) The fair, uniform, and standardized assessment and taxation of wind turbines and their connected equipment owned by a public utility company at the county level in all counties;~~
 - ~~(3) Compliance with existing federal and state programs and regulations; and~~
 - ~~(4) Potential legislation that will provide a uniform assessment and taxation methodology for wind turbines and their connected equipment owned by a public utility company that will be used in every county of Missouri.~~
- ~~3. The task force shall meet within thirty days after its creation and shall organize by selecting a chairperson and vice chairperson, one of whom shall be a member of the senate and the other a member of the house of representatives. Thereafter, the task force may meet as often as necessary in order to accomplish the tasks assigned to it. A majority of the task force shall constitute a quorum, and a majority vote of such quorum shall be required for any action.~~
- ~~4. The staff of house research and senate research shall provide necessary clerical, research, fiscal, and legal services to the task force, as the task force may request.~~
- ~~5. The members of the task force shall serve without compensation, but any actual and necessary expenses incurred in the performance of the task force's official duties by the task force, its members, and any staff assigned to the task force shall be paid from the joint contingent fund.~~
- ~~6. This section shall expire on December 31, 2019.]; and~~

JOURNAL OF THE HOUSE

Second Regular Session, 100th GENERAL ASSEMBLY

FIFTY-EIGHTH DAY, THURSDAY, MAY 7, 2020

The House met pursuant to adjournment.

Speaker Haahr in the Chair.

Prayer by Representative Steve Lynch.

Good morning, Father.

It's going to be a great day because You are active in it and You are active in us. As demanding and stressful as these times are, let us be assured that each and every day has something good in it. Father, may we seek to recognize that good and allow it to motivate our work and our attitude. Let us not let the many negative and hurtful things, which are also in each and every day, take our focus from the fact that truth and righteousness will win in the end. That victory is all due You, Almighty God. So let us put all our work and our lives in Your faithful hands.

And the House said, "Amen."

The Pledge of Allegiance to the flag was recited.

The Journal of the fifty-seventh day was approved as printed by the following vote:

(6) "Federal adjustment", a change to an item or amount determined under the Internal Revenue Code that is used by a taxpayer to compute Missouri individual or corporate income tax owed, whether that change results from action by the IRS, including a partnership level audit, or the filing of an amended federal return, federal refund claim, or an administrative adjustment request by the taxpayer. A federal adjustment is positive to the extent that it increases Missouri taxable income as determined under section 143.431, or Missouri adjusted gross income under section 143.121 or 143.181, and is negative to the extent that it decreases such Missouri taxable income or Missouri adjusted gross income;

(7) "Federal adjustments report", methods or forms, which shall be prescribed by the department of revenue, for use by a taxpayer to report final federal adjustments, including an amended Missouri tax return, a uniform multistate report, or an information return, notwithstanding any provision of law restricting the form or applicability of information return filing;

For agreements required to be signed by the IRS and the taxpayer, the final determination date shall be the date on which the last party signed the agreement;

(b) For federal adjustments arising from an IRS audit or other action by the IRS, if the taxpayer filed as a member of a Missouri consolidated return, the final determination date shall be the first day on which no related federal adjustments arising from such audit remain to be finally determined, as described in paragraph (a) of this subdivision, for the entire group;

(18) "Publicly traded partnership", the same meaning as used in 26 U.S.C. Section 7704(b), and any amendments thereto;

(19) "Reallocation adjustment", a federal adjustment resulting from a partnership level audit or an administrative adjustment request that changes the shares of one or more items of partnership income, gain, loss, expense, or credit allocated to direct partners. A positive reallocation adjustment means the portion of a reallocation adjustment that would increase federal adjusted gross income or federal taxable income for one or more direct partners, and a negative reallocation adjustment means the portion of a reallocation adjustment that would decrease federal adjusted gross income or federal taxable income for one or more direct partners;

(20) "Resident partner", an individual, trust, or estate partner that is a resident of Missouri as defined under section 143.101 for individuals, or under section 143.331 for trusts or estates, for the relevant tax period;

(21) "Reviewed year", the taxable year of a partnership that is subject to a partnership level audit which results in a federal adjustment;

(22) "Taxpayer", any individual or entity subject to a tax in Missouri or a tax-related reporting requirement in Missouri and, unless the context clearly indicates otherwise, includes a partnership subject to a partnership level audit or a partnership that has made an administrative adjustment request, as well as a tiered partner of that partnership;

(23) "Tiered partner", any partner that is a partnership or pass-through entity;

(24) "Unrelated business taxable income", the same meaning as defined in 26 U.S.C. Section 512.

2. Except in the case of final federal adjustments that are reported and, if applicable, on the basis of which Missouri income tax is paid by a partnership and its partners using the procedures provided under subsections 3 to 9 of this section, final federal adjustments required to be reported for federal purposes under 26 U.S.C. Section 6225(a)(2), and changes required to be reported under section 143.601, a taxpayer shall report and pay any Missouri tax due with respect to final federal adjustments arising from an audit or other action by the IRS or reported by the taxpayer on a timely filed amended federal income tax return, including a return or other similar report filed under 26 U.S.C. Section 6225(c)(2), or federal claim for refund, by filing a federal adjustments report with the department of revenue for the reviewed year and, if applicable, paying the additional Missouri tax owed by the taxpayer no later than one hundred eighty days after the final determination date.

3. Except for adjustments required to be reported for federal purposes under 26 U.S.C. Section 6225(a)(2), partnerships and partners shall report final federal adjustments arising from a partnership level audit or an administrative adjustment request and make payments as required under subsections 3 to 9 of this section.

4. (1) With respect to an action required or permitted to be taken by a partnership under subsections 3 to 9 of this section, a proceeding under section 143.631 for reconsideration by the director of revenue, appeal to the administrative hearing commission, or review by the judiciary with respect to such action, the state partnership representative for the reviewed year shall have the sole authority to act on behalf of the partnership, and the partnership's direct partners and indirect partners shall be bound by those actions.

(2) The state partnership representative for the reviewed year is the partnership's federal partnership representative unless the partnership designates in writing another person as its state partnership representative.

(3) The department of revenue may establish reasonable qualifications and procedures for designating a person, other than the federal partnership representative, to be the state partnership representative.

(4) The state partnership representative shall be considered an authorized representative of the partnership and its partners under section 32.057 for the purposes of compliance with this section, or participating in a proceeding described in subdivision (1) of this section.

5. Final federal adjustments subject to the requirements of subsections 3 to 9 of this section, except for those subject to a properly made election under subsection 6 of this section, shall be reported as follows:

(1) No later than ninety days after the final determination date, the partnership shall:

(a) File a completed federal adjustments report with the department of revenue, including information as required by the department of revenue;

(b) Notify each of its direct partners of their distributive share of the final federal adjustments including information as required by the department of revenue;

(c) Pay any additional amount under section 143.411 that would have been due had the final federal adjustments originally been reported properly, unless the partnership is a publicly traded partnership; and

(d) If the partnership is a publicly traded partnership, report such information as is required by the department of revenue and in the manner and format as required by department of revenue instruction, including the name, address, and taxpayer identification number of each direct partner with income in Missouri which the publicly traded partnership can reasonably determine to be:

a. Six hundred dollars or more if the partner is an individual; or

b. One hundred dollars or more if the partner is a corporation or entity other than an individual;

(2) No later than one hundred eighty days after the final determination date, each direct partner that is subject to tax under sections 143.011 to 143.996, section 153.020, chapter 148, or a Missouri tax on insurance companies or insurance providers, shall:

(a) File a federal adjustments report reporting the distributive share of the adjustments reported to them under paragraph (b) of subdivision (1) of this subsection; and

(b) Pay any additional amount of tax due as if final federal adjustments had been properly reported, plus any penalty and interest due under sections 143.011 to 143.996 or any other provision of law, and less any credit for related amounts paid or withheld and remitted on behalf of the direct partner. The rate of interest on any amount due shall be determined by section 32.068.

6. (1) Subject to the limitations provided under subdivision (2) of this subsection, an audited partnership making an election under this subsection shall:

(a) No later than ninety days after the final determination date, file a completed federal adjustments report, including information as required by department of revenue, and notify the department of revenue that it is making the election under this subsection;

(b) No later than ninety days after the final determination date, pay an amount, determined as follows, in lieu of taxes owed by its direct and indirect partners:

a. Exclude from final federal adjustments the distributive share of such adjustments reported to a direct exempt partner not subject to tax under sections 143.011 to 143.996;

b. For the total distributive shares of the remaining final federal adjustments reported to direct corporate partners subject to tax under section 143.071, and to direct exempt partners subject to tax under sections 143.011 to 143.996, apportion and allocate such adjustments as provided under section 143.455 if applicable, and multiply the resulting amount by the tax rate provided under section 143.071 for direct corporate partners and direct exempt partners that are corporations, or the top rate of tax under section 143.011 for direct exempt partners that are not corporations;

c. For the total distributive shares of the remaining final federal adjustments reported to non-resident direct partners subject to tax under sections 143.011 to 143.996, determine the amount of such adjustments which is derived from or connected with sources in Missouri as described in section 143.421, and multiply the resulting amount by the highest rate of tax under section 143.011;

d. For the total distributive shares of the remaining final federal adjustments reported to tiered partners:

(i) Determine the amount of such adjustments which is of a type such that it would be subject to sourcing to this state under section 143.421; and then determine the portion of such amount that would be sourced to the state under section 143.421;

(ii) Determine the amount of such adjustments which is of a type such that it would not be subject to sourcing to Missouri by a nonresident partner under section 143.421;

(iii) Determine the portion of the amount determined in item (ii) of this subparagraph that can be established, under regulation issued by the department of revenue, to be properly allocable to nonresident indirect partners or other partners not subject to tax on the adjustments;

(iv) Multiply the sum of the amounts determined in items (i) and (ii) of this subparagraph, reduced by the amount determined in item (iii) of this subparagraph, by the highest rate of tax under section 143.011;

e. For the total distributive shares of the remaining final federal adjustments reported to resident direct partners subject to tax under section 143.011 or 143.061, multiply such amount by the highest rate of tax under section 143.011;

f. For the total distributive shares of the remaining final federal adjustments reported to direct partners subject to tax under chapter 148, section 153.020, or a Missouri tax on insurance companies or insurance providers, apportion and allocate such adjustments in the manner provided by law for such tax, if applicable, and multiply the resulting amount by the tax rate applicable to such direct partner;

g. Add the amounts determined under subparagraphs b to f of this paragraph, in addition to any penalty and interest as provided under sections 143.011 to 143.961 or any other provision of law. The rate of interest on any amount due shall be determined by section 32.068.

(2) Final federal adjustments subject to the election provided for under this subsection shall not include:

(a) The distributive share of final audit adjustments that would, under section 143.455, be included in the apportionable income of any direct or indirect corporate partner, provided that the audited partnership can reasonably determine such amount; and

(b) Any final federal adjustments resulting from an administrative adjustment request.

(3) An audited partnership not otherwise subject to any reporting or payment obligation to Missouri that makes an election under this subsection consents to be subject to Missouri law related to reporting, assessment, payment, and collection of Missouri tax calculated under this subsection.

7. The direct and indirect partners of an audited partnership that are tiered partners, and all of the partners of such tiered partners that are subject to tax under sections 143.011 to 143.961, shall be subject to the reporting and payment requirements of subsection 5 of this section, and such tiered partners shall be entitled to make the election provided under subsection 6 of this section. The tiered partners or their partners shall make required reports and payments no later than ninety days after the time for filing and furnishing statements to tiered partners and their partners as established under 26 U.S.C. Section 6226. The department of revenue may promulgate rules to establish procedures and interim time periods for the reports and payments required by tiered partners and their partners, and for making the elections under subsection 6 of this section.

8. (1) The election made under subsection 6 of this section shall be irrevocable, unless the director of revenue, in his or her discretion or that of the directors' designee, determines otherwise.

(2) If properly reported and paid by the audited partnership or tiered partner, the amount determined under subdivision (2) of subsection 6 of this section shall be treated as paid in lieu of taxes owed by its direct and indirect partners, to the extent applicable, on the same final federal adjustments. The direct partners or indirect partners shall not take any deduction or credit on the determined amount, or claim a refund of such amount in this state. Nothing in this subsection shall preclude a direct resident partner from claiming a credit against the tax otherwise due to this state under section 143.081, or any amounts paid by the audited partnership or tiered partner on the resident partner's behalf to another state or local tax jurisdiction in accordance with the provisions of section 143.081.

9. Nothing in subsections 3 to 9 of this section shall be construed to prevent the department of revenue from assessing direct partners or indirect partners for taxes owed by such partners, using the best information available, in the event that a partnership or tiered partner fails to timely make any report or payment required under subsections 3 to 9 of this section for any reason.

10. The department of revenue shall assess additional tax, interest, additions to tax, and penalties arising from final federal adjustments arising from an audit by the IRS, including a partnership level audit, or reported by the taxpayer on an amended federal income tax return, or as part of an administrative adjustment request by no later than the latest of the following dates:

(1) If a taxpayer files with the department of revenue a federal adjustments report or an amended Missouri tax return as required within the period provided under subsections 2 to 9 of this section, the department of revenue shall assess any amounts, including taxes, interest, additions to tax, and penalties arising from such federal adjustments if the department of revenue issues a notice of the assessment to the taxpayer no later than:

(a) The expiration of the limitations period provided under section 143.711; or

(b) The expiration of the one year period following the date of filing with the department of revenue of the federal adjustments report;

(2) If the taxpayer fails to file the federal adjustments report within the period provided under subsections 2 to 9 of this section, as appropriate, or the federal adjustments report filed by the taxpayer omits final federal adjustments or understates the correct amount of tax owed, the department of revenue shall assess amounts or additional amounts including taxes, interest, additions to tax, and penalties arising from the final federal adjustments, if it mails a notice of the assessment to the taxpayer by a date which is the latest of the following:

(a) The expiration of the limitations period provided under section 143.711;

(b) The expiration of the one year period following the date the federal adjustments report was filed with the department of revenue; or

(c) Absent fraud, the expiration of the six-year period following the final determination date.

11. A taxpayer may make estimated payments to the department of revenue of the Missouri tax expected to result from a pending IRS audit, prior to the due date of the federal adjustments report, without having to file such report with the department of revenue. The estimated tax payments shall be credited against any tax liability ultimately found to be due to Missouri and shall limit the accrual of further interest on such amount. If the estimated tax payments exceed the final tax liability and interest ultimately determined to be due, the taxpayer shall be entitled to a refund or credit for the excess, provided the taxpayer files a federal adjustments report or claim for refund or credit of tax under section 143.781 or 143.821 no later than one year following the final determination date.

12. Except for final federal adjustments required to be reported for federal purposes under 26 U.S.C. Section 6225(a)(2), a taxpayer may file a claim for refund or credit of tax arising from federal adjustments made by the IRS on or before the later of:

(1) The expiration of the last day for filing a claim for refund or credit of Missouri tax under section 143.801, including any extensions; or

(2) One year from the date a federal adjustments report required under subsections 2 to 9 of this section, as applicable, was due to the department of revenue, including any extensions provided under subsection 13 of this section.

The federal adjustments report shall serve as the means for the taxpayer to report additional tax due, report a claim for refund or credit of tax, and make other adjustments resulting from adjustments to the taxpayer's federal taxable income.

13. (1) Unless otherwise agreed in writing by the taxpayer and the department of revenue, any adjustments by the department or by the taxpayer made after the expiration of the appropriate limitations period provided under section 143.711 or 143.801 shall be limited to changes to the taxpayer's tax liability arising from federal adjustments.

(2) For purposes of compliance with this section, the time periods provided for in chapter 143 may be extended:

(a) Automatically, upon written notice to the department of revenue, by ninety days for an audited partnership or tiered partner which has one hundred or more direct partners; or

(b) By written agreement between the taxpayer and the department of revenue.

(3) Any extension granted under this subsection for filing the federal adjustments report extends the last day prescribed by law for assessing any additional tax arising from the adjustments to federal taxable income and the period for filing a claim for refund or credit of taxes under section 143.781 or 143.821.

14. The department of revenue shall promulgate rules to implement the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2020, shall be invalid and void.

15. The provisions of this section shall apply to any adjustments to a taxpayer's federal taxable income or federal adjusted gross income with a final determination date occurring on or after January 1, 2021."; and

Further amend said bill, Pages 26-27, Section 144.805, Lines 1-34, by deleting all of said section and lines from the bill; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

Further amend Page 77, Section 115.646, Lines 1-27, by striking said lines.

Senate Amendment No. 3

AMEND Senate Substitute No. 2 for Senate Committee Substitute for House Committee Substitute for House Bill No. 1854, Page 160, Section 620.2010, Line 8 of said page, by inserting immediately after said line the following:

“620.2250. 1. This section shall be known and may be cited as the “Targeted Industrial Manufacturing Enhancement Zones Act”.

2. As used in this section, the following terms shall mean:

(1) “County average wage”, the average wage in each county as determined by the department for the most recently completed full calendar year. However, if the computed county average wage is above the statewide average wage, the statewide average wage shall be deemed the county average wage for such county for the purpose of determining eligibility;

(2) “Department”, the Missouri department of economic development;

(3) “New job”, the number of full-time employees located at the project facility that exceeds the project facility base employment less any decrease in the number of full-time employees at related facilities below the related facility base employment. No job that was created prior to the date of the completion of an agreement pursuant to subsection 6 of this section and no job that is relocated from another location within this state shall be deemed a new job. An employee that spends less than fifty percent of the employee's work time at the facility is still considered to be located at a facility if the employee receives his or her directions and control from that facility, is on the facility's payroll, one hundred percent of the employee's income from such employment is Missouri income, and the employee is paid at or above the county average wage;

(4) “Political subdivision”, a town, village, city, or county located in this state;
(5) “Related facility”, a facility operated by a company or a related company prior to the establishment of the TIME zone in question, and which is directly related to the operations of the facility within the new TIME zone;

(6) “TIME zone”, an area identified through an ordinance or resolution passed pursuant to subsection 4 of this section that is being developed or redeveloped for any purpose so long as any infrastructure or building built or improved is in the development area;

(7) “Zone board”, the governing body of a TIME zone.

3. The governing bodies of at least two contiguous or overlapping political subdivisions in this state may establish one or more TIME zones, which shall be political subdivisions of the state, for the purposes of completing infrastructure projects to promote the economic development of the region. Such zones may only include the area within the governing bodies' jurisdiction, ownership, or control, and may include any such area. The governing bodies shall determine the boundaries for each TIME zone, and more than one TIME zone may exist within the governing bodies' jurisdiction or under the governing bodies' ownership or control, and may be expanded or contracted by resolution of the zone board.

4. (1) To establish a TIME zone, the governing bodies of at least two political subdivisions shall each propose an ordinance or resolution creating such zone. Such ordinance or resolution shall set forth the names of the political subdivisions which will form the TIME zone, the general nature of the proposed improvements, the estimated cost of such improvements, the boundaries of the proposed TIME zone, and the estimated number of new jobs to be created in the TIME zone. Prior to approving such ordinance or resolution, each governing body shall hold a public hearing to consider the creation of the TIME zone and the proposed improvements therein. The governing bodies shall hear and pass upon all objections to the TIME zone and the proposed improvements, if any, and may amend the proposed improvements, and the plans and specifications therefor.

(2) After the passage or adoption of the ordinance or resolution creating the TIME Zone, governance of the TIME zone shall be by the zone board, which shall consist of seven members selected from the political subdivisions creating the TIME zone. Members of a zone board shall receive no salary or other compensation for their services as members, but shall receive their necessary traveling and other expenses incurred while actually engaged in the discharge of their official duties. The zone board may expand or contract such TIME zone through an ordinance or resolution following a public hearing conducted to consider such expansion or contraction.

5. The boundaries of the proposed TIME zone shall be described by metes and bounds, streets, or other sufficiently specific description.

6. (1) Prior to retaining any state withholding tax pursuant to subsection 9 of this section, a zone board shall enter into an agreement with the department. Such agreement shall include, but shall not be limited to:

(a) The estimated number of new jobs to be created;
(b) The estimated average wage of new jobs to be created;
(c) The estimated net fiscal impact of the new jobs;
(d) The estimated costs of the proposed improvements;
(e) The estimated amount of withholding tax to be retained pursuant to subsection 9 of this section over the period of the agreement; and

(f) A copy of the ordinance establishing the board and a list of its members.

(2) The department shall not approve an agreement with a zone board unless the zone board commits to creating the following number of new jobs:

(a) For a TIME zone with a total population of less than five thousand inhabitants as determined by the most recent decennial census, a minimum of five new jobs with an average wage that equals or exceeds ninety percent of the county average wage;

(b) For a TIME zone with a total population of at least five thousand inhabitants but less than fifty thousand inhabitants as determined by the most recent decennial census, a minimum of ten new jobs with an average wage that equals or exceeds ninety percent of the county average wage;

(c) For a TIME zone with a total population of at least fifty thousand inhabitants but less than one hundred fifty thousand inhabitants as determined by the most recent decennial census, a minimum of fifteen new jobs with an average wage that equals or exceeds ninety percent of the county average wage; and

(d) For a TIME zone with a total population of at least one hundred fifty thousand inhabitants as determined by the most recent decennial census, a minimum of twenty-five new jobs with an average wage that equals or exceeds ninety percent of the county average wage.

7. (1) The term of the agreement entered into pursuant to subsection 6 of this section shall not exceed ten years. A zone board may apply to the department for approval to renew any agreement. Such application shall be made on forms provided by the department. In determining whether to approve the renewal of an agreement, the department shall consider:

- (a) The number of new jobs created and the average wage and net fiscal impact of such jobs;
- (b) The outstanding improvements to be made within the TIME zone and the funding necessary to complete such improvements; and
- (c) Any other factor the department requires.

(2) The department may approve the renewal of an agreement for a period not to exceed ten years. If a zone board has not met the new job requirements pursuant to subdivision (2) of subsection 6 of this section by the end of the agreement, the department shall recapture from such zone board the amount of withholding tax retained by the zone board pursuant to this section and the department shall not approve the renewal of an agreement with such zone board.

(3) A zone board shall not retain any withholding tax pursuant to this section in excess of the costs of improvements completed by the zone board.

8. If a qualified company is retaining withholding tax pursuant to sections 620.2000 to 620.2020 for new jobs, as such terms are defined in section 620.2005, that also qualify for the retention of withholding tax pursuant to this section, the department shall not authorize an agreement pursuant to this section that results in more than fifty percent of the withholding tax for such new jobs being retained pursuant to this section and sections 620.2000 to 620.2020.

9. Upon the completion of an agreement pursuant to subsection 6 of this section, twenty-five percent of the state tax withholdings imposed by sections 143.191 to 143.265 on new jobs within a TIME zone after development or redevelopment has commenced shall not be remitted to the general revenue fund of the state of Missouri. Such moneys shall be deposited into the TIME zone fund established pursuant to subsection 10 of this section for the purpose of continuing to expand, develop, and redevelop TIME zones identified by the zone board, and may be used for managerial, engineering, legal, research, promotion, planning, and any other expenses.

10. There is hereby created in the state treasury the "TIME Zone Fund", which shall consist of money collected under this section. The state treasurer shall be custodian of the fund and may approve disbursements from the fund in accordance with sections 30.170 and 30.180 to the zone boards of the TIME zones from which the funds were collected, less the pro-rata portion appropriated by the general assembly to be used solely for the administration of this section, which shall not exceed ten percent of the total amount collected within the TIME zones of a zone board. Notwithstanding the provisions of section 33.080 to the contrary, any moneys remaining in the fund at the end of the biennium shall not revert to the credit of the general revenue fund. The state treasurer shall invest moneys in the fund in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund.

11. The zone board shall approve projects consistent with the provisions of this section that begin construction and disburse any money collected under this section. The zone board shall submit an annual budget for the funds to the department explaining how and when such money will be spent.

12. A zone board shall submit an annual report by December thirty-first of each year to the department and the general assembly. Such report shall include, but shall not be limited to:

- (1) The locations of the established TIME zones governed by the zone board;
- (2) The number of new jobs created within the TIME zones governed by the zone board;
- (3) The average wage of the new jobs created within the TIME zones governed by the zone board; and
- (4) The amount of withholding tax retained pursuant to subsection 9 of this section from new jobs created within the TIME zones governed by the zone board.

13. No political subdivision shall establish a TIME zone with boundaries that overlap the boundaries of an advanced industrial manufacturing zone established pursuant to section 68.075.

14. The total amount of withholding taxes retained by all TIME zones pursuant to the provisions of this section shall not exceed five million dollars per fiscal year.

15. The department may promulgate rules to implement the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536

and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2020, shall be invalid and void.

16. Pursuant to section 23.253 of the Missouri sunset act:

(1) The provisions of the new program authorized pursuant to this section shall sunset automatically on August 28, 2024, unless reauthorized by an act of the general assembly;

(2) If such program is reauthorized, the program authorized pursuant to this section shall sunset automatically twelve years after the effective date of the reauthorization; and

(3) This section shall terminate on September first of the calendar year immediately following the calendar year in which the program authorized pursuant to this section is sunset.”; and

Further amend the title and enacting clause accordingly.

Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. (3) Nothing in this chapter shall be construed to require the commission to review or approve the plans, designs or construction of all covered dwellings, to determine whether the design and construction of such dwellings are consistent with the requirements of subdivision (3) of subsection 2 of this section.

6. Nothing in this chapter shall be construed to invalidate or limit any law of the state or political subdivision of the state, or other jurisdiction in which this chapter shall be effective, that requires dwellings to be designed and constructed in a manner that affords persons with disabilities greater access than is required by this chapter.

7. Nothing in this section and sections 213.045 and 213.050 requires that a dwelling be made available to an individual whose tenancy would constitute a direct threat to the health or safety of other individuals or whose tenancy would result in substantial physical damage to the property of others.

8. Nothing in this section and sections 213.045 and 213.050 limits the applicability of any reasonable local or state restriction regarding the maximum number of occupants permitted to occupy a dwelling, nor does any provision in this section and sections 213.045 and 213.050 regarding familial status apply with respect to housing for older persons.

(2) Unoccupied units, provided that such units are reserved for occupancy by persons who meet the age requirements of subdivision (2) or (3) of subsection 9 of this section.

11. Nothing in this section or section 213.045 or 213.050 shall prohibit conduct against a person because such person has been convicted by any court of competent jurisdiction of the illegal manufacture or distribution of a controlled substance, as defined by section 195.010.

12. Nothing in this chapter shall prohibit a religious organization, association, or society, or any nonprofit institution or organization operated, supervised or controlled by or in conjunction with a religious organization, association, or society, from limiting the sale, rental or occupancy of dwellings which it owns or operates for other than a commercial purpose to persons of the same religion, or from giving preference to such persons, unless membership in such religion is restricted on account of race, color, or national origin. Nor shall anything in this chapter prohibit a private club not in fact open to the public, which as an incident to its primary purpose or purposes provides lodging which it owns or operates for other than a commercial purpose, from limiting the rental or occupancy of such lodging to its members or from giving preference to its members.

13. Nothing in this chapter, other than the prohibitions against discriminatory advertising in subdivision (3) of subsection 1 of this section, shall apply to:

(2) Rooms or units in dwellings containing living quarters occupied or intended to be occupied by no more than four families living independently of each other, if the owner actually maintains and occupies one of such living quarters as his or her residence.

213.045. It shall be unlawful for any bank, building and loan association, insurance company or other corporation, association, firm or enterprise whose business consists in whole or in part in the making of commercial real estate loans, to deny a loan or other financial assistance because of race, color, religion, national origin, ancestry, sex, **sexual orientation, gender identity**, disability or familial status to a person applying therefor for the purpose of purchasing, construction, improving, repairing, or maintaining a dwelling, or to discriminate against ~~him~~ **such person** in fixing of the amount, interest rate, duration or other terms or conditions of such loan or other financial assistance, because of the race, color, religion, national origin, ancestry, sex, **sexual orientation, gender identity**, disability, or familial status of such person or of any person associated with ~~him~~ **such person** in connection with such loan or other financial assistance, or of the present or prospective owners, lessees, tenants, or occupants, of the dwellings in relation to which such loan or other financial assistance is to be made or given.

213.050. It shall be unlawful to deny any person access to or membership or participation in any multiple listing service, real estate brokers' organization or other service organization, or facility relating to the business of selling or renting dwellings, because of race, color, religion, national origin, ancestry, sex, **sexual orientation, gender identity**, disability, or familial status.

(b) To limit, segregate, or classify ~~his~~ employees or ~~his~~ employment applicants in any way which would deprive or tend to deprive any individual of employment opportunities or otherwise adversely affect ~~his~~ **such individual's** status as an employee, because of such individual's race, color, religion, national origin, sex, **sexual orientation, gender identity**, ancestry, age or disability;

(2) For a labor organization to exclude or to expel from its membership any individual or to discriminate in any way against any of its members or against any employer or any individual employed by an employer because of race, color, religion, national origin, sex, **sexual orientation, gender identity**, ancestry, age or disability of any individual; or to limit, segregate, or classify its membership, or to classify or fail or refuse to refer for employment any individual, in any way which would deprive or tend to deprive any individual of employment opportunities, or would limit such employment opportunities or otherwise adversely affect ~~his~~ **such individual's** status as an employee or as an applicant for employment, because of such individual's race, color, religion, national origin, sex, **sexual orientation, gender identity**, ancestry, age or disability; or for any employer, labor organization, or joint labor-management committee controlling apprenticeship or other training or retraining, including on-the-job training programs to discriminate against any individual because of ~~his~~ **such individual's** race, color, religion, national origin, sex, **sexual orientation, gender identity**, ancestry, age or disability in admission to, or employment in, any program established to provide apprenticeship or other training;

(3) For any employer or employment agency to print or circulate or cause to be printed or circulated any statement, advertisement or publication, or to use any form of application for employment or to make any inquiry in connection with prospective employment, which expresses, directly or indirectly, any limitation, specification, or discrimination, because of race, color, religion, national origin, sex, **sexual orientation, gender identity**, ancestry, age or disability unless based upon a bona fide occupational qualification or for an employment agency to fail or refuse to refer for employment, or otherwise to discriminate against, any individual because of his or her race, color, religion, national origin, sex, **sexual orientation, gender identity**, ancestry, age as it relates to employment, or disability, or to classify or refer for employment any individual because of his or her race, color, religion, national origin, sex, **sexual orientation, gender identity**, ancestry, age or disability.

2. Notwithstanding any other provision of this chapter, it shall not be an unlawful employment practice for an employer to apply different standards of compensation, or different terms, conditions or privileges of employment pursuant to a bona fide seniority or merit system, or a system which measures earnings by quantity or quality of production or to employees who work in different locations, provided that such differences or such systems are not the result of an intention or a design to discriminate, and are not used to discriminate, because of race, color, religion, sex, **sexual orientation, gender identity**, national origin, ancestry, age or disability, nor shall it be an unlawful employment practice for an employer to give and to act upon the results of any professionally developed ability test, provided that such test, its administration, or action upon the results thereof, is not designed,

intended or used to discriminate because of race, color, religion, national origin, sex, **sexual orientation, gender identity**, ancestry, age or disability.

3. REPORT OF THE JOINT TASK FORCE ON RADIOLOGIC TECHNOLOGIST LICENSURE

May 7, 2020

Speaker Elijah Haahr
Speaker of the Missouri House of Representatives
Missouri State Capitol
201 East Capitol Avenue
Jefferson City, Missouri 65102

The Joint Task Force on Radiologic Technologist Licensure has completed its work. The enclosure includes recommendations for statewide licensure of radiologic imaging and therapy. It is the committee's expectation that such recommendations would become a legislative proposal to be considered by the General Assembly.

The committee has proposed the following recommendations:

- * Licensure of individuals to perform radiation therapy
- * Licensure of individuals to perform radiologic imaging
- * Creation of an Advisory Committee
- * Duties of the Department of Health and Senior Services

The members of the task force were honored to serve in this important role and appreciate the opportunity to explore the most effective ways to address the issue of radiologic imaging and therapy in our health system.

Yours truly,

/s/ Kathryn Swan
State Representative, 147th District

May 7, 2020

Speaker Elijah Haahr
Speaker of the Missouri House of Representatives
Missouri State Capitol
201 East Capitol Avenue
Jefferson City, Missouri 65102

Dear Speaker Haahr,

The Joint Task Force on Radiologic Technologist Licensure was created in 2019 to study and make recommendations regarding statewide licensure of individuals that are performing radiologic services in Missouri.

It was the intent of the committee to establish practices that ensured the safety of Missourians receiving radiologic procedures and treatments. The recommendations of the committee reflect what is believed to be the appropriate standard to ensure each practitioner has the basic training and skills to properly and safely perform their duties.

As a result of public hearings, testimony and deliberations by members of the committee we submit the following report to address issues related to radiologic licensure in Missouri. The task force, by statute, was charged with analyzing a number of items concerning licensure, necessary exemptions, training and regulatory framework. The recommendations of the committee are as follows:

1. Licensure of individuals to perform radiation therapy:

The Committee determined that individuals that are performing radiation therapy services should be licensed. The committee has determined that the most appropriate entity to regulate licensure is the Department of Health and Senior Services.

2. Licensure of individuals to perform radiologic imaging:

The Committee has determined that the Department of Health and Senior Services shall issue licenses to perform nuclear medicine technology, radiography, radiologist assistant procedures and limited x-ray machine operators as established by the Department.

The committee also determined that a number of entities had experience and training necessary to be exempted from the requirement of licensure. Those professions are as follows: A Missouri licensed - physician, chiropractor, podiatrist, dentist, dental hygienist or dental assistant; a student enrolled and attending a school or college of medicine, chiropractic, podiatry, dentistry under the supervision of a licensed practitioner; a person employed by the United States Government and the use of such therapy is related to their work; performing radiologic imaging on nonhuman subjects or cadavers; and a nurse licensed under chapter 335 practicing under the scope of practice of said chapter who has completed a training program that has properly prepared the nurse to provide safe and effective care outside the hospital setting.

Additionally, the Committee determined that the use of fluoroscopy in an ambulatory surgery center, pain clinic, and any other non-hospital site would not require radiologic technologist licensure provided that the person performing the services is a licensed nurse under chapter 335, but a department approved online fluoroscopy training course is required annually for any exempt or limited licensure individual performing fluoroscopy. This exemption provision would not apply to individuals performing fluoroscopy in interventional radiology and cardiology.

3. Creation of an Advisory Committee

The Committee also determined it would be appropriate to have a committee that could advise and make recommendations to the Department of Health and Senior Services on issues that impact radiologic licensure. It was determined by the Committee that for the purposes of constancy that the advisory committee membership should mirror the task force. A member of the Department of Health and Senior Services was also added as they would be the regulatory authority.

4. Duties of the Department of Health and Senior Services

The Committee determined that it would be appropriate for the Department of Health and Senior Services to create a regulatory structure under guidance from the advisory committee. It was determined that the Department shall establish scopes of practice for limited x-ray machine operators, nuclear medicine technologists, nuclear medicine advanced associates, radiation therapists, radiographers and radiologist assistants. Additionally, it was determined that the Department shall develop and promulgate rules regarding: the issuance of licenses, continuing education requirements, interstate license reciprocity, development of a competency based examination for limited x-ray machine operators, establish standards of practice, reasonable licensure fees, alternative licensure requirements, penalty provisions and license discipline.

Following the public meetings of the committee we are submitting the above findings as recommendations to the Missouri General Assembly to enact through legislation.

Sincerely,

Committee Members

JOURNAL OF THE HOUSE

Second Regular Session, 100th GENERAL ASSEMBLY

FIFTY-NINTH DAY, FRIDAY, MAY 8, 2020

The House met pursuant to adjournment.

Speaker Haahr in the Chair.

Prayer by Representative Danny Busick.

Dear Heavenly Father, Creator of All:

We come before You today, imperfect creations that only You can make perfect. Lord, I ask You today to heal our land. Heal our land from our spiritual sickness, our lack of faith, and our sins that plague our lives. But also, Lord, I ask that You heal our land from this virus. Give our medical minds the knowledge to combat this illness, as well as the many other illnesses that kill our citizens.

Lord, I ask You today for a special request. Please put Your hand on members of this chamber who have lost close loved ones these past few months. Only You know how real the pain is in their hearts. Please heal their hearts. Help them to find the peace that only You can give them. Comfort them and their families.

Lord, we have only a few days left of this General Assembly's 100th Regular Session. This unique session has presented challenges like no other this state has ever faced. We have many decisions left to make in these few days. Help us to choose what is best for the citizens we represent and the state of Missouri. As we make these choices, please give us patience, guidance, and wisdom.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the fifty-eighth day was approved as printed by the following vote:

JOURNAL OF THE HOUSE

Second Regular Session, 100th GENERAL ASSEMBLY

FIFTIETH DAY, Monday, April 27, 2020

The House met pursuant to adjournment.

Speaker Haahr in the Chair.

Prayer by Representative Ben Baker.

Father, we thank You for another day to live and to serve You. We have gathered once again to carry out the business of the state and to represent the people we serve. These are trying times and we ask for wisdom to navigate the rough waters we are sailing in right now. Lord, You promised in Your word there would be nothing we could not make it through, but this unprecedented era has sure tried our faith. Strengthen our faith today; give us grace to lead in a time of crisis.

Lord, there are many who are hurting across our great state today. Families who have lost loved ones are grieving, some are concerned about their family members who are sick and hoping they will recover, and even more are faced with loss of livelihood and financial ruin. It is far beyond our ability to truly comfort and strengthen those who are faced with these difficulties, but we know that You can.

You said in Psalm 46:1, "God is our refuge and strength, a very present help in trouble." Today perhaps more than ever we desperately need You, and we are depending upon Your promise to help us in a time of trouble.

I ask that You would give wisdom and strength to our leaders. I pray for Governor Mike Parson and his wife Theresa that You would guide them through every decision to be made for our state. I pray for the leadership in both chambers, for special discernment and insight. I pray that You would encourage every member and give direction for conducting the people's business. Now more than ever help us to put aside our differences and work together in unity for the people.

Lord, please continue to keep Your hand of protection upon us and keep us safe from harm. I pray that the virus would subside and we can get back to our lives as quickly and safely as possible but with a renewed desire and commitment to serve You better than before.

In Jesus' name, amen.

The Pledge of Allegiance to the flag was recited.

JOURNAL OF THE HOUSE

Second Regular Session, 100th GENERAL ASSEMBLY

FIFTY-SECOND DAY, WEDNESDAY, APRIL 29, 2020

The House met pursuant to adjournment.

Speaker Haahr in the Chair.

Prayer by Representative Adam Schnelting.

Heavenly Father,

As we enter this chamber, we call upon Your divine wisdom and understanding, Your prudence and insight. Help us to steer this great ship of state with care and forethought. Your word says in Psalm 46, "God is our refuge and strength, a very present help in trouble."

As we continue our service in this body today, may we look to the cross and draw upon Your strength in these troubling times. I pray for each one of these House members before me. Each one of them has their own life circumstances that may merit Your guidance and help. I pray that You would strengthen them, encourage them, and draw them unto Yourself.

We pray these things in Jesus' name, amen.

The Pledge of Allegiance to the flag was recited.

The Journal of the fiftieth day was approved as printed.

The Journal of the fifty-first day was approved as corrected.

JOURNAL OF THE HOUSE

Second Regular Session, 100th GENERAL ASSEMBLY

FIFTY-THIRD DAY, THURSDAY, APRIL 30, 2020

The House met pursuant to adjournment.

Representative Dohrman in the Chair.

Prayer by Representative Doug Richey

Heavenly Father, we come before You mindful of the promise of Psalm 91, where we are called to place our confidence in You. Your Word states,

"He who dwells in the shelter of the Most High
will abide in the shadow of the Almighty.

I will say to the Lord, 'My refuge and my fortress,
my God, in whom I trust.'

For he will deliver you from the snare of the fowler
and from the deadly pestilence.

He will cover you with his pinions,
and under his wings you will find refuge;
his faithfulness is a shield and buckler.

You will not fear the terror of the night,
nor the arrow that flies by day,
nor the pestilence that stalks in darkness,
nor the destruction that wastes at noonday."

For this we are grateful. We are grateful that no matter the day's struggle, You are faithful and good. May we continually look to You for provision and protection. As we serve the people of Missouri, may they see in us an example of what it means to hope in You, while we walk confidently in Your providential care.

In Jesus' name, I pray. "Amen".

The Pledge of Allegiance to the flag was recited.

2. When transporting a patient, at least one licensed emergency medical technician, registered nurse, **physician assistant**, or physician shall be in attendance with the patient in the patient compartment at all times.

3. For purposes of this section, “volunteer” shall mean an individual who performs hours of service without promise, expectation or receipt of compensation for services rendered. Compensation such as a nominal stipend per call to compensate for fuel, uniforms, and training shall not nullify the volunteer status.

190.105. 1. No person, either as owner, agent or otherwise, shall furnish, operate, conduct, maintain, advertise, or otherwise be engaged in or profess to be engaged in the business or service of the transportation of patients by ambulance in the air, upon the streets, alleys, or any public way or place of the state of Missouri unless such person holds a currently valid license from the department for an ambulance service issued pursuant to the provisions of sections 190.001 to 190.245.

2. No ground ambulance shall be operated for ambulance purposes, and no individual shall drive, attend or permit it to be operated for such purposes in the state of Missouri unless the ground ambulance is under the immediate supervision and direction of a person who is holding a currently valid Missouri license as an emergency medical technician. 4. The issuance of a license pursuant to the provisions of sections 190.001 to 190.245 shall not be construed so as to authorize any person to provide ambulance services or to operate any ambulances without a franchise in any city not within a county or in a political subdivision in any county with a population of over nine hundred thousand inhabitants, or a franchise, contract or mutual-aid agreement in any other political subdivision which has enacted an ordinance making it unlawful to do so.

8. Sections 190.001 to 190.245 shall not apply to, nor be construed to include, any motor vehicle used by an employer for the transportation of such employer's employees whose illness or injury occurs on private property, and not on a public highway or property, nor to any person operating such a motor vehicle.

This provision shall not apply to any municipality or county which operates an ambulance service established prior to August 28, 1998.

This provision shall not apply to any municipality or county which operates an ambulance service established prior to August 28, 1998.

14. Upon the sale or transfer of any ground ambulance service ownership, the owner of such service shall notify the department of the change in ownership within thirty days of such sale or transfer. No employer shall knowingly employ or permit any employee to perform any services for which a license, certificate or other authorization is required by sections 190.001 to 190.245, or by rules adopted pursuant to sections 190.001 to 190.245, unless and until the person so employed possesses all licenses, certificates or authorizations that are required.

2. Any person or entity that employs or supervises a person's activities as an emergency medical responder, emergency medical dispatcher, emergency medical technician, registered nurse, **physician assistant**, or physician shall cooperate with the department's efforts to monitor and enforce compliance by those individuals subject to the requirements of sections 190.001 to 190.245.

3. - (3) Any other matter.

The names of one or more former partners, members or shareholders may be included in the name of a firm or its successor unless the firm becomes a sole proprietorship because of the death or withdrawal of all other partners, officers, members or shareholders. A firm may use a fictitious name if the fictitious name is registered with the board and is not otherwise misleading. Firms which fall out of compliance with the provisions of this section due to changes in firm ownership or personnel after receiving or renewing a permit shall take corrective action to bring the firm back into compliance as quickly as possible. The board may grant a reasonable period of time for a firm to take such corrective action. Failure to bring the firm back into compliance within a reasonable period as defined by the board may result in the suspension or revocation of the firm permit.

9. The board shall require by rule, as a condition to the renewal of permits, that firms undergo, no more frequently than once every three years, peer reviews conducted in a manner as the board shall specify. The review shall include a verification that individuals in the firm who are responsible for supervising attest and compilation services or sign or authorize someone to sign the accountant's report on the financial statements on behalf of the firm meet the competency requirements set out in the professional standards for such services, provided that any such rule:

(1) Shall include reasonable provision for compliance by a firm showing that it has within the preceding three years undergone a peer review that is a satisfactory equivalent to peer review generally required under this subsection;

(2) May require, with respect to peer reviews, that peer reviews be subject to oversight by an oversight body established or sanctioned by board rule, which shall periodically report to the board on the effectiveness of the review program under its charge and provide to the board a listing of firms that have participated in a peer review program that is satisfactory to the board; and

(3) Shall require, with respect to peer reviews, that the peer review processes be operated and documents maintained in a manner designed to preserve confidentiality, and that the board or any third party other than the oversight body shall not have access to documents furnished or generated in the course of the peer review of the firm except as provided in subdivision (2) of this subsection.

10. The board may, by rule, charge a fee for oversight of peer reviews, provided that the fee charged shall be substantially equivalent to the cost of oversight.

11. Notwithstanding any other provision in this section, the board may obtain the following information regarding peer review from any approved American Institute for Certified Public Accountants peer review program:

- (1) The firm's name and address;
- (2) The firm's dates of enrollment in the program;
- (3) The date of acceptance and the period covered by the firm's most recently accepted peer review;

and

- (4) **If applicable, whether the firm's enrollment in the program has been dropped or terminated.**

12. 3. All individuals may engage in the occupation of their choice, free from unreasonable government regulation. The state shall not impose a substantial burden on an individual's pursuit of his or her occupation or profession unless there is a reasonable interest for the state to protect the general welfare. If such an interest exists, the regulation adopted by the state shall be the least restrictive type of occupational regulation consistent with the public interest to be protected.

4. All bills introduced in the general assembly to regulate, pursuant to subsection 6 of this section, an occupation or profession shall be reviewed according to the following criteria. An occupation or profession shall be regulated by the state if:

(1) Unregulated practice could cause harm and endanger the general welfare, and the potential for further harm and endangerment is recognizable;

(2) The public can reasonably be expected to benefit from an assurance of personal qualifications; and

(3) The general welfare cannot be sufficiently protected by other means.

5. After evaluating the criteria in subdivision (3) of this subsection and considering governmental, economic, and societal costs and benefits, if the general assembly finds that the state has a reasonable interest in regulating, pursuant to subsection 6 of this section, an occupation or profession not previously regulated by law, the most efficient form of regulation shall be implemented, consistent with this section and with the need to protect the general welfare, as follows:

(1) If the threat to the general welfare resulting from the practitioner's services is easily predictable, the regulation shall implement a system of insurance, bonding, or registration;

(2) If the consumer has challenges accessing credentialing information or possesses significantly less information on how to report abuses such that the practitioner puts the consumer in a disadvantageous position relative to the practitioner to judge the quality of the practitioner's services, the regulation shall implement a system of certification; and

(3) If other regulatory structures, such as bonding, insurance, registration, and certification, insufficiently protect the general welfare from recognizable harm, the regulation shall implement a system of licensing.

6. After January 1, 2019, any relevant regulatory entity shall report, and the department shall make available to the general assembly, upon the filing of a bill that proposes additional regulation of a profession or occupation currently regulated by the regulatory entity, the following factors to the department:

(1) A description of the professional or occupational group proposed for expansion of regulation, including the number of individuals or business entities that would be subject to regulation to the extent that such information is available; the names and addresses of associations, organizations, and other groups representing the practitioners; and an estimate of the number of practitioners in each group;

(2) Whether practice of the profession or occupation proposed for expansion of regulation requires such a specialized skill that the public is not qualified to select a competent practitioner without assurances that minimum qualifications have been met;

(3) The nature and extent of potential harm to the public if the profession or occupation is not regulated as described in the bill, the extent to which there is a threat to the general welfare, and production of evidence of potential harm, including a description of any complaints filed with state law enforcement authorities, courts, departmental agencies, professional or occupational boards, and professional and occupational associations that have been lodged against practitioners of the profession or occupation in this state within the past five years.

Notwithstanding the provisions of this section or any other section, the relevant regulatory entity shall provide, and the department shall make available to the general assembly, the information relating to such complaints even if the information is considered a closed record or otherwise confidential; except that, the regulatory entity and the department shall redact names and other personally identifiable information from the information released;

(4) A description of the voluntary efforts made by practitioners of the profession or occupation to protect the public through self-regulation, private certifications, membership in professional or occupational associations, or academic credentials and a statement of why these efforts are inadequate to protect the public;

(5) The extent to which expansion of regulation of the profession or occupation will increase the cost of goods or services provided by practitioners and the overall cost-effectiveness and economic impact of the proposed regulation, including the direct cost to the government and the indirect costs to consumers;

(6) The extent to which expansion of regulation of the profession or occupation would increase or decrease the availability of services to the public;

(7) The extent to which existing legal remedies are inadequate to prevent or redress the kinds of harm potentially resulting from the lack of the requirements outlined in the bill;

(8) Why bonding and insurance, registration, certification, occupational license to practice, or another type of regulation is being proposed, why that regulatory alternative was chosen, and whether the proposed method of regulation is appropriate;

(9) A list of other states that regulate the profession or occupation, the type of regulation, copies of other states' laws, and available evidence from those states of the effect of regulation on the profession or occupation in terms of a before-and-after analysis;

(10) The details of any previous efforts in this state to implement regulation of the profession or occupation;

(11) Whether the proposed requirements for regulation exceed the national industry standards of minimal competence, if such standards exist, and what those standards are if they exist; and

(12) The method proposed to finance the proposed regulation and financial data pertaining to whether the proposed regulation can be reasonably financed by current or proposed licensees through dedicated revenue mechanisms.

7. If no existing regulatory entity regulates the occupation or profession to be regulated in the bill, the department shall report and make available to the general assembly, upon the filing of a bill after January 1, 2019, that proposes new regulation of a profession or occupation, the following factors:

(1) A description of the professional or occupational group proposed for regulation, including the number of individuals or business entities that would be subject to regulation to the extent that such information is available; the names and addresses of associations, organizations, and other groups representing the practitioners; and an estimate of the number of practitioners in each group;

(2) The nature and extent of potential harm to the public if the profession or occupation is not regulated, the extent to which there is a threat to the general welfare, and production of evidence of potential harm, including a description of any complaints filed with state law enforcement authorities, courts, departmental agencies, professional or occupational boards, and professional and occupational associations that have been lodged against practitioners of the profession or occupation in this state within the past five years. Notwithstanding the provisions

of this section or any other section, the department shall release the information relating to such complaints even if the information is considered a closed record or otherwise confidential; except that, the department shall redact names and other personally identifiable information from the information released;

(3) A list of other states that regulate the profession or occupation, the type of regulation, copies of other states' laws, and available evidence from those states of the effect of regulation on the profession or occupation in terms of a before-and-after analysis;

(4) The details of any previous efforts in this state to implement regulation of the profession or occupation; and

(5) Whether the proposed requirements for regulation exceed the national industry standards of minimal competence, if such standards exist, and what those standards are if they exist.

8. After January 1, 2019, applicant groups may report to the department, and the department shall make available to the general assembly, any of the information required in subsection 6 or 7 of this section and whether the profession or occupation plans to apply for mandated benefits.

9. Nothing in this section shall be construed to change any requirement for an individual to hold current private certification as a condition of licensure or renewal of licensure. This section shall not require a private certification organization to grant or deny private certification to any individual.

- (1) The board establishes minimum initial and continuing educational requirements sufficient to ensure the competence of applicants seeking certification in the particular specialty; and
- (2) The board shall not establish any provision for certification of licensees in a particular specialty which is not encompassed within the practice of chiropractic as defined in section 331.010.

331.060. 1. (a) Promises of cure, relief from pain or other physical or mental condition, or improved physical or mental health;

(b) Any self-laudatory statement;

(d) Any misleading or deceptive claims of patient cure, relief or improved condition; superiority in service, treatment or materials; new or improved service, treatment or material, or reduced costs or greater savings. A chiropractic physician whose right to practice has been affected under this subdivision shall, at reasonable intervals, be afforded an opportunity to demonstrate that he can resume competent practice with reasonable skill and safety to patients.

(a) In any proceeding under this subdivision, neither the record of proceedings nor the orders entered by the board shall be used against a chiropractic physician in any other proceeding. (1) Censure or place the person named in the complaint on probation on such terms and conditions as the board deems appropriate for a period not to exceed five years; or

(2) May suspend the license, certificate or permit for a period not to exceed three years; or

3. Any applicant who passes the dental hygienist examination or examinations with the average grade specified in a rule promulgated by the board shall be entitled to registration as a dental hygienist in Missouri, and shall receive a certificate of registration. Irrespective of the fact that an applicant may have made passing grades on his examinations, he shall not be entitled to a certificate of registration as a dental hygienist if the board finds that at any time prior to the issuance of the certificate the applicant has cheated on his examination or examinations, or has made false or misleading statements in any application filed for such examination with intent to deceive the board ~~[, or that he is not a person of good moral character and reputation].~~

Any such dental hygienist applying to be so registered and licensed shall accompany his application with a fee not greater than the dental hygienist examination and license fees and if registered and licensed shall renew his license as provided in section 332.261.

SECOND REGULAR SESSION
STATE OF MISSOURI

Herewith I return to you **House Committee Substitute for House Bill Nos. 1511 & 1452** entitled:

AN ACT

To repeal sections 324.008 and 324.009, RSMo, and to enact in lieu thereof one new section relating to professional licensing reciprocity.

On April 20, 2020, I approved **House Committee Substitute for House Bill Nos. 1511 & 1452**.

Respectfully Submitted,

Having been returned from the Governor with his approval, **HCS HBs 1511 & 1452** and **HB 2456** were delivered to the Secretary of State by the Chief Clerk of the House.

The following proclamation was received from His Excellency, Governor Michael L. Parson.

PROCLAMATION

WHEREAS, Article IV, Section 27, authorizes the Governor to control the rate at which any appropriation is expended by allotment and, further, authorizes the Governor to reduce the expenditures of the state or any of its agencies below their appropriations whenever the actual revenues are less than the revenue estimates upon which the appropriations were based; and

WHEREAS, in addition to the power to control the rate of expenditure established in Article IV, Section 27, three percent of each appropriation, with the exception of amounts for personal service to pay salaries fixed by law, shall be set aside pursuant to section 33.290, RSMo, as a reserve fund and not subject to expenditure except with the approval of the Governor; and

WHEREAS, Article IV, Section 27.2, provides that the Governor notify the General Assembly “whenever the rate at which any appropriation shall be expended is not equal quarterly allotments, the sum of which shall be equal to the amount of the appropriation”; and

WHEREAS, due to a variety of factors, including the three percent reserve that is legally required by section 33.290, RSMo, the rate at which most appropriations are expended is not in “equal quarterly allotments, the sum of which shall be equal to the amount of the appropriation”; and

WHEREAS, Article IV, Section 27.3, provides that the Governor notify the General Assembly “when the governor reduces one or more items or portions of items of appropriation of money as a result of actual revenues being less than the revenue estimates upon which the appropriations were based.”

NOW THEREFORE, I, Michael L. Parson, GOVERNOR OF THE STATE OF MISSOURI, pursuant to Article IV,

Section 27, do hereby make the following notification to the One Hundredth General Assembly of the State of Missouri:

I hereby notify the General Assembly, pursuant to Article IV, Section 27.2 of the Missouri Constitution, that through the third quarter of fiscal year 2020, the rate of expenditure for each of the appropriation lines in the fiscal year 2020 budget attached as Exhibit A is not in equal quarterly allotments, the sum of which shall be equal to the amount of the appropriation.

I further notify the General Assembly, pursuant to Article IV, Section 27.3 of the Missouri Constitution, that I have taken no action to permanently reduce one or more items or portions of items of appropriation of money as a result of actual revenues being less than the revenue estimates upon which the appropriations were based in the fiscal year 2020 budget.

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused to be affixed the Great Seal of the State of Missouri, in the City of Jefferson, this 23rd day of April, 2020.

NOW, THEREFORE, I, MICHAEL L. PARSON, GOVERNOR OF THE STATE OF MISSOURI, by virtue of the authority vested in me by the Constitution and the Laws of the State of Missouri, including chapter 44, RSMo, hereby order that the requirement of personal appearance before a notary public under the laws of this state is suspended to the extent that any notarial act is authorized to be performed utilizing audio-video technology, provided that the following conditions are met:

1. Any notarial act performed through video conference in compliance with this order shall have the same force, effect, and validity as any other notarial act performed in compliance with Missouri law, and may be relied upon to the same extent as any other notarial act under Missouri law.
2. That the document must contain a notarial certificate, a jurat or acknowledgement, which states the principal appeared remotely pursuant to Executive Order 20-08.
3. Any person whose signature is to be notarized must display a valid photo ID to the notary during the video conference if the person is not personally or otherwise known to the notary.
4. That the person must affirmatively represent that he or she is physically situated in the State of Missouri.
5. The video conference is a live, interactive audio-visual communication between the principal, notary, and other necessary persons, which allows for observation, direct interaction, and communication at the time of signing.
6. That the notary shall record in their journal the exact time and software used to perform the notarial act along with all other required information, absent the signature of the principal.
7. That the notary must be physically located in the State of Missouri and state which county they are physically in for the jurisdiction on the notarial certificate.
8. For electronic documents:

 - b. That the document must be signed electronically with software approved by the secretary of state as an acceptable medium to conduct the transaction; which may include software requiring third party multifactor authentication; and
 - c. That the notary shall affix their electronic notary seal to the electronic document.

9. For paper documents:
 - a. A tangible or electronic copy of the signed document must be mailed or otherwise transmitted to the notary within five business days; and
 - b. To the extent that any Missouri state law requires the physical presence of any testator, settlor, principal, witness, notary, or other person, for the effective execution of any estate planning document, such as a Will, Trust or power of attorney, or a self-proving affidavit of the execution of such document, such provisions are temporarily suspended or waived, and satisfied if the necessary parties are present through a video conference as set forth in section 5.
10. That if the document needs to be presented in a paper medium, it shall satisfy the requirements of being an original document, and prima facie evidence, if the notary prints the document and affixes an attestation stating that is a true and correct copy of the electronic document, shall state it was performed pursuant to Executive Order 20-08 and the notary signs and affixes their rubber stamp notary seal.
11. That the fees allowed for notarization under this executive order shall be the same as those allowed for other notarial acts, except a fee charged for the use of a Remote Online Notary platform or service shall not be considered a fee for a notarial act pursuant to section 486.350, RSMo.
12. That the Secretary of State shall retain the powers provided to him under the law to investigate and adjudicate any notary complaint related to the methods of notarization under this executive order.

This order shall terminate on May 15, 2020, unless extended in whole or in part.

COMMUNICATION

April 3, 2020

The Director of the Department of Health and Senior Services, finding it necessary to protect public health and prevent the further spread of COVID-19, pursuant to the authority granted under section 192.020, RSMo, and 19 CSR 20-20.040, hereby order the following:

1. Individuals currently residing within the State of Missouri shall avoid leaving their homes or places of residence. When individuals need to leave their homes or places of residence to work, to access food, prescriptions, health care, and other necessities, or to engage in outdoor activity, they should at all times practice social distancing. Individuals may also go to and from an individual's place of worship, provided that limitations on social gatherings and social distancing are properly adhered to.
2. Any entity that does not employ individuals to perform essential worker functions, as set forth in guidance provided by the U.S. Department of Homeland Security, Cybersecurity & Infrastructure Security Agency (CISA) outlined at https://www.cisa.gov/sites/default/files/publications/CISA_Guidance_on_the_Essential_Critical_Infrastructure_Workforce_Version_2.0_Updated.pdf shall adhere to the limitations on social gatherings and social distancing set forth in sections 4 and 5 of this Order. Entities that do not employ individuals to perform essential worker functions may request a waiver from the limitation on social gatherings, as set forth in section 4 of this Order, from the Director of the Department of Economic Development, on a form

prescribed by the Director. For offices and workplaces that remain open, individuals shall practice good hygiene and, where feasible, work from home in order to achieve optimum isolation from COVID-19.

3. Any entity that employs individuals to perform essential worker functions, as set forth in section 2 of this Order, and that is engaged in retail sales to the public, shall limit the number of individuals in any particular retail location as follows:
 - (1) Twenty-five (25) percent or less of the entity's authorized fire or building code occupancy, as set by local authorities, for a retail location with square footage of less than ten thousand square feet (10,000 ft²);
 - (2) Ten (10) percent or less of the entity's authorized fire or building code occupancy, as set by local authorities, for a retail location with square footage of ten thousand square feet (10,000 ft²) or more.
4. In accordance with the guidelines from the President and the Centers for Disease Control and Prevention (CDC), all individuals in the State of Missouri shall avoid social gatherings of more than ten (10) people. For purposes of this Order, "social gatherings" shall mean any planned or spontaneous event or convening that would bring together more than ten (10) people in a single space at the same time.
5. In accordance with the guidelines from the President and the CDC, every person and business in the State of Missouri shall abide by social distancing requirements, including maintaining six feet (6') of space between individuals. This provision shall not apply to family members or individuals performing essential worker functions, as set forth in section 2 of this Order, whose job duties require contact with other people closer than six feet (6'). This provision shall apply in all situations, including, but not limited to, when customers are standing in line or individuals are using shared indoor or outdoor spaces when outside their residence.
6. In accordance with the guidelines from the President and the CDC, schools shall close and remain closed. Notwithstanding section 2 of this Order, nothing in this Order shall prohibit daycares, child care providers, or schools from providing child care for working families in accordance with CDC guidelines found at <https://www.cdc.gov/coronavirus/2019-ncov/community/schools-childcare/guidance-for-childcare.html>. Further, this Order does not prohibit schools from providing Food and Nutritional Services for those children that qualify. School teachers and school staff may enter the building as long as they follow the directives set forth in this Order. Further guidance related to the conclusion of the 2019-2020 academic school year will be forthcoming from the Governor and the Department of Elementary and Secondary Education.
7. In accordance with the guidelines from the President and the CDC, every person in the State of Missouri shall avoid eating or drinking at restaurants, bars, or food courts; provided, however, that the use of drive-thru, pickup, or delivery options is allowed throughout the duration of this Order.
8. In accordance with the guidelines from the President and the CDC, people shall not visit nursing homes, long-term care facilities, retirement homes, or assisted living homes unless to provide critical assistance.
9. Pursuant to section 44.101, RSMo, this Order shall not be construed to prohibit or restrict the lawful possession, transfer, sale, transportation, storage, display, or use of firearms or ammunition during the declared state of emergency, subject to the provisions set forth herein.
10. All state office buildings are closed to the public; however, essential state functions shall continue. This provision shall not apply to the State Capitol Building during meetings or proceedings of the General Assembly.

This Order does not prohibit people from accessing essential services, such as grocery stores, gas stations, and banks, or engaging in outdoor recreation, provided that necessary precautions are taken and maintained to reduce the transmission of COVID-19, including observing social gathering and social distancing requirements set forth in sections 4 and 5 of this Order. The more that people reduce their public contact, the sooner COVID-19 will be contained and the sooner this Order will expire.

Pursuant to section 192.290, RSMo, this Order shall be observed throughout the state and enforced by all local and state health authorities; provided however, nothing herein shall limit the right of local authorities to make such further ordinances, rules, regulations, and orders not inconsistent with this Order which may be necessary for the particular locality under the jurisdiction of such local authorities.

Local public health authorities are hereby directed to carry out and enforce the provisions of this Order by any legal means.

This Order shall be in effect beginning 12:01 A.M., Monday, April 6, 2020, and shall remain in effect until 11:59 P.M., Friday, April 24, 2020, unless extended by further order of the Director of the Department of Health and Senior Services with said extensions not to exceed the duration of the effective period of Executive Order 20-02.

JOURNAL OF THE HOUSE

Second Regular Session, 100th GENERAL ASSEMBLY

FORTY-SIXTH DAY, WEDNESDAY, APRIL 8, 2020

The House met pursuant to adjournment.

Speaker Haahr in the Chair.

Prayer by Representative Doug Richey

Heavenly Father, we come before You during unprecedented days. Your Word instructs us to place our faith, our confidence, our hope, in You, first and foremost. The chamber before me is unpopulated, our neighbors, in isolation, face the grief of lost loved ones, lost jobs, delayed medical procedures, accumulating outstanding bills, and ever growing tension. These difficult days are here because of the unseen threat that COVID-19 has brought to our state's doorstep. We call out to You in humble desperation. The threat is real but You are greater than the threat. As members of Missouri's House of Representatives, we know our task, here today, yet, we know our ultimate limitation. You instruct Missouri's residents to not place their ultimate trust in governmental authorities or any human institution, precisely because You alone are worthy of all trust; You alone are able to meet the vast needs of their lives; You alone are able to accomplish what human government was never designed to accomplish; You alone are God.

We ask that You demonstrate Your righteous power for the benefit of our state. We ask that You strengthen our hearts with courage for the days yet to unfold. We ask that You grant whatever necessary for COVID-19 to be brought to its knees. We ask that You unify us around the encouraging truth that the day will dawn when COVID-19 will have been vanquished and we will emerge to enjoy the blessings of life.

In Jesus' name I pray, "Amen".

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as an Honorary Page for the Day, to serve without compensation: Andrew Edwards Fennesy.

SIGNING OF HOUSE BILL

All other business of the House was suspended while **HCS HBs 1511 & 1452** was read at length and, there being no objection, was signed by the Speaker to the end that the same may become law.

Having been duly signed in open session of the Senate, **HCS HBs 1511 & 1452** was delivered to the Governor by the Chief Clerk of the House.

MESSAGES FROM THE SENATE

Mr. Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and passed **SS SCS HCS HB 2014** entitled:

An act to appropriate money for supplemental purposes for the expenses, grants, and distributions of the several departments and offices of state government and the several divisions and programs thereof to be expended only as provided in Article IV, Section 28 of the Constitution of Missouri, and to transfer money among certain funds for the fiscal period ending June 30, 2020.

In which the concurrence of the House is respectfully requested.

Mr. Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and passed **HB 2456**.

instructions, when the vote was taken, members would be called from their offices in order to cast a vote (and immediately exit the chamber).

Following the introduction of the aforementioned resolution, the gentleman from District 163 was recognized by the Speaker in order to take up HB 2014.

House members were not summoned to the House Chamber in order to cast a vote by voice or by electronic means. House Rule 94 explicitly states that “Every member shall be present within the hall of the House during its sittings, unless excused or necessarily prevented, and shall vote on each question put....”

When questioned about the adoption of the resolution, the explanation provided was the resolution was adopted by majority. In this case, the majority permitted to vote included a significant minority of members: Speaker, Majority Floor Leader, the Gentleman from District 163, Minority Floor Leader, and the Gentleman from District 45.

Clearly, the lack of summoning members (to vote) who were present in the Capitol building violates the essence of a representative government.

I further direct the executive agencies of the State of Missouri to monitor and advise the Office of the Governor concerning the pricing of commodities, goods, and services in order to prevent unfair market practices.

JOURNAL OF THE HOUSE

Second Regular Session, 100th GENERAL ASSEMBLY

FORTY-SECOND DAY, WEDNESDAY, MARCH 18, 2020

The House met pursuant to adjournment.

Speaker Haahr in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

Do not be afraid, little flock. (Luke 12:32)

In danger, in difficulty or in doubt, we call upon You, Almighty God, and we trust and pray to You this morning, asking that the COVID-19 pandemic may do no more harm. We lift up our hearts to You and call upon Your miraculous powers that this coronavirus will be swiftly gotten under control and that You will restore the health of those affected and bring peace to the places where the virus has arrived, including our great Missouri and our beloved capitol city.

Welcome into Your heavenly kingdom the people who have died from this virus, and comfort their families and friends.

Sustain and protect the healthcare personnel who are fighting it, the government officials who are working on our behalf, the clergy who are praying with us, the newly unemployed who are fearful, and the young people who are being inspired to protect and assist their elders.

Lord God, doctor of our bodies and souls, we feel weak, helpless, afraid and in danger in the face of this international emergency. But we will not fall into despair because we hope and trust in You. Give us the gifts of peace and health. Despise not our pleas, but deliver us from every danger.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the thirty-eighth day was approved as printed by the following vote:

WHEREAS, on March 13, 2020, Executive Order 20-02 invoked the provisions of sections 44.100 and 44.110, RSMo, and declared a state of emergency that exists in the State of Missouri due to the spread of COVID-19; and

WHEREAS, I have been advised by the Missouri Department of Health and Senior Services and the State Emergency Management Agency that there have been confirmed cases of COVID-19 in this state; and

JOURNAL OF THE HOUSE

Second Regular Session, 100th GENERAL ASSEMBLY

THIRTY-FIFTH DAY, MONDAY, MARCH 9, 2020

The House met pursuant to adjournment.

Representative Anderson in the Chair.

Prayer by Representative Chris Dinkins.

Heavenly Father, we are gathered here today in Your presence as we continue the good work for the people of this state. We are so grateful to be living in a democracy where many play a part in making sure the needs and desires of Missouri's citizens are heard and met. Today we pause, in special celebration, of the role women hold in civic engagement and government through the ratification of the 19th amendment.

Throughout history You have shown time and time again the importance women hold in fulfilling Your divine plan and purpose. Through the countless Biblical and historical examples, we are able to see Your guidance and love through those who have come before us today. As we work together to find solutions to difficult problems, we ask that You guide us to speak respectfully and with humility to one another. We ask for wisdom that through discussions and decisions we may solve all problems effectively and achieve together a better Missouri.

As we pause here today, we are reminded that Your divine will, like the work of the people, has no restraints on age, sex, or ability. We all have a purpose and a plan and are grateful for Your guiding hand. Lord, we ask that You humble our hearts so that we will be a nation filled with gratitude and thankfulness for Your love and mercy.

In Jesus's almighty name, amen!

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Reagan Haahr and Claire Marguerite McGhee.

The Journal of the thirty-fourth day was approved as printed by the following vote:

JOURNAL OF THE HOUSE

Second Regular Session, 100th GENERAL ASSEMBLY

THIRTY-SIXTH DAY, TUESDAY, MARCH 10, 2020

The House met pursuant to adjournment.

Speaker Haahr in the Chair.

Prayer by Representative Kenneth Wilson.

Heavenly Father, it is all together proper and wise that we begin our work day in reverent prayer. We first are grateful for Your protection over our families while we are away, and we give You thanks for our friends who we count as family gathered in the side galleries. We pray for those whom we name in our hearts who are hurting and sick that Your presence in their lives will bring comfort and peace. We pray for our nation, for our great state and our leaders. May they continue to seek after Your wisdom and strength, and may they lead us in the ways that make for peace. May it be that all of us might be instruments of Your peace and love. May we answer words of anger with patience, and let us respond to disagreements with compromise. Above all, let us speak the language of faith, especially when we travel roads of uncertainty and fear. We offer our praise and our prayers to the One whose footsteps we strive to follow.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Fahima Ali, Alexander Edgar, and Sidney Wroughton.

The Journal of the thirty-fifth day was approved as printed by the following vote:

"160.261. 1. The local board of education of each school district shall clearly establish a written policy of discipline, including the district's determination on the use of corporal punishment and the procedures in which punishment will be applied. A written copy of the district's discipline policy and corporal punishment procedures, if applicable, shall be provided to the pupil and parent or legal guardian of every pupil enrolled in the district at the beginning of each school year and also made available in the office of the superintendent of such district, during normal business hours, for public inspection. All employees of the district shall annually receive instruction related to the specific contents of the policy of discipline and any interpretations necessary to implement the provisions of the policy in the course of their duties, including but not limited to approved methods of dealing with acts of school violence, disciplining students with disabilities and instruction in the necessity and requirements for confidentiality.

2. The policy shall require school administrators to report acts of school violence to all teachers at the attendance center and, in addition, to other school district employees with a need to know. For the purposes of this chapter or chapter 167, "need to know" is defined as school personnel who are directly responsible for the student's education or who otherwise interact with the student on a professional basis while acting within the scope of their assigned duties. As used in this section, the phrase "act of school violence" or "violent behavior" means the exertion of physical force by a student with the intent to do serious physical injury as defined in section 556.061 to another person while on school property, including a school bus in service on behalf of the district, or while involved in school activities. The policy shall at a minimum require school administrators to report, as soon as reasonably practical, to the appropriate law enforcement agency any of the following crimes, or any act which if committed by an adult would be one of the following crimes:

- (1) First degree murder under section 565.020;
- (2) Second degree murder under section 565.021;

- (13) Voluntary manslaughter under section 565.023;
- (14) Involuntary manslaughter under section 565.024 as it existed prior to January 1, 2017, involuntary manslaughter in the first degree under section 565.024, or involuntary manslaughter in the second degree under section 565.027;
- (15) Second degree assault under section 565.060 as it existed prior to January 1, 2017, or second degree assault under section 565.052;
- (16) Rape in the second degree under section 566.031;

- (25) Stalking under section 565.225 as it existed prior to January 1, 2017, or stalking in the first degree under section 565.225;

committed on school property, including but not limited to actions on any school bus in service on behalf of the district or while involved in school activities. The policy shall require that any portion of a student's individualized education program that is related to demonstrated or potentially violent behavior shall be provided to any teacher and other school district employees who are directly responsible for the student's education or who otherwise interact with the student on an educational basis while acting within the scope of their assigned duties. The policy shall also contain the consequences of failure to obey standards of conduct set by the local board of education, and the importance of the standards to the maintenance of an atmosphere where orderly learning is possible and encouraged.

3. The policy shall provide that any student who is on suspension for any of the offenses listed in subsection 2 of this section or any act of violence or drug-related activity defined by school district policy as a serious violation of school discipline pursuant to subsection 9 of this section shall have as a condition of his or her suspension the requirement that such student is not allowed, while on such suspension, to be within one thousand feet of any school property in the school district where such student attended school or any activity of that district, regardless of whether or not the activity takes place on district property unless:

- (1) Such student is under the direct supervision of the student's parent, legal guardian, or custodian and the superintendent or the superintendent's designee has authorized the student to be on school property;
- (2) Such student is under the direct supervision of another adult designated by the student's parent, legal guardian, or custodian, in advance, in writing, to the principal of the school which suspended the student and the superintendent or the superintendent's designee has authorized the student to be on school property;
- (3) Such student is enrolled in and attending an alternative school that is located within one thousand feet of a public school in the school district where such student attended school; or
- (4) Such student resides within one thousand feet of any public school in the school district where such student attended school in which case such student may be on the property of his or her residence without direct adult supervision.

4. Any student who violates the condition of suspension required pursuant to subsection 3 of this section may be subject to expulsion or further suspension pursuant to the provisions of sections 167.161, 167.164, and 167.171. In making this determination consideration shall be given to whether the student poses a threat to the safety of any child or school employee and whether such student's unsupervised presence within one thousand feet of the school is disruptive to the educational process or undermines the effectiveness of the school's disciplinary policy. Removal of any pupil who is a student with a disability is subject to state and federal procedural rights. This section shall not limit a school district's ability to:

- (1) Prohibit all students who are suspended from being on school property or attending an activity while on suspension;
- (2) Discipline students for off-campus conduct that negatively affects the educational environment to the extent allowed by law.

5. The policy shall provide for a suspension for a period of not less than one year, or expulsion, for a student who is determined to have brought a weapon to school, including but not limited to the school playground or the school parking lot, brought a weapon on a school bus or brought a weapon to a school activity whether on or off of the school property in violation of district policy, except that:

- (1) The superintendent or, in a school district with no high school, the principal of the school which such child attends may modify such suspension on a case-by-case basis; and
- (2) This section shall not prevent the school district from providing educational services in an alternative setting to a student suspended under the provisions of this section.

6. For the purpose of this section, the term "weapon" shall mean a firearm as defined under 18 U.S.C. Section 921 and the following items, as defined in section 571.010: a blackjack, a concealable firearm, an explosive weapon, a firearm, a firearm silencer, a gas gun, a knife, knuckles, a machine gun, a projectile weapon, a rifle, a shotgun, a spring gun or a switchblade knife; except that this section shall not be construed to prohibit a school board from adopting a policy to allow a Civil War reenactor to carry a Civil War era weapon on school property for educational purposes so long as the firearm is unloaded. The local board of education shall define weapon in the discipline policy. Such definition shall include the weapons defined in this subsection but may also include other weapons.

7. All school district personnel responsible for the care and supervision of students are authorized to hold every pupil strictly accountable for any disorderly conduct in school or on any property of the school, on any school bus going to or returning from school, during school-sponsored activities, or during intermission or recess periods.

8. Teachers and other authorized district personnel in public schools responsible for the care, supervision, and discipline of schoolchildren, including volunteers selected with reasonable care by the school district, shall not be civilly liable when acting in conformity with the established policies developed by each board, including but not limited to policies of student discipline or when reporting to his or her supervisor or other person as mandated by state law acts of school violence or threatened acts of school violence, within the course and scope of the duties of the teacher, authorized district personnel or volunteer, when such individual is acting in conformity with the established policies developed by the board. Nothing in this section shall be construed to create a new cause of action against such school district, or to relieve the school district from liability for the negligent acts of such persons.

9. Each school board shall define in its discipline policy acts of violence and any other acts that constitute a serious violation of that policy. "Acts of violence" as defined by school boards shall include but not be limited to exertion of physical force by a student with the intent to do serious bodily harm to another person while on school property, including a school bus in service on behalf of the district, or while involved in school activities. School districts shall for each student enrolled in the school district compile and maintain records of any serious violation of the district's discipline policy. Such records shall be made available to teachers and other school district employees with a need to know while acting within the scope of their assigned duties, and shall be provided as required in section 167.020 to any school district in which the student subsequently attempts to enroll.

10. Spanking, when administered by certificated personnel and in the presence of a witness who is an employee of the school district, or the use of reasonable force to protect persons or property, when administered by personnel of a school district in a reasonable manner in accordance with the local board of education's written policy of discipline, is not abuse within the meaning of chapter 210. ~~[The provisions of sections 210.110 to 210.165 notwithstanding, the children's division shall not have jurisdiction over or investigate any report of alleged child abuse arising out of or related to the use of reasonable force to protect persons or property when administered by personnel of a school district or any spanking administered in a reasonable manner by any certificated school personnel in the presence of a witness who is an employee of the school district pursuant to a written policy of discipline established by the board of education of the school district, as long as no allegation of sexual misconduct arises from the spanking or use of force.]~~

~~11. If a student reports alleged sexual misconduct on the part of a teacher or other school employee to a person employed in a school facility who is required to report such misconduct to the children's division under section 210.115, such person and the superintendent of the school district shall report the allegation to the children's division as set forth in section 210.115. Reports made to the children's division under this subsection shall be investigated by the division in accordance with the provisions of sections 210.145 to 210.153 and shall not be investigated by the school district under subsections 12 to 20 of this section for purposes of determining whether the allegations should or should not be substantiated. The district may investigate the allegations for the purpose of making any decision regarding the employment of the accused employee.~~

~~12.]~~ 11. Upon receipt of any reports of child abuse by the children's division ~~[other than reports provided under subsection 11 of this section]~~, pursuant to sections 210.110 to 210.165 which allegedly involve personnel of a school district, the children's division shall notify the superintendent of schools of the district or, if the person named in the alleged incident is the superintendent of schools, the president of the school board of the school district where the alleged incident occurred.

~~[13. If, after an initial investigation, the superintendent of schools or the president of the school board finds that the report involves an alleged incident of child abuse other than the administration of a spanking by certificated school personnel or the use of reasonable force to protect persons or property when administered by school personnel pursuant to a written policy of discipline or that the report was made for the sole purpose of harassing a public school employee, the superintendent of schools or the president of the school board shall immediately refer the matter back to the children's division and take no further action. In all matters referred back to the children's division, the division shall treat the report in the same manner as other reports of alleged child abuse received by the division.]~~

14. If the report pertains to an alleged incident which arose out of or is related to a spanking administered by certificated personnel or the use of reasonable force to protect persons or property when administered by personnel of a school district pursuant to a written policy of discipline or a report made for the sole purpose of harassing a public-school employee, a notification of the reported child abuse shall be sent by the superintendent of schools or the president of the school board to the law enforcement in the county in which the alleged incident occurred.

15. The report shall be jointly investigated by the law enforcement officer and the superintendent of schools or, if the subject of the report is the superintendent of schools, by a law enforcement officer and the president of the school board or such president's designee.

16. The investigation shall begin no later than forty-eight hours after notification from the children's division is received, and shall consist of, but need not be limited to, interviewing and recording statements of the child and the child's parents or guardian within two working days after the start of the investigation, of the school-district personnel allegedly involved in the report, and of any witnesses to the alleged incident.

17. The law enforcement officer and the investigating school-district personnel shall issue separate reports of their findings and recommendations after the conclusion of the investigation to the school board of the school district within seven days after receiving notice from the children's division.

18. The reports shall contain a statement of conclusion as to whether the report of alleged child abuse is substantiated or is unsubstantiated.

19. The school board shall consider the separate reports referred to in subsection 17 of this section and shall issue its findings and conclusions and the action to be taken, if any, within seven days after receiving the last of the two reports. The findings and conclusions shall be made in substantially the following form:

(1) The report of the alleged child abuse is unsubstantiated. The law enforcement officer and the investigating school board personnel agree that there was not a preponderance of evidence to substantiate that abuse occurred;

(2) The report of the alleged child abuse is substantiated. The law enforcement officer and the investigating school-district personnel agree that the preponderance of evidence is sufficient to support a finding that the alleged incident of child abuse did occur;

(3) The issue involved in the alleged incident of child abuse is unresolved. The law enforcement officer and the investigating school personnel are unable to agree on their findings and conclusions on the alleged incident.

20. The findings and conclusions of the school board under subsection 19 of this section shall be sent to the children's division. If the findings and conclusions of the school board are that the report of the alleged child abuse is unsubstantiated, the investigation shall be terminated, the case closed, and no record shall be entered in the children's division central registry. If the findings and conclusions of the school board are that the report of the alleged child abuse is substantiated, the children's division shall report the incident to the prosecuting attorney of the appropriate county along with the findings and conclusions of the school district and shall include the information in the division's central registry. If the findings and conclusions of the school board are that the issue involved in the alleged incident of child abuse is unresolved, the children's division shall report the incident to the prosecuting attorney of the appropriate county along with the findings and conclusions of the school board, however, the incident and the names of the parties allegedly involved shall not be entered into the central registry of the children's division unless and until the alleged child abuse is substantiated by a court of competent jurisdiction.

21. Such reports shall be made public and shall include identification of each agency and the counties of the division.**

This placement will be viewed as the least restrictive for the child based on the assessment;

(4) The delivery system shall have sufficient flexibility to take into account children and families on a case-by-case basis;

The agreement shall be reduced to writing within three business days. The written agreement shall be signed by the parent or guardian, the relative, and the authorized representative of the division. A temporary alternative placement agreement shall be valid for no more than ninety days. If the agreement shall be extended beyond ninety days, then, before the expiration of the ninety-day period, the division shall send a referral to the juvenile officer to make a determination whether to file a petition, to set the matter for a preliminary child welfare hearing, or to take other appropriate action as the juvenile officer deems necessary. (d) Identifying the behaviorally specific changes that the parent or guardian of the child shall make to ensure that the child's safety and welfare can be assured before the child is returned to the home;

(e) Identifying the services that the division shall offer the parents and the child to address the reasons the child is being placed out of the home;

The purpose of such agreement is to mitigate trauma to the child and to enable the division to make reasonable efforts to assure the safety of a child in a placement familiar to the child, and to give the child and the child's family an opportunity to develop and implement a plan to assure the stability and well-being of the child in the short term. The child shall reside in the state of Missouri for the duration of the temporary alternative placement agreement unless the child requires medical treatment in another state that is not reasonably available within the state of Missouri.

The division may, in its discretion, follow up with a fingerprint based criminal background check.

(3) The suitable relative shall be a resident of the state of Missouri and shall remain a resident of the state of Missouri for the duration of the agreement.

4. (1) The division may only enter into a temporary alternative placement agreement if:

(a) The child cannot remain safely in the home of the child's parent or legal guardian;

(b) It is not apparent that the child is otherwise in imminent danger of death, serious physical injury, or being sexually abused such that an immediate referral to the juvenile officer with a recommendation to remove the child and initiate juvenile court proceedings is appropriate;

(c) There is a relative who is ready, willing, and able to provide safe care for the child on a temporary basis;

(d) The division has reasonably available services for the child and family to support and supervise the implementation of the agreement;

(e) The child's parent or legal guardian voluntarily enters into the agreement; and

(f) The child's parent or legal guardian executes all necessary documents and consents to implement the agreement.

(2) The fact that the parent or legal guardian has been advised that the division or juvenile officer may take additional action within his or her authority under law shall not constitute a basis for claiming that the parent or legal guardian's agreement is not voluntary or was coerced.

(3) The parent or guardian shall give at least five days' written notice of intent to terminate the agreement to the division and the relative placement provider. The agreement shall remain in effect until the termination of the agreement is effective.

5. (1) The relative shall have the authority to make the day-to-day decisions for the care of the child during the agreement as provided in the agreement and shall further have the authority to make educational and medical decisions for the child as provided in this section.

(2) The relative shall not have the authority to authorize end-of-life care, authorize the child to have an abortion, or initiate treatment for gender dysphoria.

(3) The relative shall consult with the child's parents, legal guardian, and the division before making decisions pertaining to the child other than routine, day-to-day decisions necessary to care for the child.

(4) The division shall provide a notice to the relative on a form promulgated by the division for use in notifying schools, medical care providers, and others that the suitable relative or adult has the temporary authority to make these decisions. Individuals and institutions, including schools and medical care providers, acting upon the authority of such notice shall be immune from liability for acting upon the authority as set forth in the letter.

6. (1) The division shall closely monitor, track, and document the implementation of the provisions of the temporary alternative placement agreement for the duration of the agreement.

(2) The division shall have personal contact with the child as may be appropriate to ensure that the temporary alternative placement agreement is being safely implemented, but in no event less than two times each month. At least one personal contact with the child shall be in the child's alternative placement.

(3) The division shall schedule a team decision making meeting within ten days of the execution of a temporary alternative placement agreement and at least once every month thereafter for the duration of the agreement.

(4) Within ten days of the execution of a temporary alternative placement agreement, the division shall open a family centered services case and keep the case open for the duration of the agreement.

(5) No later than ten days before the termination of the temporary alternative placement agreement, the division shall submit a written report to the juvenile office. The divisions shall provide a copy of the report to the placement provider and the child's parent or guardian. The report shall include a copy of the agreement, a specific description of the steps taken to complete the agreement, and a recommendation to the juvenile officer about whether further action may be necessary.

7. If the parent or guardian does not agree to the temporary alternative placement agreement, the division shall refer the matter to the juvenile officer for appropriate action as determined by the juvenile officer.

8. All parties to the temporary alternative care agreement shall exercise diligent efforts to implement the agreement. The suitable adult or suitable relative and the parents or guardians shall fully cooperate with the division.

9. If the division determines that the goals of the temporary alternative placement agreement are not accomplished within the time period specified in the agreement and the safety or wellbeing of the child cannot be assured if the child were to return home, the division shall refer the case to the juvenile officer.

10. A temporary alternative placement agreement may be executed in conjunction with the informal adjustment process through the juvenile office.

11. The juvenile officer shall not be bound by the terms of a temporary alternative placement agreement, unless the juvenile officer is a signatory to the agreement, and the juvenile officer may exercise discretion to take appropriate action within the juvenile officer's authority under law. However, the juvenile officer shall take into consideration the provisions of and the implementation of the agreement when taking action under such authority.

12. The division shall promulgate regulations to implement the provisions of this section. This section shall not be effective until the regulations are promulgated.

The division shall promulgate rules regarding the structured decision-making protocols to be utilized for all child abuse and neglect reports.] A response shall be initiated within three, twenty-four, or seventy-two hours according to the degree of risk, and a risk assessment shall be completed within seventy-two hours.~~

3. Upon receipt of a report, the division shall determine if the report merits investigation, including reports which if true would constitute a suspected violation of any of the following: section 565.020, 565.021, 565.023, 565.024, or 565.050 if the victim is a child less than eighteen years of age, section 566.030 or 566.060 if the victim is a child less than eighteen years of age, or other crimes under chapter 566 if the victim is a child less than eighteen

~~[6. When the child abuse and neglect hotline receives three or more calls, within a seventy-two hour period, from one or more individuals concerning the same child, the division shall conduct a review to determine whether the calls meet the criteria and statutory definition for a child abuse and neglect report to be accepted. In conducting the review, the division shall contact the hotline caller or callers in order to collect information to determine whether the calls meet the criteria for harassment.~~

~~[8.]~~ 6. The local office of the division shall cause an investigation or family assessment and services approach to be initiated in accordance with the protocols established in subsection 2 of this section, except in cases where the sole basis for the report is educational neglect. If the report indicates that educational neglect is the only complaint and there is no suspicion of other neglect or abuse, the investigation shall be initiated within seventy-two hours of receipt of the report. If the report indicates the child is in danger of serious physical harm or threat to life, an investigation shall include direct observation of the subject child within twenty-four hours of the receipt of the report. Local law enforcement shall take all necessary steps to facilitate such direct observation. ~~[Callers to the child abuse and neglect hotline]~~ **Any person making a report to the division** shall be instructed ~~[by the division's hotline]~~ to call 911 in instances where the child may be in immediate danger. If the parents of the child are not the alleged perpetrators, a parent of the child must be notified prior to the child being interviewed by the division. No person responding to or investigating a child abuse and neglect report shall call prior to a home visit or leave any documentation of any attempted visit, such as business cards, pamphlets, or other similar identifying information if he or she has a reasonable basis to believe the following factors are present:

The alleged perpetrator shall be given a reasonable amount of time to read such written material or have such material read to him or her by the case worker before the visit commences, but in no event shall such time exceed five minutes; except that, such requirement to provide written material and reasonable time to read such material shall not apply in cases where the child faces an immediate threat or danger, or the person responding to or investigating the report is or feels threatened or in danger of physical harm. If the abuse is alleged to have occurred in a school or child care facility the division shall not meet with the child in any school building or child-care facility building where abuse of such child is alleged to have occurred. When the child is reported absent from the residence, the location and the well-being of the child shall be verified. For purposes of this subsection, "child care facility" shall have the same meaning as such term is defined in section 210.201.

7. In conjunction with completing the risk assessment, division staff shall recommend one of the following:

~~[9-]~~ **8.** The director of the division shall name at least one chief investigator for each local division office, who shall direct the division response on any case involving a second or subsequent incident regarding the same subject child or perpetrator. The duties of a chief investigator shall include verification of direct observation of the subject child by the division and shall ensure information regarding the status of an investigation is provided to the public school district liaison. The public school district liaison shall develop protocol in conjunction with the chief investigator to ensure information regarding an investigation is shared with appropriate school personnel. The superintendent of each school district shall designate a specific person or persons to act as the public school district liaison. Should the subject child attend a nonpublic school the chief investigator shall notify the school principal of the investigation. Upon notification of an investigation, all information received by the public school district liaison or the school shall be subject to the provisions of the federal Family Educational Rights and Privacy Act (FERPA), 20 U.S.C. Section 1232g, and federal rule 34 C.F.R. Part 99.

~~[40-]~~ **9.** The investigation shall include but not be limited to the nature, extent, and cause of the abuse or neglect; the identity and age of the person responsible for the abuse or neglect; the names and conditions of other children in the home, if any; the home environment and the relationship of the subject child to the parents or other persons responsible for the child's care; any indication of incidents of physical violence against any other household or family member; and other pertinent data.

~~[44-]~~ **10.** When a report has been made by a person required to report under section 210.115, the division shall contact the person who made such report within forty-eight hours of the receipt of the report in order to ensure that full information has been received and to obtain any additional information or medical records, or both, that may be pertinent.

11. The division shall promulgate a standardized format for recording and documenting case plans as required by 42 U.S.C. 675(1). The division and any children service provider of case management services shall use this format when providing services to children in alternative care or when a family-centered case is opened. Such case plan shall be developed within sixty days of the alternative care or family-centered case being opened but may be updated as necessary. The case plan shall be developed in consultation with any parents, guardians, parents' attorneys, the juvenile officer, guardian ad litem, current foster parent, and, when appropriate, the child and the trusted adults selected by the child.

12. If the child abuse and neglect hotline receives three or more calls within a seventy-two-hour period from one or more individuals concerning the same child, the division shall conduct a review to determine whether the calls meet the criteria and statutory definition for the child abuse or neglect report to be accepted. In conducting the review, the division shall contact the hotline caller or callers in order to collect information to determine whether the calls meet the criteria for harassment. Upon completion of the investigation, if the division suspects that the report was made maliciously or for the purpose of harassment, the division shall refer the report and any evidence of malice or harassment to the local prosecuting or circuit attorney.

13. In a case involving the death or serious injury of a child after a report has been made under sections 210.109 to 210.165, the division shall conduct a preliminary evaluation in order to determine whether a review of the ability of the circuit manager or case worker or workers to perform their duties competently is necessary. The preliminary evaluation shall examine:

(1) The hotline worker or workers who took any reports related to such case;

(2) The division case worker or workers assigned to the investigation of such report; and

(3) The circuit manager assigned to the county where the report was investigated.

Any preliminary evaluation shall be completed no later than three days after the child's death. If the division determines a review and assessment is necessary, it shall be completed no later than three days after the child's death.

~~[13-]~~ 14. Multidisciplinary teams shall be used whenever conducting the investigation as determined by the division in conjunction with local law enforcement. ~~[Multidisciplinary teams shall be used in providing protective or preventive social services, including the services of law enforcement, a liaison of the local public school, the juvenile officer, the juvenile court, and other agencies, both public and private.]~~

~~[14-]~~ 15. For all family support team meetings involving an alleged victim of child abuse or neglect, the parents, legal counsel for the parents, foster parents, the legal guardian or custodian of the child, the guardian ad litem for the child, and the volunteer advocate for the child shall be provided notice and be permitted to attend all such meetings. Family members, other than alleged perpetrators, or other community informal or formal service providers that provide significant support to the child and other individuals may also be invited at the discretion of the parents of the child. In addition, the parents, the legal counsel for the parents, the legal guardian or custodian and the foster parents may request that other individuals, other than alleged perpetrators, be permitted to attend such team meetings. Once a person is provided notice of or attends such team meetings, the division or the convenor of the meeting shall provide such persons with notice of all such subsequent meetings involving the child. Families may determine whether individuals invited at their discretion shall continue to be invited.

~~[15-]~~ 16. If the appropriate local division personnel determine after an investigation has begun that completing an investigation is not appropriate, the division shall conduct a family assessment and services approach. The division shall provide written notification to local law enforcement prior to terminating any investigative process. The reason for the termination of the investigative process shall be documented in the record of the division and the written notification submitted to local law enforcement. Such notification shall not preclude nor prevent any investigation by law enforcement.

~~[16-]~~ 17. If the appropriate local division personnel determines to use a family assessment and services approach, the division shall:

(1) Assess any service needs of the family. The assessment of risk and service needs shall be based on information gathered from the family and other sources;

(2) Provide services which are voluntary and time-limited unless it is determined by the division based on the assessment of risk that there will be a high risk of abuse or neglect if the family refuses to accept the services. The division shall identify services for families where it is determined that the child is at high risk of future abuse or neglect. The division shall thoroughly document in the record its attempt to provide voluntary services and the reasons these services are important to reduce the risk of future abuse or neglect to the child. If the family continues to refuse voluntary services or the child needs to be protected, the division ~~[may commence an investigation]~~ **shall determine appropriate action under subsection 3 of section 210.145;**

(3) Commence an immediate investigation if at any time during the family assessment and services approach the division determines that an investigation, as delineated in sections 210.109 to 210.183, is required. The division staff who have conducted the assessment may remain involved in the provision of services to the child and family;

(4) Document at the time the case is closed, the outcome of the family assessment and services approach, any service provided and the removal of risk to the child, if it existed.

~~[17-]~~ 18. (1) Within forty-five days of an oral report of abuse or neglect, the local office shall update the information in the information system. The information system shall contain, at a minimum, the determination made by the division as a result of the investigation, identifying information on the subjects of the report, those responsible for the care of the subject child and other relevant dispositional information, **including all data required under section 210.188.** The division shall complete all investigations within forty-five days, unless good cause for the failure to complete the investigation is specifically documented in the information system. Good cause for failure to complete an investigation shall include, but not be limited to:

(a) The necessity to obtain relevant reports of medical providers, medical examiners, psychological testing, law enforcement agencies, forensic testing, and analysis of relevant evidence by third parties which has not been completed and provided to the division;

(b) The attorney general or the prosecuting or circuit attorney of the city or county in which a criminal investigation is pending certifies in writing to the division that there is a pending criminal investigation of the incident under investigation by the division and the issuing of a decision by the division will adversely impact the progress of the investigation; or

(c) The child victim, the subject of the investigation or another witness with information relevant to the investigation is unable or temporarily unwilling to provide complete information within the specified time frames due to illness, injury, unavailability, mental capacity, age, developmental disability, or other cause.

The division shall document any such reasons for failure to complete the investigation.

(2) If a child fatality or near-fatality is involved in a report of abuse or neglect, the investigation shall remain open until the division's investigation surrounding such death or near-fatal injury is completed.

(3) If the investigation is not completed within forty-five days, the information system shall be updated at regular intervals and upon the completion of the investigation, which shall be completed no later than ninety days after receipt of a report of abuse or neglect, or one hundred twenty days after receipt of a report of abuse or neglect involving sexual abuse, or until the division's investigation is complete in cases involving a child fatality or near-fatality. The information in the information system shall be updated to reflect any subsequent findings, including any changes to the findings based on an administrative or judicial hearing on the matter.

~~[18-]~~ 19. A person required to report under section 210.115 to the division and any person making a report of child abuse or neglect made to the division which is not made anonymously shall be informed by the division of his or her right to obtain information concerning the disposition of his or her report. Such person shall receive, from the local office, if requested, information on the general disposition of his or her report. Such person may receive, if requested, findings and information concerning the case. Such release of information shall be at the discretion of the director based upon a review of the reporter's ability to assist in protecting the child or the potential harm to the child or other children within the family. The local office shall respond to the request within forty-five days. The findings shall be made available to the reporter within five days of the outcome of the investigation. If the report is determined to be unsubstantiated, the reporter may request that the report be referred by the division to the office of child advocate for children's protection and services established in sections 37.700 to 37.730. Upon request by a reporter under this subsection, the division shall refer an unsubstantiated report of child abuse or neglect to the office of child advocate for children's protection and services.

~~[19-]~~ 20. The division shall provide to any individual who is not satisfied with the results of an investigation information about the office of child advocate and the services it may provide under sections 37.700 to 37.730.

~~[20-]~~ 21. In any judicial proceeding involving the custody of a child the fact that a report may have been made pursuant to sections 210.109 to 210.183 shall not be admissible. However:

(1) Nothing in this subsection shall prohibit the introduction of evidence from independent sources to support the allegations that may have caused a report to have been made; and

(2) The court may on its own motion, or shall if requested by a party to the proceeding, make an inquiry not on the record with the children's division to determine if such a report has been made.

If a report has been made, the court may stay the custody proceeding until the children's division completes its investigation.

~~[21-]~~ 22. Nothing in this chapter shall be construed to prohibit the children's division from coinvestigating a report of child abuse or neglect or sharing records and information with child welfare, law enforcement, or judicial officers of another state, territory, or nation if the children's division determines it is appropriate to do so under the standard set forth in subsection 4 of section 210.150 and if such receiving agency is exercising its authority under the law.

~~[22-]~~ 23. In any judicial proceeding involving the custody of a child where the court determines that the child is in need of services under paragraph (d) of subdivision (1) of subsection 1 of section 211.031 and has taken jurisdiction, the child's parent, guardian or custodian shall not be entered into the registry.

~~[23-]~~ 24. The children's division is hereby granted the authority to promulgate rules and regulations pursuant to the provisions of section 207.021 and chapter 536 to carry out the provisions of sections 210.109 to 210.183.

~~[24-]~~ 25. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2000, shall be invalid and void.

The division shall verify that the parent of the child is the same individual whose identifying information was provided and, if the parent's identity has been verified, shall provide the appropriate local office with information regarding the birth of the child. Appropriate local division personnel shall initiate contact with the family, or make a good faith effort to do so, to determine if the parent or family has a need for services and provide such voluntary and time-limited services as appropriate. The division shall document the results of such contact and services provided, if any, in the information system established under section 210.109.

3. The children's division and the state registrar shall ensure the confidentiality of all identifying information and birth records provided under this section and shall not disclose such information and records except as needed to effectuate the provisions of this section. Such information and records shall be considered closed records under chapter 610.

4. The division may promulgate rules and regulations to implement the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. 3. The director of the department of health and senior services shall provide to the director birth record information for a child born to an individual whose identifying information has been provided to the director of the department of health and senior services by the director or a court within the previous ten years. If such information is provided to the director, the director shall:

(1) Verify that the parent of the child is the same individual as described in subsection 2 of this section; and

(2) Immediately notify the division where the child is believed to be located so that the division shall review its records of the family and offer services if needed.

4. The children's division may utilize information under this section in support of its duties to protect children, including to investigate reports of child abuse or neglect and to perform family assessments. However, the division shall not be required to conduct subsequent assessments of subsequent births under

this section if the division has conducted one assessment under this section, the division has determined that services were not necessary, and there are no subsequent reports of child abuse or neglect pertaining to children in the family.

210.160. 1. In every case involving an abused or neglected child which results in a judicial proceeding, the judge shall appoint a guardian ad litem to appear for and represent:

(1) A child who is the subject of proceedings pursuant to sections 210.110 to 210.165 except proceedings under subsection 6 of section 210.152, sections 210.700 to 210.760, sections 211.442 to 211.487, or sections 453.005 to 453.170, or proceedings to determine custody or visitation rights under sections 452.375 to 452.410; or

(2) A parent who is a minor, or who is a mentally ill person or otherwise incompetent, and whose child is the subject of proceedings under sections 210.110 to 210.165, sections 210.700 to 210.760, sections 211.442 to 211.487, or sections 453.005 to 453.170.

2. The judge, either sua sponte or upon motion of a party, may appoint a guardian ad litem to appear for and represent an abused or neglected child involved in proceedings arising under subsection 6 of section 210.152.

3. The guardian ad litem shall be provided with all reports relevant to the case made to or by any agency or person, shall have access to all records of such agencies or persons relating to the child or such child's family members or placements of the child, and upon appointment by the court to a case, shall be informed of and have the right to attend any and all family support team meetings involving the child. Employees of the division, officers of the court, and employees of any agency involved shall fully inform the guardian ad litem of all aspects of the case of which they have knowledge or belief.

4. The appointing judge shall require the guardian ad litem to faithfully discharge such guardian ad litem's duties, and upon failure to do so shall discharge such guardian ad litem and appoint another. The appointing judge shall have the authority to examine the general and criminal background of persons appointed as guardians ad litem, including utilization of the family care safety registry and access line pursuant to sections 210.900 to 210.937, to ensure the safety and welfare of the children such persons are appointed to represent. The judge in making appointments pursuant to this section shall give preference to persons who served as guardian ad litem for the child in the earlier proceeding, unless there is a reason on the record for not giving such preference.

5. The guardian ad litem may be awarded a reasonable fee for such services to be set by the court. The court, in its discretion, may award such fees as a judgment to be paid by any party to the proceedings or from public funds. However, no fees as a judgment shall be taxed against a party or parties who have not been found to have abused or neglected a child or children. Such an award of guardian fees shall constitute a final judgment in favor of the guardian ad litem. Such final judgment shall be enforceable against the parties in accordance with chapter 513.

6. The court may designate volunteer advocates, who may or may not be attorneys licensed to practice law, to assist in the performance of the guardian ad litem duties for the court. Nonattorney volunteer advocates shall not provide legal representation. The court shall have the authority to examine the general and criminal background of persons designated as volunteer advocates, including utilization of the family care safety registry and access line pursuant to sections 210.900 to 210.937, to ensure the safety and welfare of the children such persons are designated to represent. The volunteer advocate shall be provided with all reports relevant to the case made to or by any agency or person, shall have access to all records of such agencies or persons relating to the child or such child's family members or placements of the child, and upon designation by the court to a case, shall be informed of and have the right to attend any and all family support team meetings involving the child. Any such designated person shall receive no compensation from public funds. This shall not preclude reimbursement for reasonable expenses.

7. Any person appointed to perform guardian ad litem duties shall have completed a training program in permanency planning and shall advocate for timely court hearings whenever possible to attain permanency for a child as expeditiously as possible to reduce the effects that prolonged foster care may have on a child. A nonattorney volunteer advocate shall have access to a court appointed attorney guardian ad litem should the circumstances of the particular case so require.

8. A guardian ad litem may conduct well-child checks in emergency situations under a court order.

All rulemaking authority delegated prior to August 28, 1999, is of no force and effect and repealed. Nothing in this section shall be interpreted to repeal or affect the validity of any rule filed or adopted prior to August 28, 1999, if it fully complied with all applicable provisions of law. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 1999, shall be invalid and void.

3. Any child-care facility may request a variance from a rule or regulation promulgated pursuant to this section. The request for a variance shall be made in writing to the department of health and senior services and shall include the reasons the facility is requesting the variance. The department shall approve any variance request that does not endanger the health or safety of the children served by the facility. The burden of proof at any appeal of a disapproval of a variance application shall be with the department of health and senior services. 6. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in sections 210.252 to 210.256 shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. All rulemaking authority delegated prior to August 28, 1999, is of no force and effect and repealed. Nothing in this section shall be interpreted to repeal or affect the validity of any rule filed or adopted prior to August 28, 1999, if it fully complied with all applicable provisions of law. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 1999, shall be invalid and void.

210.254. 1. Child-care facilities operated by religious organizations pursuant to the exempt status recognized in subdivision [(4)] (17) of subsection 1 of section 210.211 shall upon enrollment of any child provide the parent or guardian enrolling the child two copies of a notice of parental responsibility, one copy of which shall be retained in the files of the facility after the enrolling parent acknowledges, by signature, having read and accepted the information contained therein.

2. The notice of parental responsibility shall include the following:

(1) Notification that the child-care facility is exempt as a religious organization from state licensing and therefore not inspected or supervised by the department of health and senior services other than as provided herein and that the facility has been inspected by those designated in section 210.252 and is complying with the fire, health and sanitation requirements of sections 210.252 to 210.257;

(2) The names, addresses and telephone numbers of agencies and authorities which inspect the facility for fire, health and safety and the date of the most recent inspection by each;

(3) The staff/child ratios for enrolled children under two years of age, for children ages two to four and for those five years of age and older as required by the department of health and senior services regulations in licensed facilities, the standard ratio of staff to number of children for each age level maintained in the exempt facility, and the total number of children to be enrolled by the facility;

(4) Notification that background checks have been conducted under the provisions of section 210.1080;

(5) The disciplinary philosophy and policies of the child-care facility; and

(6) The educational philosophy and policies of the child-care facility.

3. A copy of notice of parental responsibility, signed by the principal operating officer of the exempt child-care facility and the individual primarily responsible for the religious organization conducting the child-care facility and copies of the annual fire and safety inspections shall be filed annually during the month of August with the department of health and senior services.

210.565. 1. Whenever a child is placed in a foster home and the court has determined pursuant to subsection 4 of this section that foster home placement with relatives is not contrary to the best interest of the child, the children's division shall give foster home placement to relatives of the child. Notwithstanding any rule of the division to the contrary, the children's division shall make diligent efforts to locate the grandparents, adult siblings, and parents of siblings of the child and determine whether they wish to be considered for placement of the child. Grandparents who request consideration shall be given preference and first consideration for foster home placement of the child. If more than one grandparent requests consideration, the family support team shall make recommendations to the juvenile or family court about which grandparent should be considered for placement.

2. As used in this section, the following terms shall mean:

(1) "Adult sibling", any brother or sister of whole or half-blood who is at least eighteen years of age;

(2) "Relative", a grandparent or any other person related to another by blood or affinity or a person who is not so related to the child but has a close relationship with the child or the child's family. The status of a grandparent shall not be affected by the death or the dissolution of the marriage of a son or daughter;

(3) "Sibling", one of two or more individuals who have one or both parents in common through blood, marriage, or adoption, including siblings as defined by the child's tribal code or custom.

3. The following shall be the order or preference for placement of a child under this section:

(1) Grandparents;

(2) Adult siblings or parents of siblings;

(3) Relatives related by blood or affinity within the third degree;

(4) Other relatives; and

(5) Any foster parent who is currently licensed and capable of accepting placement of the child.

4. The preference for placement and first consideration for grandparents or preference for placement with other relatives created by this section shall only apply where the court finds that placement with such grandparents or other relatives is not contrary to the best interest of the child considering all circumstances. If the court finds that it is contrary to the best interest of a child to be placed with grandparents or other relatives, the court shall make specific findings on the record detailing the reasons why the best interests of the child necessitate placement of the child with persons other than grandparents or other relatives.

5. Recognizing the critical nature of sibling bonds for children, the children's division shall make reasonable efforts to place siblings in the same foster care, kinship, guardianship, or adoptive placement, unless doing so would be contrary to the safety or well-being of any of the siblings. If siblings are not placed together, the children's division shall ~~make reasonable efforts to~~ provide frequent visitation or other ongoing interaction between the siblings, unless this interaction would be contrary to a sibling's safety or well-being.

6. The age of the child's grandparent or other relative shall not be the only factor that the children's division takes into consideration when it makes placement decisions and recommendations to the court about placing the child with such grandparent or other relative.

7. For any Native American child placed in protective custody, the children's division shall comply with the placement requirements set forth in 25 U.S.C. Section 1915.

8. A grandparent or other relative may, on a case-by-case basis, have standards for licensure not related to safety waived for specific children in care that would otherwise impede licensing of the grandparent's or relative's home. In addition, any person receiving a preference may be licensed in an expedited manner if a child is placed under such person's care.

9. The guardian ad litem shall ascertain the child's wishes and feelings about his or her placement by conducting an interview or interviews with the child, if appropriate based on the child's age and maturity level, which shall be considered as a factor in placement decisions and recommendations, but shall not supersede the preference for relative placement created by this section or be contrary to the child's best interests.

210.566. 1. (1) The children's division and its contractors, recognizing that foster parents are not clients but rather are colleagues in the child welfare team, shall treat foster parents in a manner consistent with the National Association of Social Workers' ethical standards of conduct as described in its Social Workers' Ethical Responsibilities to Colleagues. Foster parents shall treat the children in their care, the child's birth family and members of the child welfare team in a manner consistent with their ethical responsibilities as professional team members.

(2) The children's division and its contractors shall provide written notification of the rights enumerated in this section at the time ~~of~~ **a child is placed with the prospective foster parent, at** initial licensure, and at the time of each licensure renewal following the initial licensure period.

2. (1) The children's division and its contractors shall provide foster parents with regularly scheduled opportunities for preservice training, and regularly scheduled opportunities for pertinent inservice training, as determined by the Missouri State Foster Care and Adoption Advisory Board.

(2) The children's division and its contractors shall provide to foster parents and potential adoptive parents, prior to placement, all pertinent information, including but not limited to full disclosure of all medical, psychological, and psychiatric conditions of the child, as well as information from previous placements that would indicate that the child or children may have a propensity to cause violence to any member of the foster family home. The foster parents shall be provided with any information regarding the child or the child's family, including but not limited to the case plan, any family history of mental or physical illness, sexual abuse of the child or sexual abuse perpetrated by the child, criminal background of the child or the child's family, fire-setting or other destructive behavior by the child, substance abuse by the child or child's family, or any other information which is pertinent to the care and needs of the child and to protect the foster or adoptive family. **The children's division and its contractors shall provide full access to the child's medical, psychological, and psychiatric records in its possession at the time of placement, including records prior to the child coming into care, at the time the child is placed with a foster parent. After initial placement, the children's division and its contractors shall have a continuing duty and obligation to provide access to such records that come into its possession or of which the division or its contractors become aware. Access shall include providing information and authorization for foster parents to review or to obtain the records directly from the medical, psychological, or psychiatric services provider. A foster parent may decline access to any or all of the child's records.** Knowingly providing false or misleading information to foster parents in order to secure placement shall be denoted in the caseworker's personnel file and shall be kept on record by the division.

(3) The children's division and its contractors shall arrange preplacement visits, except in emergencies.

(5) Foster parents shall be informed in a timely manner by the children's division and its contractors of all team meetings and staffings concerning their licensure status or children placed in their homes, and shall be allowed to participate, consistent with section 210.761.

(6) The children's division and its contractors shall establish reasonably accessible respite care for children in foster care for short periods of time, jointly determined by foster parents and the child's caseworker pursuant to section 210.545. Foster parents shall follow all procedures established by the children's division and its contractors for requesting and using respite care.

(7) Foster parents shall treat all information received from the children's division and its contractors about the child and the child's family as confidential. Information necessary for the medical or psychiatric care of the child may be provided to the appropriate practitioners. Foster parents may share information necessary with school personnel in order to secure a safe and appropriate education for the child. Additionally, foster parents shall share information they may learn about the child and the child's family, and concerns that arise in the care of the child, with the caseworker and other members of the child welfare team. Recognizing that placement changes are difficult for children, foster parents shall seek all necessary information, and participate in preplacement visits whenever possible, before deciding whether to accept a child for placement.

3. (1) Foster parents shall make decisions about the daily living concerns of the child, and shall be permitted to continue the practice of their own family values and routines while respecting the child's cultural heritage. All discipline shall be consistent with state laws and regulations. The children's division shall allow foster parents to help plan visitation between the child and the child's siblings or biological family. Visitations should be scheduled at a time that meets the needs of the child, the biological family members, and the foster family whenever possible. Recognizing that visitation with family members is an important right of children in foster care, foster parents shall be flexible and cooperative with regard to family visits.

(2) Foster parents shall provide care that is respectful of the child's cultural identity and needs. Recognizing that cultural competence can be learned, the children's division and their contractors shall provide foster parents with training that specifically addresses cultural needs of children, including but not limited to, information on skin and hair care, information on any specific religious or cultural practices of the child's biological family, and referrals to community resources for ongoing education and support.

(3) Foster parents shall recognize that the purpose of discipline is to teach and direct the behavior of the child, and ensure that it is administered in a humane and sensitive manner. Foster parents shall use discipline methods which are consistent with children's division policy.

4. (1) Consistent with state laws and regulations, the children's division and its contractors shall provide, upon request by the foster parents, information about a child's progress after the child leaves foster care.

(2) Except in emergencies, foster parents shall be given two weeks advance notice and a written statement of the reasons before a child is removed from their care. When requesting removal of a child from their home, foster parents shall give two weeks advance notice, consistent with division policy, to the child's caseworker, except in emergency situations.

(3) Recognizing the critical nature of attachment for children, if a child reenters the foster care system and is not placed in a relative home, the child's former foster parents shall be given first consideration for placement of the child.

(4) If a child becomes free for adoption while in foster care, the child's foster family shall be given preferential consideration as adoptive parents consistent with section 453.070.

(5) If a foster child becomes free for adoption and the foster parents desire to adopt the child, they shall inform the caseworker within sixty days of the caseworker's initial query. If they do not choose to pursue adoption, foster parents shall make every effort to support and encourage the child's placement in a permanent home, including but not limited to providing information on the history and care needs of the child and accommodating transitional visitation.

5. Foster parents shall be informed by the court no later than two weeks prior to all court hearings pertaining to a child in their care, and informed of their right to attend and participate, consistent with section 211.464.

6. The children's division and their contractors shall provide access to a fair and impartial grievance process to address licensure, case management decisions, and delivery of service issues. Foster parents shall have timely access to the child placement agency's appeals process, and shall be free from acts of retaliation when exercising the right to appeal.

7. The children's division and their contractors shall provide training to foster parents on the policies and procedures governing the licensure of foster homes, the provision of foster care, and the adoption process. Foster parents shall, upon request, be provided with written documentation of the policies of the children's division and their contractors. Per licensure requirements, foster parents shall comply with the policies of the child placement agency.

After the first year, review hearings shall be held as necessary, but in no event less than once every six months for as long as the child is in the custody of the division.

5. At all hearings held pursuant to this section the court may receive testimony and other evidence relevant to the necessity of detaining the child out of the custody of the parents, guardian or custodian.

6. By January 1, 2005, the supreme court shall develop rules regarding the effect of untimely hearings.

7. If the placement of any child in the custody of the children's division will result in the child attending a school other than the school the child was attending when taken into custody:

(1) The child's records from such school shall automatically be forwarded to the school that the child is transferring to upon notification within two business days by the division; or

(2) Upon request of the foster family, the guardian ad litem, or the volunteer advocate and whenever possible, the child shall be permitted to continue to attend the same school that the child was enrolled in and attending at the time the child was taken into custody by the division. The division, in consultation with the department of elementary and secondary education, shall establish the necessary procedures to implement the provisions of this subsection.

8. If a child comes under the court's jurisdiction due to allegations of child abuse or neglect and all children in the home are under three years of age, the court shall:

(1) Conduct monthly hearings on the status of the case;

(2) Support frequent visitation with the child's parents and with the concurrent permanency resource parent if it is in the best interest of the child;

(3) At the hearing on disposition and at each permanency hearing thereafter, enter an order requiring that the parties exercise reasonable efforts to finalize a primary and concurrent permanency plan for each child; and

(4) The Missouri office of the state courts administrator shall develop a plan to be approved by the joint committee on child abuse and neglect by July 1, 2021 for implementation by July 1, 2022.

211.032. 1. Except as otherwise provided in a circuit participating in a pilot project established by the Missouri supreme court, when a child or person seventeen years of age, alleged to be in need of care and treatment pursuant to subdivision (1) of subsection 1 of section 211.031, is taken into custody, the juvenile or family court shall notify the parties of the right to have a protective custody hearing. Such notification shall be in writing.

2. Upon request from any party, the court shall hold a protective custody hearing. Such hearing shall be held within three days of the request for a hearing, excluding Saturdays, Sundays and legal holidays. For circuits participating in a pilot project established by the Missouri supreme court, the parties shall be notified at the status conference of their right to request a protective custody hearing.

3. No later than February 1, 2005, the Missouri supreme court shall require a mandatory court proceeding to be held within three days, excluding Saturdays, Sundays, and legal holidays, in all cases under subdivision (1) of subsection 1 of section 211.031. The Missouri supreme court shall promulgate rules for the implementation of such mandatory court proceedings and may consider recommendations from any pilot projects established by the Missouri supreme court regarding such proceedings. Nothing in this subsection shall prevent the Missouri supreme court from expanding pilot projects prior to the implementation of this subsection.

4. The court shall hold an adjudication hearing no later than sixty days after the child has been taken into custody. The court shall notify the parties in writing of the specific date, time, and place of such hearing. If at such hearing the court determines that sufficient cause exists for the child to remain in the custody of the state, the court shall conduct a dispositional hearing no later than ninety days after the child has been taken into custody and shall conduct review hearings regarding the reunification efforts made by the division every ninety to one hundred twenty days for the first year the child is in the custody of the division. After the first year, review hearings shall be held as necessary, but in no event less than once every six months for as long as the child is in the custody of the division.

5. At all hearings held pursuant to this section the court may receive testimony and other evidence relevant to the necessity of detaining the child out of the custody of the parents, guardian or custodian.

6. By January 1, 2005, the supreme court shall develop rules regarding the effect of untimely hearings.

7. If the placement of any child in the custody of the children's division will result in the child attending a school other than the school the child was attending when taken into custody:

(1) The child's records from such school shall automatically be forwarded to the school that the child is transferring to upon notification within two business days by the division; or

(2) Upon request of the foster family, the guardian ad litem, or the volunteer advocate and whenever possible, the child shall be permitted to continue to attend the same school that the child was enrolled in and attending at the time the child was taken into custody by the division. The division, in consultation with the department of elementary and secondary education, shall establish the necessary procedures to implement the provisions of this subsection.

8. If a child comes under the court's jurisdiction due to allegations of child abuse or neglect and all children in the home are less than three years of age, the court shall:

(1) Conduct monthly hearings on the status of the case;

(2) Support frequent visitation with the child's parents and with the concurrent permanency resource parent if it is in the best interest of the child;

(3) At the hearing on disposition and at each permanency hearing thereafter, enter an order requiring that the parties exercise reasonable efforts to finalize a primary and concurrent permanency plan for each child; and

(4) The Missouri office of the state courts administrator shall develop a plan to be approved by the joint committee on child abuse and neglect by July 1, 2021 for implementation by July 1, 2022.

211.038. 1. A child under the jurisdiction of the juvenile court shall not be reunited with a parent or placed in a home in which the parent or any person residing in the home has been found guilty of **or pled guilty to** any of the following offenses when a child was the victim:

(1) ~~[A felony violation of section 566.030, 566.031, 566.032, 566.060, 566.061, 566.062, 566.064, 566.067, 566.068, 566.069, 566.071, 566.083, 566.100, 566.101, 566.111, 566.151, 566.203, 566.206, 566.209, 566.211, or 566.215;~~

~~_____ (5) A violation of section 573.200;~~

~~_____ (6) A violation of section 573.205; or~~

~~_____ (7) A violation of section 568.175]~~ **Any of the offenses listed in subdivision (4) of subsection 2 of section 211.447;**

~~[(8)]~~ **(2)** A violation of section 566.040, 566.070, or 566.090 as such sections existed prior to August 28, 2013; or

~~[(9)]~~ **(3)** A violation of section 566.212, 568.080, or 568.090 as such sections existed prior to January 1, 2017.

2. For all other **felony** violations of offenses ~~[in chapters 566 and 568]~~ **that would endanger a child** not specifically ~~[listed]~~ **provided** in subsection 1 of this section or for a violation of an offense committed in another state when a child is the victim ~~[that would be a violation of chapter 566 or 568 if committed in Missouri]~~, the juvenile court may exercise its discretion regarding the placement of a child under the jurisdiction of the juvenile court in a home in which a parent or any person residing in the home has been found guilty of, or pled guilty to, any such offense.

3. If the juvenile court determines that a child has abused another child, such abusing child shall be prohibited from returning to or residing in any residence located within one thousand feet of the residence of the abused child, or any child care facility or school that the abused child attends, until the abused child reaches eighteen years of age. The prohibitions of this subsection shall not apply where the alleged abuse occurred between siblings or children living in the same home.

211.171. 1. The procedure to be followed at the hearing shall be determined by the juvenile court judge and may be as formal or informal as he or she considers desirable, consistent with constitutional and statutory requirements. The judge may take testimony and inquire into the habits, surroundings, conditions and tendencies of the child and the family to enable the court to render such order or judgment as will best promote the welfare of the child and carry out the objectives of this chapter.

2. The hearing may, in the discretion of the court, proceed in the absence of the child and may be adjourned from time to time.

3. The current foster ~~[parents]~~ **parent** of a child, or any preadoptive parent or relative currently providing care for the child, shall be provided with notice of, and an opportunity to be heard in, any hearing to be held with respect to ~~[the child, and a foster parent shall have standing]~~ **a child in his or her care** to participate in all court hearings pertaining to a child in their care. **If a foster parent alleges the court failed to allow the foster parent to be heard orally or by submission of correspondence at any hearing regarding a child in their care, the foster parent may seek remedial writ relief pursuant to Missouri supreme court rules 84, 94, and 97. No docket fee shall be required to be paid by the foster parent. The children's division shall not remove a child from placement with a foster parent based solely upon the foster parent's filing of a petition for a remedial writ or while a writ is pending, unless removal is necessary to ensure the health and safety of the child.**

4. **The court shall ensure a child's foster parent has received full access to the child's medical, psychological, and psychiatric records, including prior records, from the children's division and its contractors under section 210.566, by inquiring at the first hearing at which the foster parent is present.**

5. All cases of children shall be heard separately from the trial of cases against adults.

~~[5-]~~ 6. Stenographic notes or an authorized recording of the hearing shall be required if the court so orders or, if requested by any party interested in the proceeding.

~~[6-]~~ 7. The general public shall be excluded and only such persons admitted as have a direct interest in the case or in the work of the court except in cases where the child is accused of conduct which, if committed by an adult, would be considered a class A or B felony; or for conduct which would be considered a class C felony, if the child has previously been formally adjudicated for the commission of two or more unrelated acts which would have been class A, B or C felonies, if committed by an adult.

~~[7-]~~ 8. The practice and procedure customary in proceedings in equity shall govern all proceedings in the juvenile court; except that, the court shall not grant a continuance in such proceedings absent compelling extenuating circumstances, and in such cases, the court shall make written findings on the record detailing the specific reasons for granting a continuance.

~~[8-]~~ 9. The court shall allow the victim of any offense to submit a written statement to the court. The court shall allow the victim to appear before the court personally or by counsel for the purpose of making a statement, unless the court finds that the presence of the victim would not serve justice. The statement shall relate solely to the facts of the case and any personal injuries or financial loss incurred by the victim. A member of the immediate family of the victim may appear personally or by counsel to make a statement if the victim has died or is otherwise unable to appear as a result of the offense committed by the child.

211.183. 1. In juvenile court proceedings regarding the removal of a child from his or her home, the court's order shall include a determination of whether the children's division has made reasonable efforts to prevent or eliminate the need for removal of the child and, after removal, to make it possible for the child to return home. If the first contact with the family occurred during an emergency in which the child could not safely remain at home even with reasonable in-home services, the division shall be deemed to have made reasonable efforts to prevent or eliminate the need for removal.

2. "Reasonable efforts" means the exercise of reasonable diligence and care by the division to utilize all available services related to meeting the needs of the juvenile and the family. In determining reasonable efforts to be made and in making such reasonable efforts, the child's present and ongoing health and safety shall be the paramount consideration.

3. In support of its determination of whether reasonable efforts have been made, the court shall enter findings, including a brief description of what preventive or reunification efforts were made and why further efforts could or could not have prevented or shortened the separation of the family. The division shall have the burden of demonstrating reasonable efforts.

4. The juvenile court may authorize the removal of the child even if the preventive and reunification efforts of the division have not been reasonable, but further efforts could not permit the child to remain at home.

5. Before a child may be removed from the parent, guardian, or custodian of the child by order of a juvenile court, excluding commitments to the division of youth services, the court shall in its orders:

- (1) State whether removal of the child is necessary to protect the child and the reasons therefor;
- (2) Describe the services available to the family before removal of the child, including in-home services;
- (3) Describe the efforts made to provide those services relevant to the needs of the family before the removal of the child;
- (4) State why efforts made to provide family services described did not prevent removal of the child; and
- (5) State whether efforts made to prevent removal of the child were reasonable, based upon the needs of the family and child.

6. If continuation of reasonable efforts, as described in this section, is determined by the division to be inconsistent with establishing a permanent placement for the child, the division shall take such steps as are deemed necessary by the division, including seeking modification of any court order to modify the permanency plan for the child.

7. The division shall not be required to make reasonable efforts, as defined in this section, but has the discretion to make reasonable efforts if a court of competent jurisdiction has determined that:

- (1) The parent has subjected the child **or another child of the parent** to a severe act or recurrent acts of physical, emotional or sexual abuse toward the child, including an act of incest; or
- (2) The parent has:
 - (a) Committed murder of another child of the parent;
 - (b) Committed voluntary manslaughter of another child of the parent;
 - (c) Aided or abetted, attempted, conspired or solicited to commit such a murder or voluntary manslaughter;
- or
- (d) Committed a felony assault that resulted in serious bodily injury to the child or to another child of the parent; or
- (3) The parent's parental rights to a sibling have been involuntarily terminated.

8. If the court determines that reasonable efforts, as described in this section, are not required to be made by the division, the court shall hold a permanency hearing within thirty days after the court has made such determination. The division shall complete whatever steps are necessary to finalize the permanent placement of the child.

9. The division may concurrently engage in reasonable efforts, as described in this section, while engaging in such other measures as are deemed appropriate by the division to establish a permanent placement for the child.

217.779. 1. For purposes of this section, the following terms mean:

- (1) "Community-based sentencing", a sentence to probation as established in chapter 559 that focuses on maintaining the family unit or support of dependent person or persons;

2. A primary caretaker shall not be eligible for a community-based sentence under this section if the offender was convicted of or pled guilty to a felony offense under section 565.021; 565.023; 565.024; 565.027; 565.050; 565.052; 565.054; 565.072; 565.073; 565.074; 565.090; 565.110; 565.115; 565.120; 565.153; 565.156; 565.225; 565.300; 566.030; 566.031; 566.032; 566.034; 566.060; 566.061; 566.062; 566.064; 566.067; 566.068; 566.069; 566.071; 566.083; 566.086; 566.100; 566.101; 566.103; 566.111; 566.115; 566.145; 566.151; 566.153; 566.203; 566.206; 566.209; 566.210; 566.211; 566.215; 568.020; 568.030; 568.045; 568.060; 568.065; 568.175; 569.040; 569.160; 570.023; 570.025; 570.030 if punished as a class A, B, or C felony; 570.145 if punished as a class A or B felony; 570.223 if punished as a class B or C felony; 571.020; 571.030; 571.070; 573.023; 573.025; 573.035; 573.037; 573.200; 573.205; 574.070; 574.080; 574.115; 575.030; 575.150; 575.153; 575.155; 575.157; 575.200 if punished as a class A felony; 575.210; 575.230 if punished as a class B felony; 575.240 if punished as a class B felony; 576.070; 576.080; 577.010; 577.013; 577.078; 577.703; 577.706; 579.065; or 579.068 if punished as a class A or B felony.

3. (1) Prior to sentencing and by oral or written motion of either party or the court, the court shall determine whether an offender is eligible for a community-based sentence under this section. An offender shall be eligible if:

- (a) The offender is a primary caretaker of a dependent person; and
- (b) The offender did not commit an offense against the dependent person.

(2) If the court determines that an offender who has pleaded guilty to or been found guilty of an offense not listed under subsection 2 of this section and is a primary caretaker of a dependent person, the court may impose an individually assessed, community-based sentence, rather than incarceration, with the goal of rehabilitation and family unity and support.

(3) Requirements for a community-based sentence shall include:

- (a) That the primary caretaker is actively caring for the dependent;
- (b) That the court of the county of the violation or arrest shall have original jurisdiction while the offender completes his or her community-based sentence;
- (c) That any sentence or treatment issued by the court shall allow the offender to remain as close as possible to his or her dependent; and

(d) That the offender completes a community corrections program pursuant to section 217.777. Conditions of the community corrections program may include telephone check-ins or face-to-face meetings with the department of corrections personnel, contractor, or designee to evaluate the offender's compliance with conditions.

(4) If determining conditions of a community-based sentence, a judge shall consider the importance to the family of the offender maintaining employment.

(5) The court may modify or revoke the community-based sentence or the conditions of the sentence, including:

- (a) Decreasing the duration of the sentence imposed;
- (b) Requiring the offender to serve a term of confinement within the range of the offense for which the offender was originally convicted; or

(b) The parent has, ~~[without good cause, left the child without any provision for parental support and without making arrangements to visit or communicate with the child, although able to do so]~~ **for a period of six months immediately prior to the filing of the petition for termination of parental rights, willfully, substantially, and continuously neglected to provide the child with necessary care and protection;**

(2) The child has been abused or neglected. In determining whether to terminate parental rights pursuant to this subdivision, the court shall consider and make findings on the following conditions or acts of the parent:

(a) A mental condition which is shown by competent evidence either to be permanent or such that there is no reasonable likelihood that the condition can be reversed and which renders the parent unable to knowingly provide the child the necessary care, custody and control;

(b) Chemical dependency which prevents the parent from consistently providing the necessary care, custody and control of the child and which cannot be treated so as to enable the parent to consistently provide such care, custody and control;

(c) A severe act or recurrent acts of physical, emotional or sexual abuse toward the child or any child in the family by the parent, including an act of incest, or by another under circumstances that indicate that the parent knew or should have known that such acts were being committed toward the child or any child in the family; or

(d) Repeated or continuous failure by the parent, although physically or financially able, to provide the child with adequate food, clothing, shelter, or education as defined by law, or other care and control necessary for the child's physical, mental, or emotional health and development.

Nothing in this subdivision shall be construed to permit discrimination on the basis of disability or disease;

(3) The child has been under the jurisdiction of the juvenile court for a period of one year, and the court finds that the conditions which led to the assumption of jurisdiction still persist, or conditions of a potentially harmful nature continue to exist, that there is little likelihood that those conditions will be remedied at an early date so that the child can be returned to the parent in the near future, or the continuation of the parent-child relationship greatly diminishes the child's prospects for early integration into a stable and permanent home. In determining whether to terminate parental rights under this subdivision, the court shall consider and make findings on the following:

(a) The terms of a social service plan entered into by the parent and the division and the extent to which the parties have made progress in complying with those terms;

(b) The success or failure of the efforts of the juvenile officer, the division or other agency to aid the parent on a continuing basis in adjusting his circumstances or conduct to provide a proper home for the child;

(c) A mental condition which is shown by competent evidence either to be permanent or such that there is no reasonable likelihood that the condition can be reversed and which renders the parent unable to knowingly provide the child the necessary care, custody and control;

(d) Chemical dependency which prevents the parent from consistently providing the necessary care, custody and control over the child and which cannot be treated so as to enable the parent to consistently provide such care, custody and control; or

(4) The child was conceived and born as a result of an act of ~~[forcible] rape [or rape in the first degree. When the biological father has pled guilty to, or is convicted of, the forcible rape or rape in the first degree of the birth mother, such a plea or conviction shall be conclusive evidence supporting the termination of the biological father's parental rights];~~ or

(5) (a) The parent is unfit to be a party to the parent and child relationship because of a consistent pattern of committing a specific abuse including, but not limited to, specific conditions directly relating to the parent and child relationship which are determined by the court to be of a duration or nature that renders the parent unable for the reasonably foreseeable future to care appropriately for the ongoing physical, mental, or emotional needs of the child.

(b) It is presumed that a parent is unfit to be a party to the parent and child relationship upon a showing that:

a. Within a three-year period immediately prior to the termination adjudication, the parent's parental rights to one or more other children were involuntarily terminated pursuant to subsection 2 or 4 of this section or subdivision (1), (2), or (3) of this subsection or similar laws of other states;

b. If the parent is the birth mother and within eight hours after the child's birth, the child's birth mother tested positive and over eight-hundredths of one percent blood alcohol content pursuant to testing under section 577.020 for alcohol, or tested positive for cocaine, heroin, methamphetamine, a controlled substance as defined in section 195.010, or a prescription drug as defined in section 196.973, excepting those controlled substances or prescription drugs present in the mother's body as a result of medical treatment administered to the mother, and the birth mother is the biological mother of at least one other child who was adjudicated an abused or neglected minor by the mother or the mother has previously failed to complete recommended treatment services by the children's division through a family-centered services case;

c. If the parent is the birth mother and at the time of the child's birth or within eight hours after a child's birth the child tested positive for alcohol, cocaine, heroin, methamphetamine, a controlled substance as defined in section 195.010, or a prescription drug as defined in section 196.973, excepting those controlled substances or prescription drugs present in the mother's body as a result of medical treatment administered to the mother, and the birth mother is the biological mother of at least one other child who was adjudicated an abused or neglected minor by the mother or the mother has previously failed to complete recommended treatment services by the children's division through a family-centered services case; ~~or~~

d. Within a three-year period immediately prior to the termination adjudication, the parent has pled guilty to or has been convicted of a felony involving the possession, distribution, or manufacture of cocaine, heroin, or methamphetamine, and the parent is the biological parent of at least one other child who was adjudicated an abused or neglected minor by such parent or such parent has previously failed to complete recommended treatment services by the children's division through a family-centered services case; **or**

e. For at least fifteen of the twenty-two months prior to the filing of the petition, the child has been in an out-of-home placement.

6. The juvenile court may terminate the rights of a parent to a child upon a petition filed by the **guardian ad litem**, juvenile officer, or the division, or in adoption cases, by a prospective parent, if the court finds that the termination is in the best interest of the child and when it appears by clear, cogent and convincing evidence that grounds exist for termination pursuant to subsection 2, 4 or 5 of this section.

7. When considering whether to terminate the parent-child relationship pursuant to subsection 2 or 4 of this section or subdivision (1), (2), or (3) of subsection 5 of this section, the court shall evaluate and make findings on the following factors, when appropriate and applicable to the case:

- (1) The emotional ties to the birth parent;
- (2) The extent to which the parent has maintained regular visitation or other contact with the child;
- (3) The extent of payment by the parent for the cost of care and maintenance of the child when financially able to do so including the time that the child is in the custody of the division or other child-placing agency;
- (4) Whether additional services would be likely to bring about lasting parental adjustment enabling a return of the child to the parent within an ascertainable period of time;
- (5) The parent's disinterest in or lack of commitment to the child;
- (6) The conviction of the parent of a felony offense that the court finds is of such a nature that the child will be deprived of a stable home for a period of years; provided, however, that incarceration in and of itself shall not be grounds for termination of parental rights;
- (7) Deliberate acts of the parent or acts of another of which the parent knew or should have known that subjects the child to a substantial risk of physical or mental harm.

8. The court may attach little or no weight to infrequent visitations, communications, or contributions. It is irrelevant in a termination proceeding that the maintenance of the parent-child relationship may serve as an inducement for the parent's rehabilitation.

9. In actions for adoption pursuant to chapter 453, the court may hear and determine the issues raised in a petition for adoption containing a prayer for termination of parental rights filed with the same effect as a petition permitted pursuant to subsection 2, 4, or 5 of this section.

10. The disability or disease of a parent shall not constitute a basis for a determination that a child is a child in need of care, for the removal of custody of a child from the parent, or for the termination of parental rights without a specific showing that there is a causal relation between the disability or disease and harm to the child.

11. A court of competent jurisdiction may terminate the parental rights of a biological father of a child if he is an alleged perpetrator of forcible rape under section 566.030 as it existed prior to August 28, 2013, or rape in the first degree under section 566.030 that resulted in the conception and birth of the child. The biological mother who is the victim of ~~[the forcible] rape [or rape in the first degree]~~ **that resulted in the conception and birth of the child** or, if she is a minor, someone on her behalf may file a petition to terminate the parental rights of the biological father. The court may terminate the parental rights of the biological father if the court finds that by:

- (1) Clear, cogent, and convincing evidence the biological father committed the act of ~~[forcible] rape [or rape in the first degree]~~ against the biological mother;
- (2) Clear, cogent, and convincing evidence the child was conceived as a result of that act of ~~[forcible] rape [or rape in the first degree]~~; and
- (3) The preponderance of the evidence the termination of the parental rights of the biological father is in the best interests of the child.

12. In any action to terminate the parental rights of the biological father under subsection 11 of this section or subdivision (5) of subsection 5 of this section, a court of competent jurisdiction may order that the mother and the child conceived and born as a result of ~~[forcible] rape [or rape in the first degree]~~ are entitled to obtain from the biological father certain payments, support, beneficiary designations, or other financial benefits. The court shall issue such order only if the mother gives her consent; provided, that the court shall first inform the mother that such order may require or obligate the mother to have continuous or future communication and contact with the biological father. Such order shall be issued without the biological father being entitled to or granted any custody, guardianship, visitation privileges, or other parent-child relationship, and may include any or all of the following:

- (1) Payment for the reasonable expenses of the mother or the child, or both, related to pregnancy, labor, delivery, postpartum care, newborn care, or early childhood care;
- (2) Child support under this chapter or chapter 210, 452, or 454;
- (3) All rights of the child to inherit under the probate code, as defined in section 472.010; provided that, for purposes of intestate succession, the biological father or his kindred shall have no right to inherit from or through the child;
- (4) The designation of the child as the beneficiary of a life or accidental death insurance policy, annuity, contract, plan, or other product sold or issued by a life insurance company; or
- (5) Any other payments, support, beneficiary designations, or financial benefits that are in the best interests of the child or for the reasonable expenses of the mother, or both.

If the mother declines to seek a court order for child support under this subsection, no state agency shall require the mother to do so in order to receive public assistance benefits for herself or the child, including, but not limited to, benefits for temporary assistance for needy families, supplemental nutrition assistance program, or MO HealthNet. The court order terminating the parental rights of the biological father under subdivision (5) of subsection 5 of this section or subsection 11 of this section shall serve as a sufficient basis for a good cause or other exemptions under 42 U.S.C. Section 654(29) and the state agency shall not require the mother or the child to otherwise provide the identity, location, income, or assets of the biological father or have contact or communicate with the biological father. However, nothing in this subsection shall prohibit a state agency from requesting that the mother assign any child support rights she receives under this subsection to the state as a condition of receipt of public assistance benefits under applicable federal and state law.

453.030. 1. In all cases the approval of the court of the adoption shall be required and such approval shall be given or withheld as the welfare of the person sought to be adopted may, in the opinion of the court, demand.

2. The written consent of the person to be adopted shall be required in all cases where the person sought to be adopted is fourteen years of age or older, except where the court finds that such child has not sufficient mental capacity to give the same. In a case involving a child under fourteen years of age, the guardian ad litem shall ascertain the child's wishes and feelings about his or her adoption by conducting an interview or interviews with the child, if appropriate based on the child's age and maturity level, which shall be considered by the court as a factor in determining if the adoption is in the child's best interests.

3. With the exceptions specifically enumerated in section 453.040, when the person sought to be adopted is under the age of eighteen years, the written consent of the following persons shall be required and filed in and made a part of the files and record of the proceeding:

- (1) The mother of the child;
- (2) Any man who:

(a) Is presumed to be the father pursuant to subdivision (1), (2), or (3) of subsection 1 of section 210.822; or

(b) Has filed an action to establish his paternity in a court of competent jurisdiction no later than fifteen days after the birth of the child and has served a copy of the petition on the mother in accordance with section 506.100; or

(c) Filed with the putative father registry pursuant to section 192.016 a notice of intent to claim paternity or an acknowledgment of paternity either prior to or within fifteen days after the child's birth, and has filed an action to establish his paternity in a court of competent jurisdiction no later than fifteen days after the birth of the child; and

(3) The child's current adoptive parents or other legally recognized mother and father.

Upon request by the petitioner and within one business day of such request, the clerk of the local court shall verify whether such written consents have been filed with the court.

4. The written consent required in subdivisions (2) and (3) of subsection 3 of this section may be executed before or after the birth of the child or before or after the commencement of the adoption proceedings, and shall be executed in front of a judge or acknowledged before a notary public. If consent is executed in front of a judge, it shall be the duty of the judge to advise the consenting birth parent of the consequences of the consent. In lieu of such acknowledgment, the signature of the person giving such written consent shall be witnessed by the signatures of at least two adult persons whose signatures and addresses shall be plainly written thereon. The two adult witnesses shall not be the prospective adoptive parents or any attorney representing a party to the adoption proceeding other than the attorney representing the party signing the consent. The notary public or witnesses shall verify the identity of the party signing the consent. Notwithstanding any other provision of law to the contrary, a properly executed written consent under this subsection shall be considered irrevocable.

5. The written consent required in subdivision (1) of subsection 3 of this section by the birth mother shall not be executed anytime before the child is forty-eight hours old. Such written consent shall be executed in front of a judge or acknowledged before a notary public. If consent is executed in front of a judge, it shall be the duty of the judge to advise the consenting party of the consequences of the consent. In lieu of acknowledgment before a notary public, the signature of the person giving such written consent shall be witnessed by the signatures of at least two adult persons who are present at the execution whose signatures and addresses shall be plainly written thereon and who determine and certify that the consent is knowingly and freely given. The two adult witnesses shall not be the prospective adoptive parents or any attorney representing a party to the adoption proceeding other than the attorney representing the party signing the consent. The notary public or witnesses shall verify the identity of the party signing the consent.

6. A consent is final when executed, unless the consenting party, prior to a final decree of adoption, alleges and proves by clear and convincing evidence that the consent was not freely and voluntarily given. The burden of proving the consent was not freely and voluntarily given shall rest with the consenting party. Consents in all cases shall have been executed not more than six months prior to the date the petition for adoption is filed.

7. A consent form shall be developed through rules and regulations promulgated by the department of social services. No rule or portion of a rule promulgated under the authority of this section shall become effective unless it has been promulgated pursuant to the provisions of chapter 536. If a written consent is obtained after August 28, 1997, but prior to the development of a consent form by the department and the written consent complies with the provisions of subsection 8 of this section, such written consent shall be deemed valid.

8. However, the consent form must specify that:

(1) The birth parent understands the importance of identifying all possible fathers of the child and may provide the names of all such persons; and

(2) The birth parent understands that if he denies paternity, but consents to the adoption, he waives any future interest in the child.

9. The written consent to adoption required by subsection 3 and executed through procedures set forth in subsection 5 of this section shall be valid and effective even though the parent consenting was under eighteen years of age, if such parent was represented by a guardian ad litem, at the time of the execution thereof.

10. Where the person sought to be adopted is eighteen years of age or older, his or her written consent alone to his or her adoption shall be sufficient.

11. A birth parent, including a birth parent less than eighteen years of age, shall have the right to legal representation and payment of any reasonable legal fees incurred throughout the adoption process. In addition, the court may appoint an attorney to represent a birth parent if:

(1) **The court determines that a birth parent is in need of representation by counsel** or a birth parent requests **such** representation;

(2) The court finds that hiring an attorney to represent such birth parent would cause a financial hardship for the birth parent; and

(3) The birth parent is not already represented by counsel.

12. ~~[Except in cases where the court determines that the adoptive parents are unable to pay reasonable attorney fees and appoints pro bono counsel for the birth parents, the court shall order the costs of the attorney fees incurred pursuant to subsection 11 of this section to be paid by the prospective adoptive parents or the child placing agency.]~~

~~13.]~~ The court shall receive and acknowledge a written consent to adoption properly executed by a birth parent under this section when such consent is in the best interests of the child.

453.040. The consent to the adoption of a child is not required of:

(1) A parent whose rights with reference to the child have been terminated pursuant to law, including section 211.444 or section 211.447 or other similar laws in other states;

(2) A parent of a child who has legally consented to a future adoption of the child;

(3) A parent whose identity is unknown and cannot be ascertained at the time of the filing of the petition;

(4) A man who has not been established to be the father and who is not presumed by law to be the father, and who, after the conception of the child, executes a verified statement denying paternity and disclaiming any interest in the child and acknowledging that this statement is irrevocable when executed and follows the consent as set forth in section 453.030;

(5) A parent or other person who has not executed a consent and who, after proper service of process, fails to file an answer or make an appearance in a proceeding for adoption or for termination of parental rights at the time such cause is heard;

(6) A parent who has a mental condition which is shown by competent evidence either to be permanent or such that there is no reasonable likelihood that the condition can be reversed and which renders the parent unable to knowingly provide the child the necessary care, custody and control;

(7) A parent who has for a period of at least six months, for a child ~~[one year]~~ **three years** of age or older, or at least sixty days, for a child under ~~[one year]~~ **three years** of age, immediately prior to the filing of the petition for adoption, ~~[willfully abandoned the child or, for a period of at least six months immediately prior to the filing of the petition for adoption,]~~ willfully, substantially, and continuously neglected to provide ~~[him]~~ **the child** with necessary care and protection;

(8) A parent whose rights to the child may be terminated for any of the grounds set forth in section 211.447 and whose rights have been terminated after hearing and proof of such grounds as required by sections 211.442 to 211.487. Such petition for termination may be filed as a count in an adoption petition.

453.080. 1. The court shall conduct a hearing to determine whether the adoption shall be finalized. If their attorney appears in person, out-of-state adoptive petitioners may appear by video conference. During such hearing, the court shall ascertain whether:

(1) The person sought to be adopted, if a child, has been in the lawful and actual custody of the petitioner for a period of at least six months prior to entry of the adoption decree; except that the six-month period may be waived if the person sought to be adopted is a child who is under the prior and continuing jurisdiction of a court pursuant to chapter 211 and the person desiring to adopt the child is the child's current foster parent. Lawful and actual custody shall include a transfer of custody pursuant to the laws of this state, another state, a territory of the United States, or another country;

(2) The court has received and reviewed a postplacement assessment on the monthly contacts with the adoptive family pursuant to section 453.077, except for good cause shown in the case of a child adopted from a foreign country;

(3) The court has received and reviewed an updated financial affidavit;

(4) The court has received the recommendations of the guardian ad litem and has received and reviewed the recommendations of the person placing the child, the person making the assessment and the person making the postplacement assessment;

(5) There is compliance with the Indian Child Welfare Act, if applicable;

(6) There is compliance with the Interstate Compact on the Placement of Children pursuant to section 210.620; and

(7) It is fit and proper that such adoption should be made **and that the adoption is in the best interests of the child.**

2. If a petition for adoption has been filed pursuant to section 453.010 and a transfer of custody has occurred pursuant to section 453.110, the court may authorize the filing for finalization in another state if the adoptive parents are domiciled in that state.

3. If the court determines the adoption should be finalized, a decree shall be issued setting forth the facts and ordering that from the date of the decree the adoptee shall be for all legal intents and purposes the child of the petitioner or petitioners. The court may decree that the name of the person sought to be adopted be changed, according to the prayer of the petition.

4. Before the completion of an adoption, the exchange of information among the parties shall be at the discretion of the parties. Prospective adoptive parents and birth parents may enter into a written post adoption contact agreement to allow contact, communication, and the exchange of photographs after the adoption between the adoptive parents and the birth parents. The court shall not order any party to enter into a post adoption contact agreement. The agreement shall be filed with and approved by the court at or before the finalization of the adoption. The court shall approve an agreement only if the agreement is in the best interests of the child. The court may enforce or modify an agreement made under this subsection unless such enforcement or modification is not in the best interests of the child. The agreement shall include:

(1) An acknowledgment by the birth parents that the adoption is irrevocable, even if the adoptive parents do not abide by the post adoption contact agreement;

(2) An acknowledgment by the adoptive parents that the agreement grants the birth parents the right to seek to enforce the provisions of the post adoption contact agreement. Remedies for a breach of the agreement shall include specific performance of the terms of the agreement; provided, that nothing in the agreement shall preclude a party seeking to enforce the agreement from utilizing child welfare mediation before, or in addition to, the commencement of a civil action for specific enforcement;

(3) An acknowledgment that the post adoption contact agreement shall be filed with and approved by the court in order to be enforceable; and

(4) An acknowledgment that the birth parents' consent to the adoption was not conditioned on the post adoption contact agreement and that acceptance of the agreement is fully voluntary.

Upon completion of an adoption, further contact among the parties shall be at the discretion of the adoptive parents or in accordance with a post adoption contact agreement executed under this subsection. The court shall not have jurisdiction to deny an exchange of identifying information between an adoptive parent and a birth parent.

5. Before the completion of an adoption, the court shall make available to the birth parent or parents a contact preference form developed by the state registrar pursuant to section 193.128 and provided to the court by the department of health and senior services. If a birth parent chooses to complete the form, the clerk of the court shall send the form with the certificate of decree of adoption to the state registrar. Such form shall accompany the original birth certificate of the adopted person and may be updated by a birth parent at any time upon the request of the birth parent.

453.121. 1. As used in this section, unless the context clearly indicates otherwise, the following terms mean:

- (1) "Adopted adult", any adopted person who is eighteen years of age or over;
- (2) "Adopted child", any adopted person who is less than eighteen years of age;
- (3) "Adult sibling", any brother or sister of the whole or half blood who is eighteen years of age or over;
- (4) "Biological parent", the natural and biological mother or father of the adopted child;
- (5) "Identifying information", **individually identifying information [which includes the name, date of birth, place of birth and last known address of the biological parent] for or about a unique individual, including information likely to disclose the contact information, location, or identity of such individual;**
- (6) "Lineal descendant", ~~[a legal descendant of a person]~~ as defined in section 472.010;
- (7) "Nonidentifying information", ~~information [concerning the physical description, nationality, religious background and medical history of the biological parent or sibling]~~ **that is not identifying information.**

2. All papers, records, and information pertaining to an adoption whether part of any permanent record or file may be disclosed only in accordance with this section.

3. Nonidentifying information, if known, concerning undisclosed biological parents or siblings shall be furnished by the child-placing agency or the juvenile court to the adoptive parents, legal guardians, adopted adult or the adopted adult's lineal descendants if the adopted adult is deceased, upon written request therefor.

4. An adopted adult, or the adopted adult's lineal descendants if the adopted adult is deceased, may make a written request to the circuit court having original jurisdiction of such adoption to secure and disclose information identifying the adopted adult's biological parents. If the biological parents have consented to the release of

identifying information under subsection 8 of this section, the court shall disclose such identifying information to the adopted adult or the adopted adult's lineal descendants if the adopted adult is deceased. If the biological parents have not consented to the release of identifying information under subsection 8 of this section, the court shall, within ten days of receipt of the request, notify in writing the child-placing agency or juvenile court personnel having access to the information requested of the request by the adopted adult or the adopted adult's lineal descendants.

5. Within three months after receiving notice of the request of the adopted adult, or the adopted adult's lineal descendants, the child-placing agency or the juvenile court personnel shall make reasonable efforts to notify the biological parents of the request of the adopted adult or the adopted adult's lineal descendants. The child-placing agency or juvenile court personnel may charge actual costs to the adopted adult or the adopted adult's lineal descendants for the cost of making such search. All communications under this subsection are confidential. For purposes of this subsection, "notify" means a personal and confidential contact with the biological parent of the adopted adult, which initial contact shall be made by an employee of the child-placing agency which processed the adoption, juvenile court personnel or some other licensed child-placing agency designated by the child-placing agency or juvenile court. Nothing in this section shall be construed to permit the disclosure of communications privileged pursuant to section 491.060. At the end of three months, the child-placing agency or juvenile court personnel shall file a report with the court stating that each biological parent that was located was given the following information:

- (1) The nature of the identifying information to which the agency has access;
- (2) The nature of any nonidentifying information requested;
- (3) The date of the request of the adopted adult or the adopted adult's lineal descendants;
- (4) The right of the biological parent to file an affidavit with the court stating that the identifying information should be disclosed;
- (5) The effect of a failure of the biological parent to file an affidavit stating that the identifying information should be disclosed.

6. If the child-placing agency or juvenile court personnel reports to the court that it has been unable to notify the biological parent within three months, the identifying information shall not be disclosed to the adopted adult or the adopted adult's lineal descendants. Additional requests for the same or substantially the same information may not be made to the court within one year from the end of the three-month period during which the attempted notification was made, unless good cause is shown and leave of court is granted.

7. If, within three months, the child-placing agency or juvenile court personnel reports to the court that it has notified the biological parent pursuant to subsection 5 of this section, the court shall receive the identifying information from the child-placing agency. If an affidavit duly executed by a biological parent authorizing the release of information is filed with the court or if a biological parent is found to be deceased, the court shall disclose the identifying information as to that biological parent to the adopted adult or the adopted adult's lineal descendants if the adopted adult is deceased, provided that the other biological parent either:

- (1) Is unknown;
- (2) Is known but cannot be found and notified pursuant to subsection 5 of this section;
- (3) Is deceased; or
- (4) Has filed with the court an affidavit authorizing release of identifying information.

If the biological parent fails or refuses to file an affidavit with the court authorizing the release of identifying information, then the identifying information shall not be released to the adopted adult. No additional request for the same or substantially the same information may be made within three years of the time the biological parent fails or refuses to file an affidavit authorizing the release of identifying information.

8. Notwithstanding any provision of law, all information, including identifying information, shall be released to an adopted adult if the adopted adult's biological parent lost his or her parental rights through a nonconsensual termination of parental rights proceeding.

9. Any adopted adult whose adoption was finalized in this state or whose biological parents had their parental rights terminated in this state may request the court to secure and disclose identifying information concerning an adult sibling. Identifying information pertaining exclusively to the adult sibling, whether part of the permanent record of a file in the court or in an agency, shall be released only upon consent of that adult sibling.

[9-] 10. The central office of the children's division within the department of social services shall maintain a registry by which biological parents, adult siblings, and adoptive adults may indicate their desire to be contacted by each other. The division may request such identification for the registry as a party may possess to assure positive

identifications. At the time of registry, a biological parent or adult sibling may consent in writing to the release of identifying information to an adopted adult. If such a consent has not been executed and the division believes that a match has occurred on the registry between biological parents or adult siblings and an adopted adult, an employee of the division shall make the confidential contact provided in subsection 5 of this section with the biological parents or adult siblings and with the adopted adult. If the division believes that a match has occurred on the registry between one biological parent or adult sibling and an adopted adult, an employee of the division shall make the confidential contact provided by subsection 5 of this section with the biological parent or adult sibling. The division shall then attempt to make such confidential contact with the other biological parent, and shall proceed thereafter to make such confidential contact with the adopted adult only if the division determines that the other biological parent meets one of the conditions specified in subsection 7 of this section. The biological parent, adult sibling, or adopted adult may refuse to go forward with any further contact between the parties when contacted by the division.

~~[10-]~~ **11.** The provisions of this section, except as provided in subsection 5 of this section governing the release of identifying and nonidentifying adoptive information apply to adoptions completed before and after August 13, 1986.

~~[11-]~~ **12.** All papers, records, and information known to or in the possession of an adoptive parent or adoptive child that pertain to an adoption, regardless of whether part of any permanent record or file, may be disclosed by the adoptive parent or adoptive child. The provisions of this subsection shall not be construed to create a right to have access to information not otherwise allowed under this section.

453.350. 1. Beginning July 1, 2014, all Missouri foster children fifteen years of age or older shall receive a visit to a Missouri state university or a Missouri state community or technical college in the foster child's area or an armed services recruiter before the foster child may be adopted or otherwise terminated by foster care unless waived by the family support team. Such visit shall be in addition to any other services that older youth are usually provided and shall include the entry application process, financial support application and availability, career options with academic or technical training, a tour of the school, and other information and experience desired.

2. Beginning July 1, 2014, all youth fifteen years of age or older in the division of youth services program shall receive a visit to a Missouri state university or a Missouri state community or technical college in the youth's area or an armed services recruiter before the youth's custody or training is completed unless waived by the family support team. Such visit shall be in addition to any other services that older youth are usually provided and shall include the entry application process, financial support application and availability, career options with academic or technical training, a tour of the school, and other information and experience desired.

3. (22) By January 1, 1988, the department of social services and the department of health and senior services shall study all significant aspects of presumptive eligibility for pregnant women and submit a joint report on the subject, including projected costs and the time needed for implementation, to the general assembly. JOURNAL OF THE HOUSE

Second Regular Session, 100th GENERAL ASSEMBLY

THIRTY-SEVENTH DAY, WEDNESDAY, MARCH 11, 2020

The House met pursuant to adjournment.

Speaker Haahr in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

He has showed you, O man, what is good; and what does the Lord require of you, but to do justly, and to love mercy, and to walk humbly with our God? (Micah 6:8)

O Loving God, whose will it is that we do justly, love mercy, and walk humbly with You, grant to us as we wait upon You the great confidence to do what we ought to do, the intense courage not to do what we ought not to do, and the enlightened wisdom to see our way clearly. Deliver us and our state from division, disunity and disease. May we find our center and our unity in You. Give to each one of us the consciousness of Your presence and the continual strength of Your Spirit and the constant awareness of our duty to lead our people in the ways of freedom, justice and peace.

Help us, as we begin again, to keep our faith in You, and may this session keep us walking in the ways of Your commandments all the days of our lives, here in the People's House.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Fred Hagaman, Owen Plocher, and Stella Plocher.

The Journal of the thirty-sixth day was approved as printed by the following vote:

(4) Beginning January 1, 2013, the rate of interest payable by a banking institution on up to one million dollars of time deposits of state moneys shall be the same as the average rate paid during the week next preceding the week in which the deposit was made for United States of America treasury securities maturing and becoming payable closest to the time of termination of the deposit, as determined by the state treasurer, adjusted to the nearest

one-tenth of a percent. In the case of a banking institution that holds more than one million dollars of time deposits of state moneys, the rate of interest payable on deposits in excess of one million dollars of time deposits of state moneys shall be set at the market rate as determined in subsection 6 of this section;

The process for determining a market rate shall include due consideration of prevailing rates offered for certificates of deposit by well-capitalized Missouri financial institutions, the advance rate established by the Federal Home Loan Bank of Des Moines for member institutions and the costs of collateralization, as well as an evaluation of the credit risk associated with other authorized securities under Section 15, Article IV, of the Missouri Constitution, **or any other calculation determined by the state treasurer based on current market investment indicators**. Banking institutions may also offer a higher rate than the market rate for any time deposit placed with the state treasurer in excess of the total amount of state moneys set at the United States of America treasury securities maturing and becoming payable closest to the time of termination of the deposit indicated in subdivisions (1) to (5) of subsection 4 of this section.

7. Within the parameters of the state treasurer's written investment policy, the state treasurer may subscribe for or purchase outright or by repurchase agreement investments of the character described in subsection 3 of this section which the treasurer, in the exercise of the treasurer's best judgment, believes to be the best for investment of state moneys at the time and in payment therefor may withdraw moneys from any bank account, demand or time, maintained by the treasurer without having any supporting warrant of the commissioner of administration. The state treasurer may bid on subscriptions for such obligations in accordance with the treasurer's best judgment. The state treasurer shall provide for the safekeeping of all such obligations so acquired in the same manner that securities pledged to secure the repayment of state moneys deposited in banking institutions are kept by the treasurer pursuant to law. The state treasurer may hold any such obligation so acquired by the treasurer until its maturity or prior thereto may sell the same outright or by reverse repurchase agreement provided the state's security interest in the underlying security is perfected or temporarily exchange such obligation for cash or other authorized securities of at least equal market value with no maturity more than one year beyond the maturity of any of the traded obligations, for a negotiated fee as the treasurer, in the exercise of the treasurer's best judgment, deems necessary or advisable for the best interest of the people of the state of Missouri in the light of the circumstances at the time prevailing. The state treasurer may pay all costs and expenses reasonably incurred by the treasurer in connection with the subscription, purchase, sale, collection, safekeeping or delivery of all such obligations at any time acquired by the treasurer.

8. As used in this chapter, except as more particularly specified in section 30.270, obligations of the United States shall include securities of the United States Treasury, and United States agencies or instrumentalities as described in Section 15, Article IV, Constitution of Missouri. The word "temporarily" as used in this section shall mean no more than six months.

30.753. 1. The state treasurer may invest in linked deposits; however, the total amount so deposited at any one time shall not exceed, in the aggregate, ~~[seven hundred twenty]~~ **eight hundred** million dollars. No more than three hundred thirty million dollars of the aggregate deposit shall be used for linked deposits to eligible farming operations, eligible locally owned businesses, eligible agribusinesses, eligible beginning farmers, eligible livestock operations, and eligible facility borrowers, no more than one hundred ~~[ten]~~ **ninety** million of the aggregate deposit shall be used for linked deposits to small businesses, no more than twenty million dollars shall be used for linked deposits to eligible multitenant development enterprises, and no more than twenty million dollars of the aggregate deposit shall be used for linked deposits to eligible residential property developers and eligible residential property owners, no more than two hundred twenty million dollars of the aggregate deposit shall be used for linked deposits to eligible job enhancement businesses and no more than twenty million dollars of the aggregate deposit shall be used for linked deposit loans to eligible water systems. Linked deposit loans may be made to eligible student borrowers, eligible alternative energy operations, eligible alternative energy consumers, and eligible governmental entities from the aggregate deposit. If demand for a particular type of linked deposit exceeds the initial allocation, and funds initially allocated to another type are available and not in demand, the state treasurer may commingle allocations among the types of linked deposits.

2. The minimum deposit to be made by the state treasurer to an eligible lending institution for eligible job enhancement business loans shall be ninety thousand dollars. Linked deposit loans for eligible job enhancement businesses may be made for the purposes of assisting with relocation expenses, working capital, interim construction, inventory, site development, machinery and equipment, or other expenses necessary to create or retain jobs in the recipient firm.

30.758. 1. The state treasurer may accept or reject a linked deposit loan package or any portion thereof.

2. The state treasurer shall make a good faith effort to ensure that the linked deposits are placed with eligible lending institutions to make linked deposit loans to minority- or female-owned eligible multitenant enterprises, eligible farming operations, eligible alternative energy operations, eligible alternative energy consumers, eligible locally owned businesses, eligible small businesses, eligible job enhancement businesses, eligible marketing enterprises, eligible residential property developers, eligible residential property owners, eligible governmental entities, eligible agribusinesses, eligible beginning farmers, eligible livestock operations, eligible student borrowers, eligible facility borrowers, or eligible water supply systems. Results of such effort shall be included in the linked deposit review committee's annual report to the governor.

3. Upon acceptance of the linked deposit loan package or any portion thereof, the state treasurer may place linked deposits with the eligible lending institution as follows: when market rates are five percent or above, the state treasurer shall reduce the market rate by up to three percentage points to obtain the linked deposit rate; when market rates are less than five percent, the state treasurer shall reduce the market rate by up to sixty percent to obtain the linked deposit rate. All linked deposit rates are determined and calculated by the state treasurer. When necessary, the treasurer may place linked deposits prior to acceptance of a linked deposit loan package.

4. The eligible lending institution shall enter into a deposit agreement with the state treasurer, which shall include requirements necessary to carry out the purposes of sections 30.750 to 30.765. The deposit agreement shall specify the length of time for which the lending institution will lend funds upon receiving a linked deposit, and the original deposit plus renewals shall not exceed five years, except as otherwise provided in this chapter. The agreement shall also include provisions for the linked deposit of a linked deposit for an eligible facility borrower, eligible multitenant enterprise, eligible farming operation, eligible alternative energy operation, eligible alternative energy consumer, eligible locally owned business, eligible small business, eligible marketing enterprise, eligible residential property developer, eligible residential property owner, eligible governmental entity, eligible agribusiness, eligible beginning farmer, eligible livestock operation, eligible student borrower or job enhancement business. Interest shall be paid at the times determined by the state treasurer.

5. The period of time for which such linked deposit is placed with an eligible lending institution shall be neither longer nor shorter than the period of time for which the linked deposit is used to provide loans at reduced interest rates. The agreement shall further provide that the state shall receive market interest rates on any linked deposit or any portion thereof for any period of time for which there is no corresponding linked deposit loan outstanding to an eligible multitenant enterprise, eligible farming operation, eligible alternative energy operation, eligible alternative energy consumer, eligible locally owned business, eligible small business, eligible job enhancement business, eligible marketing enterprise, eligible residential property developer, eligible residential property owner, eligible governmental entity, eligible agribusiness, eligible beginning farmer, eligible livestock operation, eligible student borrower, eligible facility borrower, or eligible water supply system, except as otherwise provided in this subsection. Within thirty days after the annual anniversary date of the linked deposit, the eligible lending institution shall repay the state treasurer any linked deposit principal received from borrowers in the previous yearly period and thereafter repay such principal within thirty days of the yearly anniversary date calculated separately for each linked deposit loan, and repaid at the linked deposit rate. Such principal payment shall be accelerated when more than thirty percent of the linked deposit loan is repaid within a single monthly period. Any principal received and not repaid, up to the point of the thirty percent or more payment, shall be repaid within thirty days of that payment at the linked deposit rate. Finally, when the linked deposit is tied to a revolving line of credit agreement between the banking institution and its borrower, the full amount of the line of credit shall be excluded from the repayment provisions of this subsection.

6. The state treasurer shall give priority to maintaining linked deposit agreement renewals over funding new linked deposit applications.

385.015. All life insurance, accident and sickness insurance, involuntary unemployment insurance, credit casualty insurance, and property insurance written in connection with loans or other credit transactions shall be subject to the provisions of sections 385.010 to 385.080, except insurance for which no identifiable charge is made to the debtor and insurance written in connection with a loan or other credit transaction of more than ~~ten~~ fifteen years duration; nor shall insurance be subject to the provisions of sections 385.010 to 385.080 if the issuance of the insurance is an isolated transaction on the part of the insurer not related to an agreement or a plan for insuring

debtors of the creditor or where the issuance of such insurance is in connection with a residential real estate secured credit transaction commitment exceeding twenty-five thousand dollars, which may be accessed on a discretionary basis by the debtor."; and

5. For the purposes of this chapter and in order to reduce the points of contact which the Federal Bureau of Investigation may have to maintain, the director may use the NMLSR as an agent for requesting information from and distributing information to the Department of Justice or any other governmental agency.

443.855. The director may prescribe rules governing the advertising of mortgage loans, including, without limitation, ~~[the following requirements:~~

- (2) Liquidate the securities and distribute the resulting moneys among recipients; or**

House Amendment No. 4

AMEND House Bill No. 1736, Page 11, Section 409.6-604, Line 60, by inserting after all of said section and line the following:

"565.184. 1. A person commits the offense of abuse of an elderly person, a person with a disability, or a vulnerable person if he or she:

- (1) Purposely engages in conduct involving more than one incident that causes emotional distress to an elderly person, a person with a disability, or a vulnerable person. The course of conduct shall be such as would cause a reasonable elderly person, person with a disability, or vulnerable person to suffer substantial emotional distress; or

(2) Intentionally fails to provide care, goods or services to an elderly person, a person with a disability, or a vulnerable person. The result of the conduct shall be such as would cause a reasonable elderly person, person with a disability, or vulnerable person to suffer physical or emotional distress; or

(3) ~~[Knowingly]~~ **Intentionally** acts or ~~[knowingly]~~ **intentionally** fails to act in a manner which results in a substantial risk of **serious harm** to the life, body or health of an elderly person, a person with a disability, or a vulnerable person.

2. The offense of abuse of an elderly person, a person with a disability, or a vulnerable person is a class ~~[A-misdemeanor]~~ **E felony**. Nothing in this section shall be construed to mean that an elderly person, a person with a disability, or a vulnerable person is abused solely because such person chooses to rely on spiritual means through prayer, in lieu of medical care, for his or her health care, as evidence by such person's explicit consent, advance directive for health care, or practice.

570.145. 1. A person commits the offense of financial exploitation of an elderly person or a person with a disability if such person knowingly obtains control over the property of the elderly person or person with a disability with the intent to permanently deprive the person of the use, benefit or possession of his or her property thereby benefitting the offender or detrimentally affecting the elderly person or person with a disability by:

- (1) Deceit;
- (2) Coercion;
- (3) Creating or confirming another person's impression which is false and which the offender does not believe to be true;
- (4) Failing to correct a false impression which the offender previously has created or confirmed;

- (7) Promising performance which the offender does not intend to perform or knows will not be performed. Failure to perform standing alone is not sufficient evidence to prove that the offender did not intend to perform; or
- (8) Undue influence, which means the use of influence by someone who exercises authority over an elderly person or person with a disability in order to take unfair advantage of that person's vulnerable state of mind, neediness, pain, or agony. Undue influence includes, but is not limited to, the improper or fraudulent use of a power of attorney, guardianship, conservatorship, or other fiduciary authority.

2. The offense of financial exploitation of an elderly person or person with a disability is a class ~~[A-misdemeanor]~~ **E felony** unless:

- (1) ~~[The value of the property is fifty dollars or more, in which case it is a class E felony;~~
- ~~———~~ (2) The value of the property is ~~[seven hundred fifty]~~ **five hundred** dollars or more, in which case it is a class D felony;
- ~~[(3)]~~ (2) The value of the property is ~~[five]~~ **two thousand five hundred** dollars or more, in which case it is a class C felony;
- ~~[(4)]~~ (3) The value of the property is twenty-five thousand dollars or more, in which case it is a class B felony; or
- ~~[(5)]~~ (4) The value of the property is seventy-five thousand dollars or more, in which case it is a class A felony.

3. Nothing in this section shall be construed to limit the remedies available to the victim pursuant to any state law relating to domestic violence.

4. Nothing in this section shall be construed to impose criminal liability on a person who has made a good faith effort to assist the elderly person or person with a disability in the management of his or her property, but through no fault of his or her own has been unable to provide such assistance.

5. Nothing in this section shall limit the ability to engage in bona fide estate planning, to transfer property and to otherwise seek to reduce estate and inheritance taxes; provided that such actions do not adversely impact the standard of living to which the elderly person or person with a disability has become accustomed at the time of such actions.

6. It shall not be a defense to financial exploitation of an elderly person or person with a disability that the accused reasonably believed that the victim was not an elderly person or person with a disability.

7. (1) It shall be unlawful in violation of this section for any person receiving or in the possession of funds of a Medicaid-eligible elderly person or person with a disability residing in a facility licensed under chapter 198 to fail to remit to the facility in which the Medicaid-eligible person resides all money owing the facility resident from any source, including, but not limited to, Social Security, railroad retirement, or payments from any other source disclosed as resident income contained in the records of the department of social services, family support division or its successor. The department of social services, family support division or its successor is authorized to release information from its records containing the resident's income or assets to any prosecuting or circuit attorney in the state of Missouri for purposes of investigating or prosecuting any suspected violation of this section.

(2) The prosecuting or circuit attorney of any county containing a facility licensed under chapter 198, who successfully prosecutes a violation of the provisions of this subsection, may request the circuit court of the county in which the offender admits to or is found guilty of a violation, as a condition of sentence and/or probation, to order restitution of all amounts unlawfully withheld from a facility in his or her county. Any order of restitution entered by the court or by agreement shall provide that ten percent of any restitution installment or payment paid by or on behalf of the defendant or defendants shall be paid to the prosecuting or circuit attorney of the county successfully prosecuting the violation to compensate for the cost of prosecution with the remaining amount to be paid to the facility."; and

JOURNAL OF THE HOUSE

Second Regular Session, 100th GENERAL ASSEMBLY

THIRTY-EIGHTH DAY, THURSDAY, MARCH 12, 2020

The House met pursuant to adjournment.

Speaker Haahr in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

I will say of the Lord, He is my refuge and my fortress: My God, in Him will I trust. (Psalm 91:2)

Eternal God, who is the Creator of the world and the everlasting sustainer of our spirits, without whom no one is wise and no one is good, we pause in Your presence to invoke Your blessing upon us and to offer unto You the devotion of our hearts.

During this time of public health concerns, protect and bless us as we meet this day, and may we be given wisdom to make sound decisions, strength to walk in the way of justice and freedom for all, and good will to motivate all we say and do.

Bless our state and make us, now and always, a people mindful of Your favor, eager to do Your will, willing to obey Your commandments, and ready to live in Your spirit of love and calmness.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the thirty-seventh day was approved as printed.

JOURNAL OF THE HOUSE

Second Regular Session, 100th GENERAL ASSEMBLY

THIRTY-FIRST DAY, MONDAY, MARCH 2, 2020

The House met pursuant to adjournment.

Speaker Haahr in the Chair.

Prayer by Representative Ben Baker.

Heavenly Father, we thank You for this wonderful day that You have given us to live and to serve You. We ask that You guide our steps throughout this session, that everything we say or do will honor You. You have said in the word that if we lack any wisdom for us to ask of You. So today, we are asking for Your wisdom. We are a people that are faulty and imperfect. We recognize that we cannot rely on our own intellect or ability alone. We desperately need Your help to be able to fulfill our role and responsibility.

Father, we recognize Your sovereignty over all of Your creation. We know that You desire to lead us in the path that will honor those that we serve and, most importantly, bring glory to You with every decision that we make. Even though the members of this body all think differently, and have varying backgrounds and philosophical differences, help us to strive to work together for what is good for the citizens of our state.

Be with us as we go about the business of this House. Be with the families of every member and keep them safe. Give us grace and strength to serve. In the name of Jesus, we pray.

And the members say "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Cole Bower, Zoe Poulsen, Lily Calvin, Caden Metcalf, and Emma Winkler.

The House met pursuant to adjournment.

Speaker Haahr in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

The Lord is my shepherd. (Psalm 23:1)

O good Shepherd, whose strength sustains us in our work, whose hand supports us in our weariness, and whose presence gives us security in the times of trouble, grant unto us the renewing power of Your Holy Spirit as we wait upon You in prayer here in the People's House. Lead us into green pastures, beside still waters, and along paths of righteousness in which our souls are restored. When we walk through the valley of the shadow of death, may we feel Your presence near and in the assurance of Your love find deliverance in the midst of our distresses.

Fill our hearts with such a faith in You that by night and by day, at all times and in all seasons, we may commit ourselves and those near and dear to us to Your never-failing compassion and to Your never-faltering mercy. Thus, may Your goodness and Your mercy follow us all the days of our lives, and in spirit may we dwell in Your house forevermore.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as an Honorary Pages for the Day, to serve without compensation: Yeshemibet Bet Menen, Elizabeth Smith, Titus Smith, Alayna Williams, Cade Williams, Aden Brawner, Ashlyn Brawner, Will Hardeman.

The Journal of the thirty-first day was approved as printed by the following vote:

"163.031. 1. The department of elementary and secondary education shall calculate and distribute to each school district qualified to receive state aid under section 163.021 an amount determined by multiplying the district's weighted average daily attendance by the state adequacy target, multiplying this product by the dollar value modifier for the district, and subtracting from this product the district's local effort and subtracting payments from the classroom trust fund under section 163.043.

2. Other provisions of law to the contrary notwithstanding:

(1) For districts with an average daily attendance of more than three hundred fifty in the school year preceding the payment year:

(a) For the 2008-09 school year, the state revenue per weighted average daily attendance received by a district from the state aid calculation under subsections 1 and 4 of this section, as applicable, and the classroom trust fund under section 163.043 shall not be less than the state revenue received by a district in the 2005-06 school year from the foundation formula, line 14, gifted, remedial reading, exceptional pupil aid, fair share, and free textbook payment amounts multiplied by the dollar value modifier, and dividing this product by the weighted average daily attendance computed for the 2005-06 school year;

(b) For each year subsequent to the 2008-09 school year, the amount shall be no less than that computed in paragraph (a) of this subdivision, multiplied by the weighted average daily attendance pursuant to section 163.036, less any increase in revenue received from the classroom trust fund under section 163.043;

(2) For districts with an average daily attendance of three hundred fifty or less in the school year preceding the payment year:

(a) For the 2008-09 school year, the state revenue received by a district from the state aid calculation under subsections 1 and 4 of this section, as applicable, and the classroom trust fund under section 163.043 shall not be less than the greater of state revenue received by a district in the 2004-05 or 2005-06 school year from the foundation formula, line 14, gifted, remedial reading, exceptional pupil aid, fair share, and free textbook payment amounts multiplied by the dollar value modifier;

(b) For each year subsequent to the 2008-09 school year, the amount shall be no less than that computed in paragraph (a) of this subdivision;

(3) The department of elementary and secondary education shall make an addition in the payment amount specified in subsection 1 of this section to assure compliance with the provisions contained in this subsection.

3. School districts that meet the requirements of section 163.021 shall receive categorical add-on revenue as provided in this subsection. The categorical add-on for the district shall be the sum of: seventy-five percent of the district allowable transportation costs under section 163.161; the career ladder entitlement for the district, as provided for in sections 168.500 to 168.515; the vocational education entitlement for the district, as provided for in section 167.332; and the district educational and screening program entitlements as provided for in sections 178.691 to 178.699. The categorical add-on revenue amounts may be adjusted to accommodate available appropriations.

4. For any school district meeting the eligibility criteria for state aid as established in section 163.021, but which is considered an option district under section 163.042 and therefore receives no state aid, the commissioner of education shall present a plan to the superintendent of the school district for the waiver of rules and the duration of said waivers, in order to promote flexibility in the operations of the district and to enhance and encourage efficiency in the delivery of instructional services as provided in section 163.042.

5. (1) No less than seventy-five percent of the state revenue received under the provisions of subsections 1 and 2 of this section shall be placed in the teachers' fund, and the remaining percent of such moneys shall be placed in the incidental fund. No less than seventy-five percent of one-half of the funds received from the school district trust fund distributed under section 163.087 shall be placed in the teachers' fund. One hundred percent of revenue received under the provisions of section 163.161 shall be placed in the incidental fund. One hundred percent of revenue received under the provisions of sections 168.500 to 168.515 shall be placed in the teachers' fund.

(2) A school district shall spend for certificated compensation and tuition expenditures each year:

(a) An amount equal to at least seventy-five percent of the state revenue received under the provisions of subsections 1 and 2 of this section;

(b) An amount equal to at least seventy-five percent of one-half of the funds received from the school district trust fund distributed under section 163.087 during the preceding school year; ~~and~~

(c) Beginning in fiscal year 2008, as much as was spent per the second preceding year's weighted average daily attendance for certificated compensation and tuition expenditures the previous year from revenue produced by local and county tax sources in the teachers' fund, plus the amount of the incidental fund to teachers' fund transfer calculated to be local and county tax sources by dividing local and county tax sources in the incidental fund by total revenue in the incidental fund; **and**

(d) Beginning in fiscal year 2022, no compensation, including but not limited to any salary, wages, or fringe benefits, shall be provided to a superintendent of a school district from the teachers' fund.

In the event a district fails to comply with this provision, the amount by which the district fails to spend funds as provided herein shall be deducted from the district's state revenue received under the provisions of subsections 1 and 2 of this section for the following year, provided that the state board of education may exempt a school district from this provision if the state board of education determines that circumstances warrant such exemption.

6. (1) If a school district's annual audit discloses that students were inappropriately identified as eligible for free and reduced price lunch, special education, or limited English proficiency and the district does not resolve the audit finding, the department of elementary and secondary education shall require that the amount of aid paid pursuant to the weighting for free and reduced price lunch, special education, or limited English proficiency in the weighted average daily attendance on the inappropriately identified pupils be repaid by the district in the next school year and shall additionally impose a penalty of one hundred percent of such aid paid on such pupils, which penalty shall also be paid within the next school year. Such amounts may be repaid by the district through the withholding of the amount of state aid.

(2) In the 2017-18 school year and in each subsequent school year, if a district experiences a decrease in its gifted program enrollment of twenty percent or more from the previous school year, an amount equal to the product of the difference between the number of students enrolled in the gifted program in the current school year and the number of students enrolled in the gifted program in the previous school year multiplied by six hundred eighty dollars shall be subtracted from the district's current year payment amount. The provisions of this subdivision shall apply to districts entitled to receive state aid payments under both subsections 1 and 2 of this section but shall not apply to any school district with an average daily attendance of three hundred fifty or less.

7. Notwithstanding any provision of law to the contrary, in any fiscal year during which the total formula appropriation is insufficient to fully fund the entitlement calculation of this section, the department of elementary and secondary education shall adjust the state adequacy target in order to accommodate the appropriation level for the given fiscal year. In no manner shall any payment modification be rendered for any district qualified to receive payments under subsection 2 of this section based on insufficient appropriations.

8. Notwithstanding any provision of law to the contrary, school districts that receive revenue from the tax authorized under sections 148.030, 148.140, 148.620, and 148.720 shall, beginning January 1, 2020, and every January first thereafter, report the amount of said revenue received by the district to the department. This payment shall be in addition to payments authorized under subsections 1, 2, and 7 of this section and shall be made from the annual appropriation to fund this section.

168.191. 1. **As used in this section and sections 168.201, 168.205, and 168.211, the term "total compensation" means, as calculated for the most recently completed full school year, all amounts of any salary, wages, and fringe benefits provided by a school district to a superintendent or a teacher, as applicable, except that "total compensation" shall not include any additional salary, wages, or other monetary compensation provided by a school district to a school district teacher for service performed on behalf of a school district as a coach, advisor, sponsor, or other similar service.**

JOURNAL OF THE HOUSE

Second Regular Session, 100th GENERAL ASSEMBLY

THIRTY-THIRD DAY, WEDNESDAY, MARCH 4, 2020

The House met pursuant to adjournment.

Speaker Haahr in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

Let us greet him with a song of praise. (Psalm 95:2)

Let Your presence be revealed to us, Almighty God, as in this quiet moment of morning prayer we wait upon You.

Now strengthen us by Your Spirit that no stress may overcome us, no difficulty may overwhelm us, and no duty may overtax us, but may we always be equal to every experience, ready for every responsibility, and adequate for every activity. Help us to be more positive in our thinking, to look increasingly on the bright side of life, to be awake to the good everywhere present, and to be ever grateful for Your gifts to us and for the love which surrounds us all our lives.

May this day help us to live our faith, to rejoice in Your presence, to maintain an attitude of joy toward all Your children, to learn to forget ourselves, and to serve our state and our people faithfully and well. Take Your rightful place in our hearts, O Good Shepherd, for in You alone is peace and joy.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as an Honorary Page for the Day, to serve without compensation: Lalaine Treasure.

The Journal of the thirty-second day was approved as printed by the following vote:

The governing body of any city or county may grant authority by act or ordinance to the commission to enact the limitations established in this section on those roadways within the purview of such city or county. Notice of the weight limits and speed limits established by the commission shall be given by posting signs at a conspicuous place at each end of any such bridge.

5. Nothing in this section shall be construed as permitting lawful axle loads, tandem axle loads or gross loads in excess of those permitted under the provisions of P.L. 97-424 codified in Title 23 of the United States Code (23 U.S.C. Section 101, et al.), as amended.

6. Notwithstanding the weight limitations contained in this section, any vehicle or combination of vehicles operating on highways other than the interstate highway system may exceed single axle, tandem axle and gross weight limitations in an amount not to exceed two thousand pounds. However, total gross weight shall not exceed eighty thousand pounds, except as provided in subsections 9, 10, 12, and 13 of this section.

7. Notwithstanding any provision of this section to the contrary, the commission shall issue a single-use special permit, or upon request of the owner of the truck or equipment shall issue an annual permit, for the transporting of any crane or concrete pump truck or well-drillers' equipment. The commission shall set fees for the issuance of permits and parameters for the transport of cranes pursuant to this subsection. Notwithstanding the provisions of section 301.133, cranes, concrete pump trucks, or well-drillers' equipment may be operated on state-maintained roads and highways at any time on any day.

8. Notwithstanding the provision of this section to the contrary, the maximum gross vehicle limit and axle weight limit for any vehicle or combination of vehicles equipped with an idle reduction technology may be increased by a quantity necessary to compensate for the additional weight of the idle reduction system as provided for in 23 U.S.C. Section 127, as amended. In no case shall the additional weight increase allowed by this subsection be greater than five hundred fifty pounds. Upon request by an appropriate law enforcement officer, the vehicle operator shall provide proof that the idle reduction technology is fully functional at all times and that the gross weight increase is not used for any purpose other than for the use of idle reduction technology.

9. Notwithstanding any provision of this section or any other law to the contrary, the total gross weight of any vehicle or combination of vehicles hauling milk, from a farm to a processing facility or livestock may be as much as, but shall not exceed, eighty-five thousand five hundred pounds while operating on highways other than the interstate highway system. The provisions of this subsection shall not apply to vehicles operated and operating on the Dwight D. Eisenhower System of Interstate and Defense Highways.

10. Notwithstanding any provision of this section or any other law to the contrary, any vehicle or combination of vehicles hauling grain or grain coproducts during times of harvest may be as much as, but not exceeding, ten percent over the maximum weight limitation allowable under subsection 3 of this section while operating on highways other than the interstate highway system. The provisions of this subsection shall not apply to vehicles operated and operating on the Dwight D. Eisenhower System of Interstate and Defense Highways.

11. Notwithstanding any provision of this section or any other law to the contrary, the commission shall issue emergency utility response permits for the transporting of utility wires or cables, poles, and equipment needed for repair work immediately following a disaster where utility service has been disrupted. Under exigent circumstances, verbal approval of such operation may be made either by the department of transportation motor carrier compliance supervisor or other designated motor carrier services representative. Utility vehicles and equipment used to assist utility companies granted special permits under this subsection may be operated and transported on state-maintained roads and highways at any time on any day. The commission shall promulgate all necessary rules and regulations for the administration of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2014, shall be invalid and void.

12. Notwithstanding any provision of this section to the contrary, emergency vehicles designed to be used under emergency conditions to transport personnel and equipment and to **support the suppression of fires and** mitigate hazardous situations may have a maximum gross vehicle weight of eighty-six thousand pounds inclusive of twenty-four thousand pounds on a single steering axle; thirty-three thousand five hundred pounds on a single drive axle; sixty-two thousand pounds on a tandem axle; or fifty-two thousand pounds on a tandem rear-drive steer axle; **except that, such emergency vehicles shall only operate on the Dwight D. Eisenhower National System of Interstate and Defense Highways.**

13. Notwithstanding any provision of this section to the contrary, a vehicle operated by an engine fueled primarily by natural gas may operate upon the public highways of this state in excess of the vehicle weight limits set forth in this section by an amount that is equal to the difference between the weight of the vehicle attributable to the natural gas tank and fueling system carried by that vehicle and the weight of a comparable diesel tank and fueling system. In no event shall the maximum gross vehicle weight of the vehicle operating with a natural gas engine exceed eighty-two thousand pounds."; and

JOURNAL OF THE HOUSE

Second Regular Session, 100th GENERAL ASSEMBLY

THIRTY-FOURTH DAY, THURSDAY, MARCH 5, 2020

The House met pursuant to adjournment.

Speaker Haahr in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

They that hope in the Lord will renew their strength. (Isaiah 40:31)

Our beautiful God, who is from everlasting to everlasting, to You we come and to You do we lift our hearts in prayer. Always are You with us; always do You seek to arise anew within our minds. Help us to be aware of Your presence. By clear thinking, clean living, and a creative faith, we may find Your Spirit coming to new life deep within our own being.

We pray for greater strength: strength to resist evil, strength to overcome our temptations, strength to do what we ought to do and to live as we ought to live. O God, come into our hearts and help us do for ourselves what we cannot do by ourselves – win the battle over our own weaknesses. Thus, may we be given strength to do our full part in making the heart of our state good, sound, and wise here in the People’s House.

And the House says, “Amen!”

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as an Honorary Page for the Day, to serve without compensation: Maell Pearson.

The Journal of the thirty-third day was approved as printed.

(1) "County", any county with a charter form of government and with more than nine hundred fifty thousand inhabitants and with historic landfills located in such county;

(2) "Historic landfill", any real property for which a county issued an approval before January 1, 1973, for use as a landfill;

(3) "Land use permit", any permit required by a county before any action relating to any use of a plot of property containing a historic landfill may occur.

3. (1) Before July 1, 2021, each county shall establish a procedure to determine whether any reclamation or remediation of a historic landfill has been accomplished safely before issuing any land use permit for such property.

(2) The procedure shall ensure that protecting the health of any resident who lives and person who works near the historic landfill is a primary concern during all phases of a reclamation or remediation of the historic landfill.

(3) The procedure shall be developed in consultation with residents of the county and any stakeholder representing any entity with an interest in the historic landfill. The development of the procedure shall include public hearings and public meetings that allow for public comments by such residents and stakeholders. At such public hearings and public meetings, residents shall be provided ample opportunity to present in person any statement, testimony, or evidence regarding the resident's concerns about the steps that the county shall include as part of the procedure for reviewing any reclamation or remediation of a historic landfill before the county issues any land use permit. All information presented at such public hearings and public meetings shall be deemed an official record to be preserved by the appropriate custodian of such records in the county.

(4) The county shall use all information presented under this subsection in creating the procedure for reviewing a reclamation or remediation of a historic landfill.

4. (1) Before issuing any land use permit, the county shall hold public hearings and public meetings that allow for public comments by such residents and stakeholders. At such public hearings and public meetings, residents shall be provided ample opportunity to present in person any statement, testimony, or evidence regarding the resident's concerns about the following:

(a) Any reclamation or remediation that was performed on the historic landfill;

(b) Any items, substances, or contaminants the resident believes to be in the historic landfill;

- (3) The county shall use all information presented under this subsection in determining whether to conduct additional site testing for contaminants beyond any other required site testing before issuing a land use permit.
- (4) If the county determines that additional testing is necessary based on the records gathered at the public hearings and public meetings, the county shall require the additional necessary testing. If the additional testing determines that any reclamation or remediation was inadequate or that additional reclamation or remediation is necessary, the county shall require any reclamation or remediation of the historic landfill be completed before the county issues any land use permit."; and

JOURNAL OF THE HOUSE

Second Regular Session, 100th GENERAL ASSEMBLY

TWENTY-SEVENTH DAY, TUESDAY, FEBRUARY 25, 2020

The House met pursuant to adjournment.

Speaker Pro Tem Wiemann in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

The steps of a good man are ordered by the Lord: and he delights in his way. (Psalm 37:23)

Eternal God, who has promised the upright in heart a light that shines in the darkness and a strength that never fails, grant us such positive attitudes and such high purposes that shall lift us above the shadow of doubt and fear, and help us to realize the power of Your presence. Give to us the wings of faith, the virtue of love, and the heart of hope as we commit ourselves anew to You and to Your will for our lives here in the people's house.

May we walk the ever-changing roads of our daily life with confidence and courage, knowing that You are with us always and all the way. Give to us this day good health, an understanding mind, a happy spirit, a loving heart, and with it all, a will ready to do good to others, to do positive works and to be faithful to You on this Mardi Gras!

And the House says, "Amen!"

The Webb City High School JROTC Color Guard presented the Colors.

The Pledge of Allegiance to the flag was recited.

The Journal of the twenty-sixth day was approved as printed by the following vote:

AMEND House Committee Substitute for House Bill No. 1333, Page 1, Section A, Line 3, by inserting after all of said line the following:

"137.115. 1. All other laws to the contrary notwithstanding, the assessor or the assessor's deputies in all counties of this state including the City of St. Louis shall annually make a list of all real and tangible personal property taxable in the assessor's city, county, town or district. Except as otherwise provided in subsection 3 of this section and section 137.078, the assessor shall annually assess all personal property at thirty-three and one-third percent of its true value in money as of January first of each calendar year. The assessor shall annually assess all real property, including any new construction and improvements to real property, and possessory interests in real property at the percent of its true value in money set in subsection 5 of this section. The true value in money of any possessory interest in real property in subclass (3), where such real property is on or lies within the ultimate airport boundary as shown by a federal airport layout plan, as defined by 14 CFR 151.5, of a commercial airport having a FAR Part 139 certification and owned by a political subdivision, shall be the otherwise applicable true value in money of any such possessory interest in real property, less the total dollar amount of costs paid by a party, other

than the political subdivision, towards any new construction or improvements on such real property completed after January 1, 2008, and which are included in the above-mentioned possessory interest, regardless of the year in which such costs were incurred or whether such costs were considered in any prior year. The assessor shall annually assess all real property in the following manner: new assessed values shall be determined as of January first of each odd-numbered year and shall be entered in the assessor's books; those same assessed values shall apply in the following even-numbered year, except for new construction and property improvements which shall be valued as though they had been completed as of January first of the preceding odd-numbered year. The assessor may call at the office, place of doing business, or residence of each person required by this chapter to list property, and require the person to make a correct statement of all taxable tangible personal property owned by the person or under his or her care, charge or management, taxable in the county. On or before January first of each even-numbered year, the assessor shall prepare and submit a two-year assessment maintenance plan to the county governing body and the state tax commission for their respective approval or modification. The county governing body shall approve and forward such plan or its alternative to the plan to the state tax commission by February first. If the county governing body fails to forward the plan or its alternative to the plan to the state tax commission by February first, the assessor's plan shall be considered approved by the county governing body. If the state tax commission fails to approve a plan and if the state tax commission and the assessor and the governing body of the county involved are unable to resolve the differences, in order to receive state cost-share funds outlined in section 137.750, the county or the assessor shall petition the administrative hearing commission, by May first, to decide all matters in dispute regarding the assessment maintenance plan. Upon agreement of the parties, the matter may be stayed while the parties proceed with mediation or arbitration upon terms agreed to by the parties. The final decision of the administrative hearing commission shall be subject to judicial review in the circuit court of the county involved. In the event a valuation of subclass (1) real property within any county with a charter form of government, or within a city not within a county, is made by a computer, computer-assisted method or a computer program, the burden of proof, supported by clear, convincing and cogent evidence to sustain such valuation, shall be on the assessor at any hearing or appeal. In any such county, unless the assessor proves otherwise, there shall be a presumption that the assessment was made by a computer, computer-assisted method or a computer program. Such evidence shall include, but shall not be limited to, the following:

(1) The findings of the assessor based on an appraisal of the property by generally accepted appraisal techniques; and

(2) The purchase prices from sales of at least three comparable properties and the address or location thereof. As used in this subdivision, the word "comparable" means that:

(a) Such sale was closed at a date relevant to the property valuation; and

(b) Such properties are not more than one mile from the site of the disputed property, except where no similar properties exist within one mile of the disputed property, the nearest comparable property shall be used. Such property shall be within five hundred square feet in size of the disputed property, and resemble the disputed property in age, floor plan, number of rooms, and other relevant characteristics.

2. Assessors in each county of this state and the City of St. Louis may send personal property assessment forms through the mail.

3. The following items of personal property shall each constitute separate subclasses of tangible personal property and shall be assessed and valued for the purposes of taxation at the following percentages of their true value in money:

(1) Grain and other agricultural crops in an unmanufactured condition, one-half of one percent;

(2) Livestock, twelve percent;

(3) Farm machinery, twelve percent;

(4) Motor vehicles which are eligible for registration as and are registered as historic motor vehicles ~~pursuant to~~ **under** section 301.131 and aircraft which are at least twenty-five years old and which are used solely for noncommercial purposes and are operated less than ~~[fifty]~~ **one hundred** hours per year or aircraft that are home built from a kit, five percent;

(5) Poultry, twelve percent; and

(6) Tools and equipment used for pollution control and tools and equipment used in retooling for the purpose of introducing new product lines or used for making improvements to existing products by any company which is located in a state enterprise zone and which is identified by any standard industrial classification number cited in subdivision (5) of section 135.200, twenty-five percent.

4. The person listing the property shall enter a true and correct statement of the property, in a printed blank prepared for that purpose. The statement, after being filled out, shall be signed and either affirmed or sworn to as provided in section 137.155. The list shall then be delivered to the assessor.

5. (1) All subclasses of real property, as such subclasses are established in Section 4(b) of Article X of the Missouri Constitution and defined in section 137.016, shall be assessed at the following percentages of true value:

- (a) For real property in subclass (1), nineteen percent;
- (b) For real property in subclass (2), twelve percent; and
- (c) For real property in subclass (3), thirty-two percent.

(2) A taxpayer may apply to the county assessor, or, if not located within a county, then the assessor of such city, for the reclassification of such taxpayer's real property if the use or purpose of such real property is changed after such property is assessed under the provisions of this chapter. If the assessor determines that such property shall be reclassified, he or she shall determine the assessment under this subsection based on the percentage of the tax year that such property was classified in each subclassification.

6. Manufactured homes, as defined in section 700.010, which are actually used as dwelling units shall be assessed at the same percentage of true value as residential real property for the purpose of taxation. The percentage of assessment of true value for such manufactured homes shall be the same as for residential real property. If the county collector cannot identify or find the manufactured home when attempting to attach the manufactured home for payment of taxes owed by the manufactured home owner, the county collector may request the county commission to have the manufactured home removed from the tax books, and such request shall be granted within thirty days after the request is made; however, the removal from the tax books does not remove the tax lien on the manufactured home if it is later identified or found. For purposes of this section, a manufactured home located in a manufactured home rental park, rental community or on real estate not owned by the manufactured home owner shall be considered personal property. For purposes of this section, a manufactured home located on real estate owned by the manufactured home owner may be considered real property.

7. Each manufactured home assessed shall be considered a parcel for the purpose of reimbursement ~~[pursuant to]~~ **under** section 137.750, unless the manufactured home is **deemed to be** real estate ~~[as defined in]~~ **under** subsection 7 of section 442.015 and assessed as a realty improvement to the existing real estate parcel.

8. Any amount of tax due and owing based on the assessment of a manufactured home shall be included on the personal property tax statement of the manufactured home owner unless the manufactured home is **deemed to be** real estate ~~[as defined in]~~ **under** subsection 7 of section 442.015, in which case the amount of tax due and owing on the assessment of the manufactured home as a realty improvement to the existing real estate parcel shall be included on the real property tax statement of the real estate owner.

9. The assessor of each county and each city not within a county shall use the trade-in value published in the October issue of the National Automobile Dealers' Association Official Used Car Guide, or its successor publication, as the recommended guide of information for determining the true value of motor vehicles described in such publication. The assessor shall not use a value that is greater than the average trade-in value in determining the true value of the motor vehicle without performing a physical inspection of the motor vehicle. For vehicles two years old or newer from a vehicle's model year, the assessor may use a value other than average without performing a physical inspection of the motor vehicle. In the absence of a listing for a particular motor vehicle in such publication, the assessor shall use such information or publications which in the assessor's judgment will fairly estimate the true value in money of the motor vehicle.

10. Before the assessor may increase the assessed valuation of any parcel of subclass (1) real property by more than fifteen percent since the last assessment, excluding increases due to new construction or improvements, the assessor shall conduct a physical inspection of such property.

11. If a physical inspection is required, ~~[pursuant to]~~ **under** subsection 10 of this section, the assessor shall notify the property owner of that fact in writing and shall provide the owner clear written notice of the owner's rights relating to the physical inspection. If a physical inspection is required, the property owner may request that an interior inspection be performed during the physical inspection. The owner shall have no less than thirty days to notify the assessor of a request for an interior physical inspection.

12. A physical inspection, as required by subsection 10 of this section, shall include, but not be limited to, an on-site personal observation and review of all exterior portions of the land and any buildings and improvements to which the inspector has or may reasonably and lawfully gain external access, and shall include an observation and review of the interior of any buildings or improvements on the property upon the timely request of the owner ~~[pursuant to]~~ **under** subsection 11 of this section. Mere observation of the property via a drive-by inspection or the like shall not be considered sufficient to constitute a physical inspection as required by this section.

13. The provisions of subsections 11 and 12 of this section shall only apply in any county with a charter form of government with more than one million inhabitants.

14. A county or city collector may accept credit cards as proper form of payment of outstanding property tax or license due. No county or city collector may charge surcharge for payment by credit card which exceeds the fee or surcharge charged by the credit card bank, processor, or issuer for its service. A county or city collector may accept payment by electronic transfers of funds in payment of any tax or license and charge the person making such payment a fee equal to the fee charged the county by the bank, processor, or issuer of such electronic payment.

15. Any county or city not within a county in this state may, by an affirmative vote of the governing body of such county, opt out of the provisions of this section and sections 137.073, 138.060, and 138.100 as enacted by house bill no. 1150 of the ninety-first general assembly, second regular session and section 137.073 as modified by house committee substitute for senate substitute for senate committee substitute for senate bill no. 960, ninety-second general assembly, second regular session, for the next year of the general reassessment, prior to January first of any year. No county or city not within a county shall exercise this opt-out provision after implementing the provisions of this section and sections 137.073, 138.060, and 138.100 as enacted by house bill no. 1150 of the ninety-first general assembly, second regular session and section 137.073 as modified by house committee substitute for senate substitute for senate committee substitute for senate bill no. 960, ninety-second general assembly, second regular session, in a year of general reassessment. For the purposes of applying the provisions of this subsection, a political subdivision contained within two or more counties where at least one of such counties has opted out and at least one of such counties has not opted out shall calculate a single tax rate as in effect prior to the enactment of house bill no. 1150 of the ninety-first general assembly, second regular session. A governing body of a city not within a county or a county that has opted out under the provisions of this subsection may choose to implement the provisions of this section and sections 137.073, 138.060, and 138.100 as enacted by house bill no. 1150 of the ninety-first general assembly, second regular session, and section 137.073 as modified by house committee substitute for senate substitute for senate committee substitute for senate bill no. 960, ninety-second general assembly, second regular session, for the next year of general reassessment, by an affirmative vote of the governing body prior to December thirty-first of any year.

16. The governing body of any city of the third classification with more than twenty-six thousand three hundred but fewer than twenty-six thousand seven hundred inhabitants located in any county that has exercised its authority to opt out under subsection 15 of this section may levy separate and differing tax rates for real and personal property only if such city bills and collects its own property taxes or satisfies the entire cost of the billing and collection of such separate and differing tax rates. Such separate and differing rates shall not exceed such city's tax rate ceiling.

17. Any portion of real property that is available as reserve for strip, surface, or coal mining for minerals for purposes of excavation for future use or sale to others that has not been bonded and permitted under chapter 444 shall be assessed based upon how the real property is currently being used. Any information provided to a county assessor, state tax commission, state agency, or political subdivision responsible for the administration of tax policies shall, in the performance of its duties, make available all books, records, and information requested, except such books, records, and information as are by law declared confidential in nature, including individually identifiable information regarding a specific taxpayer or taxpayer's mine property. For purposes of this subsection, "mine property" shall mean all real property that is in use or readily available as a reserve for strip, surface, or coal mining for minerals for purposes of excavation for current or future use or sale to others that has been bonded and permitted under chapter 444."; and
